Order Early

Secure your early 2026 delivery

We've entered our busiest time of the year for both our sales and factory teams.

If you need your new furniture to be ready for the start of 2026, please place your orders as soon as possible to ensure everything is delivered before students return from holidays.

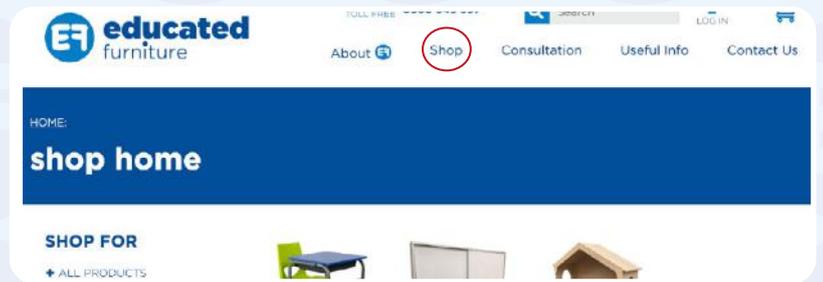

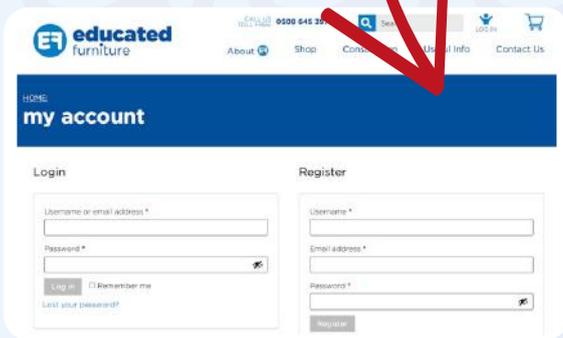

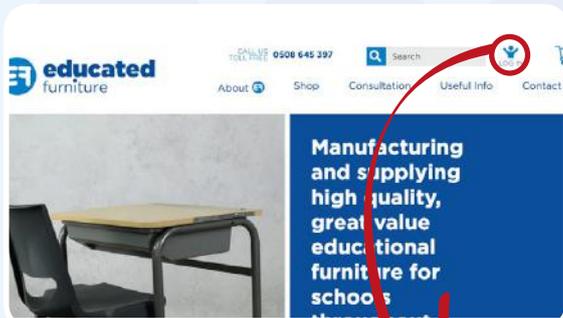

We also recommend contacting your Account Manager early to secure a Term 4 consultation slot.

Access Wholesale Pricing

Get access to up to date pricing on all our products by creating an account through our website.

Click on the Login icon and complete the registration form to create your account.

Once you're logged in you can browse our shop and customise your products to get an accurate price.

All dimensions in millimetres (mm) unless otherwise stated

NEW Catalogues

We've released a new hard copy and e-version of our Product Catalogue—an evolving resource updated as new products are added and discontinued items are removed. Account Managers are progressively delivering copies to existing customers across the country.

You can also request a hard copy by contacting your local Account Manager and arranging a visit. Or download the e-version at educatedfurniture.co.nz/product-catalogue.

Folding Exam Desk

Lightweight and easy to store.

NEW
product

Heavy duty
powdercoated
steel frame

Designed for flexible spaces such as exam rooms, classrooms, and training rooms. Lightweight yet durable, it unfolds in seconds to provide a generous, sturdy work surface.

The smart frame and foot design ensure excellent stability, while the desk folds flat for quick, compact storage.

- 600L x 600D x 725
- 25mm round powdercoated heavy duty frame
- 600 x 600 Melteca top with straight sides so desks can be banked together in groups if needed
- Folds flat - down to just 50mm high
- Top can be made in any of our colours/finishes
- Perfectly paired with our **Summit Chair** (SKU:180a) or our **En One Chair** (SKU:176)

Easy to set up
and pack down

NEW product

Lift Electric Desks

Elevate your work experience.

Featuring smooth, whisper-quiet electric motors, our Lift Electric Desks adjust to your desired height with just the touch of a button, allowing you to effortlessly transition between sitting and standing positions throughout your workday.

Uniquely customisable, you have the flexibility to design the Lift Desk to look exactly how you want it. Choose from three frame colours and a range of sizes, then choose the top shape, top finish and the addition of any cable ports and cable ways.

A truly tailor-made electric desk like no other on the market.

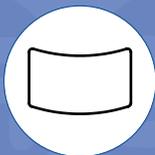

Specifications

- Load capacity of 100kgs
- Dual drive electric motors
- Anti-collision function
- 700-1200mm electric height adjustment
- Memory settings to save 4 different heights
- Choose your size from 1200x600 to 1800x800 and everything in between
- 25mm Melteca top in desired shape and finish
- Frames available in White, Grey and Black
- 5 year warranty
- NB: Basic assembly is required or contact us for on-site assistance

Your desk, your way!

Pick the frame colour, desk size, top shape, and finish that's perfect for you.

Smart Storage. Seamless Collaboration.

Choose from a wide array of base cabinet options to enhance your whiteboard unit, including cupboards, drawers, cube crates, and tote trays—designed to support the diverse storage needs of any classroom or learning environment.

All upper sections feature adjustable shelving discreetly hidden behind the sliding whiteboards, allowing for both functionality and a clean, streamlined look.

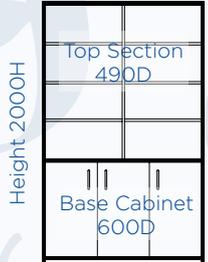

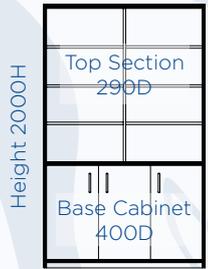

Dimensions and Flexibility

- Standard unit height of 2000mm
- Base cabinet depth of 400mm with top section shelf depth of 290mm
- Mix and match cabinet modules to achieve an overall width between 1600 and 4800mm (Note: Final widths may vary slightly based on your chosen configuration.)

STEM-Ready Option Available

For classrooms with larger storage needs—particularly STEM or science labs—we offer specially designed 600mm-deep cabinets.

- Standard unit height of 2000mm
- Base cabinet depth of 600mm with generous top section shelf depth of 490mm
- Mix and match cabinet modules to achieve an overall width between 1600 and 4800mm
