GROUP GOLF DAYS 2025

HORSLEY LODGE ESTATE GROUP GOLF DAYS 2025

Horsley Lodge offers you a day to remember from 8 to 120 people on our 18-hole Championship Course, designed by former World Champion and Walker Cup Captain, Peter McEvoy.

The greens are built to USGA standard and were constructed by the same people responsible for Loch Lomond and Valderama. If your group has not played here before its a 'must visit' course for your calendar and great value for money!

We offer a range of packages to suit every budget with delicious menu options, all served in the warm hospitality of our excellent Clubhouse with magnificent views over the course.

I've been playing golf for nearly fifty years all over the world including the Lake Course in San Francisco and the Plantation Course in Hawaii. I have to say that the greens today were amongst the very best I've ever played on...superb.

Thank you to everyone involved with our society event. The course was more beautiful than I remembered - it was in great condition, the greens were flawless, and challenging. .. We all finished happy - and then it got better. The meal was top drawer, many saying that the gammon was exceptional – we will be back!
