

# Hot Night

Villy Kleppe

# PREFACE

"Hot Night" is about capturing a feeling and moment where music dominates. This booklet aims to enhance that experience by connecting you to the song's mood and freedom. It's about sound, emotion, and movement without rules or expectations. Whether alone, driving, or enjoying the night, let the music resonate and allow yourself to feel it.

Villy Klette

A romantic couple embracing in bed. The man is smiling and looking at the woman, who has her arms around his neck. The scene is intimate and affectionate.

“Some nights aren’t meant to be explained.

They’re meant to be lived.”
