TAKE SOME TIME TO

APPRECIATE & BELIEVE

By Jackie Michaels
CEO
DiXtreme Entertainment

We sometimes neglect to stop and enjoy life because we are so caught up in the daily grind. The DiXtreme Family will be extremely busy as summertime approaches, which is why I am prioritizing the need for us to remember to take time to rest, unwind, and recharge.

Spend a minute appreciating the little things, which frequently seem insignificant. Believe that you deserve some time to relax & have fun. Do not take life for granted; rather, appreciate and be grateful for all that life has to offer.

WHO WE ARE

Di Xtreme Entertainment was established in 2011 by singer, songwriter, and actress Jackie Michaels, with the goal of delivering live music entertainment for weddings, wedding receptions, corporate parties, charity events, festivals, venues, and other special events.

We are delighted that our company has developed over time and is currently expanding into new markets in the media, music, and film industries.

Our Mission is to provide upscale service and support to achieve one common goal: SUCCESS.
