INTRODUCTION

Metalfrio Solutions is a global company of Brazilian origin, leader in the commercial refrigeration sector. Founded in 1960, Metalfrio has been offering reliable and efficient refrigeration solutions to its customers for more than six decades.

With a complete portfolio of products, it meets the needs of the most diverse types of establishments, bringing the best technology, durability and the lowest energy consumption for you and your business.

With a strong focus on customer satisfaction, Metalfrio has established long-term partnerships with various international partners, being Coca-Cola our most appreciated partner. Our equipment aligns with the values of our clients, positively influencing the consumer experience at the point of sale, offering international certified equipment under UL, ISO, NSF, Energy Star and Coca-Cola own certifications, among others.

Metalfrio's team of experts constantly researches and develops new technologies and functions to meet the changing needs and preferences of the market.

Experience the solutions that Metalfrio, your strategic partner, has to offer, with personalized merchandising tools, from the conception of the idea, the design, through manufacturing to distribution and after-sales.
