✓ FOR9T: EVERYTHING YOU NEED

Let us introduce the FOR9T Orbi and Illusion tail lights, which are a perfect match in quality, style, and functionality. The premium quality and eye-catching position lights complement all FOR9T products, including position, work, and driving lights. The different depths, layers, and functions of each light make them truly unique and attention-grabbing. The Orbi tail lights are available in two options: tail/brake/indicator and reverse/fog.

✓ OPTIMIZED ILLUMINATION WITH XPERIENCE AND E-MODE

All LED bars feature two modes for optimal illumination. Xperience mode delivers extreme light output for ultimate freedom of exploration, while E-mode is E-approved and ideal for driving in rain, fog, or snow by reducing glare.

✓ I AM XPERIENCE

A new powder coating protects the housing against weather and rugged use, and the durable construction is built to withstand high vibration levels. It will be a long-lived product, even when exposed to salted roads, and it has a quality you can feel. Everything guarantees flawless visibility in all conditions and an easy-to-install product that will endure any storm.

18 LED

✓ POWERFUL LIGHT

This powerful light provides high visibility with low power consumption, consuming only 12-26 W. It can be installed on a wide range of vehicles thanks to the 10-32 V DC compatibility. With 20 warning light patterns, including steady on, you can find the perfect one for any situation.

✓ DUO COLOR AND SUPER-DARK LENS

The Dark Knight strobe light has two flashlight options: amber and white. While the flashes are incredibly strong, the super-dark lens gives it a smooth and stylish look when not in use.

✓ INCREDIBLY SLIM

As it's available as a side marker and red and white position light, you can get an undeniable style around your vehicle. It measures 120x8x28 mm with 110 mm CC, and a 600 mm cable makes it easy to install anywhere.

✓ GLOW AND DARKNESS

The 6 LEDs produce a powerful glow, guaranteeing high visibility and eye-catching style. Thanks to the incredibly low power consumption, 0,9-3,3 W, you can install as many as you like without draining too much power. The SM6 is E-approved ECE R148 and EMC-certified ECE R10.

✓ DARK KNIGHT

The dark lens of the SM6 blends perfectly with the look of any truck and creates an exclusive style from every angle. The Dark Knight's darkness makes an eye-catching contrast to the brightness of its lights. But the SM6 is more than just stylish. The durable materials ensure high corrosion resistance, and the IP69K rating guarantees its longevity even when installed in exposed positions on the truck.

BIG ENERGY ROOF BAR

✓ HEAVY-DUTY WARNING LIGHT SOLUTION

With options from 800 to 1800 mm long, any driver can enjoy this stylish addition to their vehicle. The 200 mm depth and solid feel make it perfect for trucks and other heavy vehicles. Its 2500 mm cable enables easy access to the junction box, making it easy to install. Thanks to the IP67 IP rating, it has excellent resistance to water and dirt. It's also covered by Strands' market-leading 3-year warranty.

✓ PATTERNS 27

✓ DARK LENS AND PREMIUM DESIGN

If you're a fan of the Big Energy dark look, this is for you. The Big energy roof bar boasts a sparkling TPU satin top and stylish profile. The dark PC lens provides an eye-catching contrast to the amber glow, and a smooth, rounded aluminum housing completes the look and heightens any vehicle's style.

UNITY EDGE

37W
Part No. 5809276
€ 49,00 excl. VAT / € 59,29 incl. VAT

✓ ZERO WASTE LIGHT AND NO-EDGE LENS

The wide and even output is optimized using Zero Waste Light technology, minimizing shadows and eye strain. Unity Edge is updated with a No-Edge lens design, which helps to widen the beam and direct water away from the front of the lens.

✓ 3940 LUMEN

HIGH POWER, LOW CONSUMPTION

With a powerful flood beam, the Unity Edge will illuminate your workspace with a force of 3940 actual lumens and a color temperature of 5700 K. It uses only 37 W, so there is no need to worry about power consumption. The range of 64 meters is an incredible feat for such a small light. It's EMC certified ECE R10, CISPR25 Class 3.

Use the QR code to check out the products.

SMALL AND STURDY

The Unity Edge is small enough to fit in your hand. But don't let the small size fool you. It's IP-rated IP68/IP69K and made from sturdy materials, guaranteeing a long-lived product in any weather.

✓ UPDATED EVERYDAY WORK LIGHT

It will fit any vehicle thanks to the 150 mm cable with DT-2 connector and can easily replace old or worn-out lights.

SUNVISORS FOR LIGHT COMMERCIAL VEHICLES

SUNVISORS

Our sunvisors are produced from high cast acrylic and the brackets are made from black steel which are first zink-coated and then powder painted.

Made with new rigid mounting system to prevent vibration. Easy to fit with no holes to the roof.

Side brackets are mounted with self tapping screws and glue on the A-pillar.
