WHERE BUSINESS MEETS THE FAIRWAY

THE POWER BEHIND EVERY PARTNERSHIP AT VICTORIA

At Victoria Country Club, golf has always been about more than the game itself.

While every round begins with the familiar rhythm of a tee shot and the quiet anticipation of the fairway ahead, what unfolds here extends far beyond the scorecard. Across our course, clubhouse and event spaces, meaningful connections are formed, partnerships are strengthened, and opportunities are created in ways that only a setting like Victoria can inspire.

Golf has long been recognised as one of the most powerful environments for relationship-building. It creates space for conversation, trust and genuine engagement — qualities that are increasingly valuable in today's fast-moving business world. At Victoria, these moments are elevated by an environment designed for excellence.

From corporate golf days and strategic hole sponsorships to conferencing, hospitality experiences and private events, Victoria Country Club has become a platform where business and leisure meet with purpose.

EVERY SPONSORED HOLE
tells a story of partnership.

EVERY GOLF DAY
hosted on our fairways
represents collaboration
in motion.

EVERY EVENT
held within our clubhouse
reflects the confidence
that organisations place in
the Victoria experience.

What makes these partnerships successful is not simply the quality of our course or facilities, but the atmosphere that surrounds them — one of professionalism, prestige and connection.

This edition of The Victorian explores The Business of Golf and celebrates the role Victoria continues to play as a destination where relationships are cultivated, brands are elevated and experiences leave a lasting impact.

**Because here at Victoria,
the fairway is only
the beginning.**

“ At Victoria, every round
creates more than competition —
it creates connection. ”

EXCLUSIVE TEE BOX
SPONSORSHIP OPPORTUNITIES
AT VICTORIA COUNTRY CLUB

Every round begins at the tee box.
Make sure your brand is there.

A tee box is the first place players pause, prepare and engage with the course ahead. It is where attention is focused, where conversations begin, and where every round officially starts.

Victoria Country Club offers businesses the opportunity to position their brand at one of the most visible and frequently engaged touchpoints on the course through exclusive **Tee Box Sponsorship Opportunities**.

By sponsoring a tee box, your brand becomes part of the player journey — prominently displayed on professional signage seen by members, guests, corporate players and visiting golfers throughout the year.

“ *Be part of every drive,
every round and every
opportunity that begins
at the tee.* ”

THE VALUE OF VISIBILITY

WHY BRANDS CHOOSE VICTORIA COUNTRY CLUB

At Victoria Country Club, visibility means more than simply being seen. It means being positioned within an environment where relationships are built, trust is established and meaningful business conversations unfold naturally.

For brands seeking authentic exposure, Victoria offers a platform unlike traditional advertising channels. Here, visibility is not fleeting. It is sustained, experiential and connected to moments of genuine engagement.

Every round played, every corporate golf day hosted and every guest welcomed to the club creates an opportunity for brand recognition within a premium setting.

The value lies not only in presence, but in **association**. To be visible at Victoria is to align your brand with professionalism, prestige and a legacy of excellence that has shaped the club for generations.

It places your business in front of decision-makers, professionals, entrepreneurs and community leaders who value quality, consistency and connection.

*This is visibility with context.
Visibility with relevance.
Visibility with impact.*

At Victoria, brand presence becomes part of the experience itself — woven into the rhythm of every round, every event and every interaction. Because in the right environment, visibility is more than exposure. **It becomes influence.**

THE VALUE OF BEING SEEN IN THE RIGHT PLACE

A CAPTIVE AUDIENCE

Engage with members, guests and corporate visitors in an attentive, relaxed setting.

REPEATED EXPOSURE

Your brand is encountered consistently across rounds, events and club activity.

PREMIUM ASSOCIATION

Align with one of Pietermaritzburg's most respected sporting institutions.

RELATIONSHIP-DRIVEN VISIBILITY

Connect where conversations happen naturally.

“*The right audience is not reached through noise, but through meaningful presence.*”

BEHIND VERY SUCCESSFUL GOLF DAY

YES, WE KNOW YOU'RE MISSING YOUR GOLF

From May through August, Victoria Country Club hosts an exceptionally busy golf day season, with corporate events often filling both Thursdays and Fridays.

We know this means many of our members miss valuable playing opportunities during these months — and we understand that frustration.

But these golf days are more than calendar bookings. They are essential to sustaining and enhancing the club you call home.

Every successful corporate golf day contributes directly to the ongoing investment in course conditioning, clubhouse improvements, and the development of the elevated member experience enjoyed throughout the year.

Behind every seamless registration, every perfectly positioned cart, every sponsored activation and every polished fairway is a team working tirelessly to ensure these events deliver value to you only to our clients, but to the long-term future of Victoria Country Club.

Your patience during our busiest season allows us to continue building a club that remains one of Pietermaritzburg's premier golfing destinations.

And when the season settles, the course is yours again — stronger, sharper, and better because of it.

“*The rounds we pause today help build the course we enjoy tomorrow.*”
