Built for contractors. Trusted across Alberta.

A welcome from John McNicoll,
ICBA's Head of Industry
Engagement for Edmonton:

Many of you already know me from my eight years at the ECA. I now lead ICBA's engagement across Edmonton and Northern Alberta and look forward to reconnecting. We're actively working on advocacy and workforce development, and I'd welcome your ideas and perspective. I'd also be happy to help with free quotes, benefit plan comparisons, and straightforward advice from someone who knows the industry.

CAREER PATHWAYS

ABOUT US

Career Pathways, launched in 2022, seeks to collaborate with schools, teachers, and other groups from elementary school to high school.

Career Pathways offers a range of services to local schools including the tools for schools program, the honor the work kits & book donations, and other student support services. With over 50 schools reached in the Edmonton area so far, our Career Pathways team continues to work on fostering a love of building, innovation and construction within our local schools.

SPEAKER SERIES

Piloting a new program, we are working to get a variety of speakers to be able to present their skilled trades at local schools. Interested in becoming a speaker? Contact the ECA below for more information.

VOLUNTEER

Volunteer for the Career Pathways committee by reaching out to contact@edmca.com

HONOUR THE WORK

Honour the Work provides books & equipment to elementary students to introduce them to different skilled trades.

TOOLS FOR SCHOOLS

Tools for Schools put tools & materials in the hands of junior high students in order to foster a love of building & construction.

SUPPORTING STUDENTS

The ECA partners with a range of organizations to help high school students find a career in the trades.

NEEDING SUPPORT?

Are you interested in having your school participate in our programs? Visit our website to submit your school for our Tools for Schools, Honour the Work program, or speaker series.

OUR CORE PURPOSE & OUR CODE OF ETHICS

CORE PURPOSE

The Edmonton Construction Association exists to Advance the Construction Industry by Serving our Member Firms.

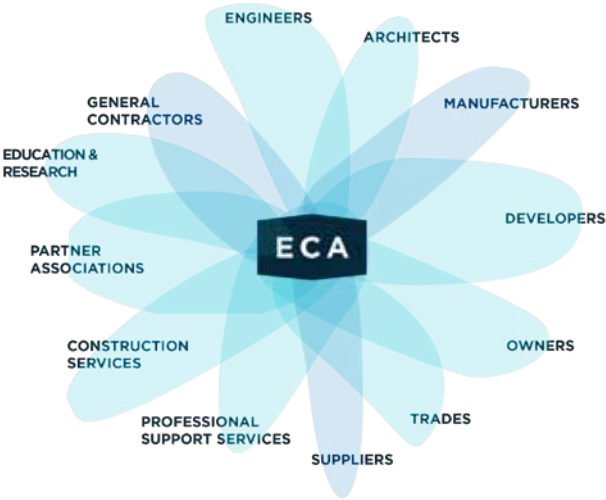

We are the Hub of Construction Excellence, where all industry stakeholders work together to build shared success.

CODE OF ETHICS

In order to maintain the integrity of the Construction Industry, members of the Edmonton Construction Association agree to follow these principles:

- All ECA members will strive to be ethical, professional, honest, and exemplary in all business practices. All members must be above suspicion and beyond reproach, and must be perceived in this manner.
- A contractor shall use tenders only from qualified and responsible sub-contractors, manufacturers and suppliers.
- A bidder shall never make known the tender of any sub-bidder to any other sub-bidder prior to the closing of tenders; and shall never use the tender of a sub-bidder in order to secure a lower proposal from another sub-bidder.
- All bidders and sub-bidders shall be advised within a reasonable time period subsequent to bid closing as to whether or not their bid was successful; and contracts shall be awarded promptly.
- All contracts shall be awarded to the successful bidder at their tendered price.
- All contractors, manufacturers and suppliers shall be paid promptly in accordance with the terms and conditions of the contract.
- All contract revisions shall be recorded and agreed upon prior to the commencement of the work.
- All members will ensure public and employee safety in all their endeavors.

ECA AS THE HUB OF CONSTRUCTION EXCELLENCE

A strategic goal of the ECA is to broaden our ring of inclusivity, bringing more diversity and engagement to the stakeholder table, and welcoming all members of the industry to take part in the future of construction in Edmonton.

The ECA aspires to serve and enable our community to constantly innovate and improve. Our vision is to see the ECA as a Hub of Construction Excellence in the Edmonton Region.

AFFIDAVITS

As part of your ECA membership benefits, a free Commissioner for Oaths service is available to ECA members that require a signature on associated forms.

If you have any further questions regarding ECA's commissioning process, please contact us by email: contact@edmca.com.

START SAVING ON TIRES & SERVICES TODAY

Members can benefit from a value added program that offers competitive savings on both new and retread tires. The new tires include, MICHELIN®, BFGoodrich®, and Uniroyal®. The retread tires include: MICHELIN® Retread Technologies and Oliver®.

The program also includes access to our Emergency Road Service (ERS) offer MICHELIN® ONCall and waived dispatch fees.

3 MAIN BENEFITS

ADVANTAGE SAVINGS

The ECA MICHELIN® Advantage Program pricing is available so you can control your tire costs. Because Michelin knows that you may have more needs other than just medium duty truck tires, our Full Line Program will also help in your cost control of other MICHELIN® product lines, such as Passenger Car and Light Truck, Earthmover, Compact Line or Tweel Tires.

ADVANTAGE CARE

Knowledgeable TIA trained technicians will take care of your service needs at any of our over 5,000 authorized truck dealer locations.

ADVANTAGE ACCESS

As a member of the ECA MICHELIN® Advantage Program, you will receive access to the member website where several online business tools are located to help improve your business performance.

ROOM BOOKINGS

Members can take advantage of using our ECA classrooms, boardroom and event spaces at no charge!

We have a space for you to meet with a client or two. Spaces for a 24-person workshop. Even a space for a 60-person meeting!

Conditions and Availability

- 48 Hours' notice is needed to book a room
- Rooms are available Monday - Thursday, 8:30 am- 3:30 pm, and Friday 8:30 am - 11:30 am (subject to availability)
- Bookings are free to ECA members (contact us for non-member rates)
- Rooms can be used for meetings (planning, sales, safety, etc.) and training.

Set-up, hospitality, and clean-up services are not provided

To reserve a room, please contact our offices at contact@edmca.com

Thank you for your interest in booking A room with the ECA! We look forward to having you.

MOVING THE INDUSTRY FORWARD

Every construction stakeholder benefits from a level playing field, and the Alberta Construction Trade Definitions are moving industry forward by ensuring an up-to-date, complete list of scope inclusions and exclusions for every trade.

Apply the Trade Definitions during Design, Specifying, Bidding, and Tendering – and you can expect a significant decrease in the confusion, errors, RFIs, and common disputes that plague construction projects.

MOVING MORE THAN NEEDLES

Some machines are made to get the job done. Ours are built to do so much more. You'll be left with raised eyebrows when you see how we've raised the bar. The SVL97-3 doesn't just move the needle – it moves everything. This compact track loader is the ultimate piece of machinery for your job site, so you can get anything you need from point A to point B.

HALL

SHORING & FOUNDATIONS

DEEP FOUNDATIONS, EXACTING STANDARDS.

At Hall Shoring & Foundations, precision is engineered into every pile we install. Our team leverages advanced methods, specialized equipment, and decades of deep-foundation experience to ensure accuracy from design through execution. The result: dependable performance below grade, and certainty for everything built above it.
