

**\$40,350**

**GROCERIES FUNDED FOR MERRYVILLE RESIDENTS**

In the face of a sudden evacuation caused by wildfires, 86 families in Merryville, Louisiana, were left without electricity, making it impossible to clean out refrigerators and cabinets. However, the United Way of Southwest Louisiana's Wildfire Relief Fund stepped up to provide groceries and cleaning supplies to these families, including 71 children, who were struggling during this difficult time. This act of kindness significantly impacted those affected by the evacuation, reminding us that even small gestures can make a big difference in someone's life.

*Thank you for living united!*
