BOARD MEMBER HIGHLIGHT

Sara Marion PRESIDENT

About Me:

Let me start with some fun facts about myself! I'm originally from Kansas, and I married my high school sweetheart. After he graduated from college, we moved to Oklahoma, where I completed my degree at Oklahoma State (Go Pokes!). Earned a Bachelor of Science in Liberal Studies, focusing on History and Sociology. Soon after I graduated, my husband and I moved to Alaska with our jobs in oil and gas. After a few years in Alaska, we relocated to Texas in 2017 with my husband's job.

Currently, I work as an event coordinator for a church, managing non-ministry events on campus. My schedule can be pretty unpredictable, with events ranging from birthday parties to conferences to concerts.

Family-wise, it's just me, my husband Tyler, and our daughter Hazel. She's a 4th grader at Willow Creek, so she keeps us busy when we aren't spending time with friends and family. I also serve as the secretary of the Willow Creek PTO.

How long have you been a homeowner in Village Creek?

We moved to Village Creek in October 2020, after previously living in the Bear Creek/Energy Corridor area. Since we were settling into our careers after moving to Texas (Tyler in oil & gas and myself in the HOA industry), we wanted a more long-term home. What drew us to Village Creek was not only the open spaces but also the excellent schools. Hazel, who was just starting Kindergarten at the time, immediately fell in love with the pond and all the parks within walking distance from our house by the lake.

Why did you join the board?

I served on the board of my previous community for two years, both as President and Vice President. When I moved to Village Creek, I was actively managing a portfolio of eight communities across the Greater Houston area. With experience on both sides of community management and still currently holding my CMCA designation (Certified Manager of Community Associations), I felt I could make a real impact and use my skill sets to help steward the community. I responded to a call to fill a vacancy in February of 2021. I was re-elected in 2022 when my seat was up for re-election.

What's the most rewarding aspect about being a board member?

For me, the most fulfilling aspect is helping create a sense of community and feeling proud to know that I'm doing my part to help out and be part of solutions using my skill sets and abilities. It warms my heart to see neighbors enjoying a walk, kids laughing and playing at the playground, and seeing the neighbors out and connecting at events. It's the behind-the-scenes efforts on my part as a board member that allow these moments to flourish, and that is worth navigating through complex moments and conversations that we have when it comes to stewarding this community well.

Hobbies?

Outside of work and family, I'm pretty laid-back. I'm a big football fan, both college and NFL, so fall is my favorite season. It's also when I dive into crafting for the holidays. I enjoy a good book, true crime podcasts, movies, and finding moments to relax and recharge.
