NAT CLEGG

MAN-MOUNTAIN-SPIRIT
UOMO-MONTAGNA-ANIMA

Nat Clegg è nato in Inghilterra e dal 2004 ha fatto di Torino la sua casa, da qui il suo legame con il Monviso. La prima laurea di Nat è stata conseguita grazie agli studi presso la Bath Academy of Art. Qui ha sviluppato la sua passione per la pittura, il disegno, la fotografia, il mito e la magia.

La montagna rappresenta la meta del pellegrinaggio e dell'ascesa, quindi ha molto spesso contenuto psicologico del Sé

Il Progetto 365 è iniziato il 1° gennaio 2023, ogni giorno Nat crea un'immagine del Monviso. Queste vengono esposte e vendute a livello internazionale.

Il Po è il fiume più lungo e conosciuto d'Italia. La nascita del Po avviene all'ombra della nostra montagna, il Monviso, conosciuto anche come "Re di Pietra". Insieme, il grande fiume e il Monviso danno vita al Piemonte e possono essere considerati i simboli spirituali di questa regione. Senza di essi il Piemonte non potrebbe prosperare
