

COMPLETE NUTRITION

Fulfilling your animal's needs

COMPLETE ⚡ NUTRITION

Fulfilling your animal's needs

Complete Nutrition is the premium brand designed to meet the exact nutritional needs of animals and birds. Our products provide a complete nutritional profile, combining essential vitamins and minerals with high-quality ingredients to support optimal health, growth and productivity.

Complete Nutrition's formulas are scientifically developed to boost immune function, improve digestion and support bone strength, ensuring your animals thrive at every stage of their growth. Whether for dairy cows, poultry or other animals, our range is designed to increase feed efficiency and deliver sustainable results.

With Complete Nutrition, you can be confident that your animals are receiving the best possible care, ensuring their well-being and increasing your productivity.

COMPLETE ⚡ NUTRITION

Acumen - Live Yeast for Ruminants For Digestion and Fattening

► DESCRIPTION:-

Acumen provides a multi-faceted approach to optimal rumen function working to prevent cases of sub-acute ruminal acidosis (SARA).

Quick activation with prolonged protection provides enhanced buffering capabilities in the short, medium and long term while botanical extracts and yeast (*saccharomyces cerevisiae*) protect vital organs and enhance digestion. As a result, animals supplemented with Acumen face lower digestive and metabolic problems and produce more milk and meat.

► BENEFITS:-

Improves feed intake.
Sustains production Reduces fat depression.
Boosts digestibility Stabilizes pH.
Reduces laminitis Improves BCS.

► Packaging:

Comes in 5kg, 10kg, 20kg and upon the request of the customer.

COMPLETE NUTRITION

HIGH ALL VITMIN PREMIX

DESCRIPTION:-

- DETOXYFIFYING A RANGE OF TOXINS PRODUCED BY FUNGUS PRESENT IN THE GRAINS OF THE FEED.
- IMPROVES DIGESTION.
- IMPROVES PRODUCTION AND GROWTH IN THE BODY.
- A FULL RANGE OF VITAMINS TO SUPPORT IMMUNITY.
- IMPROVES VISIBILITY, WOOL, HAIR DENSITY AND SHINE.
- HELPS ELIMINATE VITAMIN AND MINERAL DEFICIENCIES IN ANIMALS.
- IMPROVES THE QUALITY AND QUANTITY OF MILK.
- HELPS STABILIZE PREGNANCY AND FETAL GROWTH.

Composition:

- Vitamins + Live Yeast + Minerals Methionine Lysine Monocalcium Phosphate Sodium Bicarbonate All Essential Vitamins & Minerals, Magnesium Oxide, Yeast Binding Agent Toxins Flavour & Antioxidants

Dosage:

Young animals: 10-20 gm
Growth Period: 20-50 gm
Pregnancy period: 50-80 gm
Breastfeeding period for mother:
100-120 gm

COMPOSITION			
Identifier Number	Active Ingreddiient	Additive Name	Level in block Units

Mycotoxin Binder
For farm animals and poultry

مضاد السموم والفطريات ومقعم

للجهاز الهضمي للحلال

Advantages

- **Yeast-inactivated, Ascorbic Acid** effectively binds and neutralizes heavy metal contaminants in feed, prevents the absorption and excretion of their negative impact on animal health. **Yeast-based feed enhancers** improve feed efficiency, enhance feed intake, feed utilization, and support immunity, such as the liver and kidneys, maintaining the role of these organs and supporting overall health.
- **Immunity-boosting Digestive Bacteria** support optimal digestive efficiency, reducing the risk of infection and enhancing the animal's resistance to disease.
- **Immunity-boosting Bacteria** extend growth cycles in broilers and chickens, reduce the incidence of disease, hasten the recovery of injured animals, and support the immune system by increasing the immunomodulatory effects of the respiratory system, the digestive system, and the liver.
- **Immunity-boosting Feed Efficiency** helps extend a maximum feed conversion rate, reduces the risk of infection, and supports immunity to prevent recurrent infections, improving feed efficiency and reducing feed costs.

فوائد

• **مضاد السموم** يعمل على الارتباط بـ **الفلزات الثقيلة** الموجودة في الأعلاف، ويمنع امتصاصها ويقلل من تأثيراتها السلبية على صحة الحيوان، ويقلل من تأثيرها الضار على الكلى والكبد، ويحافظ على وظائف هذه الأعضاء، ويدعم الصحة العامة.

• **مضاد الفطريات** يعمل على تحسين كفاءة الاستفادة من الأعلاف، ويزيد من تناول العلف، ويحسن من الاستفادة من الأعلاف، ويدعم مناعة الجهاز الهضمي، مثل الكبد والكلى، ويحافظ على وظائف هذه الأعضاء، ويدعم الصحة العامة.

• **مقعم** يعمل على تعزيز نمو الدواجن، ويقلل من الإصابة بالأمراض، ويسرع من التعافي من الأمراض، ويدعم الجهاز المناعي بزيادة التأثيرات المناعية للجهاز التنفسي، والجهاز الهضمي، والكبد.

• **مقعم** يعمل على تحسين كفاءة التحويل الغذائي، ويقلل من الإصابة بالأمراض، ويدعم الجهاز المناعي بزيادة التأثيرات المناعية للجهاز التنفسي، والجهاز الهضمي، والكبد.

COMPLETE NUTRITION

AMINO ACID + SALT + MULTI VITAMIN PREMIX

DESCRIPTION:-

Benefits:

- It is a balanced mixture prepared to meet the needs of halal animals for vitamins and minerals
- Helps prevent problems of estrus and infertility associated with toxins
- Helps strengthen the immune system
- Helps increase the quality and quantity of milk
- Helps increase the quality of sperm and their ability to fertilize
- Helps fatten animals

How to use:

- Mix it in water or feed

Net weight:

- 20 kg

COMPLETE NUTRITION

ORYX MINERALIZED PREMIX

DESCRIPTION:-

Benefits:-

- Helps newborn animals grow quickly and healthily
- Helps in the healthy growth of the fetus in pregnant animals
- Helps the heart, stomach and intestines to work regularly and eliminate toxins from the body
- Enhances the ability of the nervous system and vital muscles
- Helps in shortening the fattening period in fattening animals
- Helps in reducing feed and benefiting more from the daily rations
- Helps in preventing hair loss and nail breakage
- Helps in increasing appetite and giving vitality and fattening

How to use:

- Mix it in water or feed

Net weight:

- 20 kg

COMPLETE ⚡ NUTRITION

TEMPERATURE STRESS PERFECT PREMIX

BENEFITS:

- Maintains intestinal integrity and reduces permeability.
- Prevents dehydration and heat stress from increasing respiratory rate.
- Has a positive effect on electrolyte balance and lowers blood pH.
- Supports the immune system and strengthens reproductive performance.
- Restores lost appetite.
- Used after vaccinations and transportation to boost immunity.

Usage:-

- Mix it in water or feed

Net Weight:

HEPAMINE PREMIUM PREMIX

BENEFITS:

- Protects the liver of ruminant animals (cows, heifers, bulls, calves, sheep, goats, and kids).
- When used regularly, it reduces fatty liver, fertility issues, estrus problems, and embryonic deaths.
- Helps protect and repair the liver.
- Effectively cleanses the liver of excess ammonia-derived toxins.
- Enhances the liver's storage capacity for vitamins A, D3, and E.
- Increases appetite and feed consumption.
- Supports healthy working capacity for high efficiency.
- Helps prevent the risk of fatty liver syndrome.
- Plays an active role in estrus and fertilization in cows.
- Reduces the liver's workload and aids in its restructuring.
- Strengthens the animal's immune system.
- Contributes to increased meat and milk yield.
- Supports fat and energy metabolism as the liver functions as the body's filter.

Usage:-

- Mix it in water or feed

Net Weight:

- Comes in 1kg or upon the request of our customer
