ATTICUS INSURANCE

Made myself a snowball, as perfect as could be, I thought I'd keep it as a pet, and let it sleep with me. I made it some pyjamas, and a pillow for its head, then last night it ran away, but First – It wet the bed!

We at Atticus Insurance would like to wish all our clients and perspective clients a very Merry Christmas and Happy New Year !

Enjoy, and stay safe ! If you need any insurance or claim advice please do not hesitate to contact our team at Atticus Insurance.

Business Hero Award

I was thrilled to be nominated by the directors of Fix Auto Manchester East at the Bodyshop Excellence Awards, in the category of Business Hero. Then to be told I had been made a finalist was amazing. I had a fabulous evening at the awards night, with James and Ed. Even though I didn't win to see my name up on the big screen was very exciting. For the ABP Club to award me Highly Commended is just mind blowing.

I joined the company in 2007 as a Purchase Ledger Clerk and have tried to do my best for the company, taking on other duties over the years. I am now the Senior Accounts Administrator and part of the Senior Management Team. I'm not sure I always realise the impact I have within the organisation because I'm just doing what I see as my job, so to be nominated by the directors and recognised by the ABP Club really does mean so much to me. As with all jobs some days are more difficult than others and it can be challenging at time but I love doing my job and I feel very lucky for the opportunities and support that the company has given me over the years.

Ed Gore, Customer Service Director for Fix Auto Manchester East, said: "Susan is truly an inspiration to us all. She rises to every challenge we put at her and, quite simply, she makes this business of ours tick."
