

2024/2025

CCA GIFT CATALOG

1ST EDITION

Dear Creekside Family,

As we enter this season of joy and gratitude, I am thrilled to share with you our very first Christmas Gift Catalog. This catalog is a special initiative that allows each of us to celebrate and support the dedicated work of our staff and faculty at Creekside Christian Academy. Within these pages, you'll find a collection of items carefully chosen by our teachers and administrators that will enhance learning, enrich programs, and support the growth of our students in meaningful ways. We invite you to take a look and consider how you might bless our school by contributing to these gifts that directly benefit our classrooms and school community.

As we reflect on the true meaning of Christmas, we remember the greatest gift of all—the birth of our Savior, Jesus Christ. This beautiful gift of love is the heart of our celebration, and it's why we are able to share joy and blessings with others. In the words of Isaiah 9:6, "For unto us a child is born, unto us a son is given, and the government shall be upon his shoulder: and his name shall be called Wonderful, Counselor, The Mighty God, The Everlasting Father, The Prince of Peace." This verse reminds us of the significance of God's love for us and the promise of hope, peace, and redemption that comes with the gift of Jesus. We pray that His love fills your hearts and homes this season as we come together as a school family to give generously.

Our staff and faculty work tirelessly to create a nurturing, Christ-centered learning environment where each child can grow academically, spiritually, and emotionally. With this catalog, our goal is to offer families a unique way to show appreciation by helping fulfill the wish lists of our teachers and enhancing the resources available in our classrooms. From new teaching tools and creative learning aids to resources that support our spiritual growth, each gift will make a difference in the lives of our students and reflect our commitment to excellence and faith.

Thank you for being part of this beautiful Creekside community and for your continued support and prayers. We are grateful for the opportunity to partner with you in providing the best for our students and staff, and we look forward to seeing the blessings that come from this first-ever Christmas Gift Catalog.

May the joy, peace, and love of Christ fill each of your homes this season and always.

In His Service,

Dr. Rodney Clark
Head of Schools
Creekside Christian Academy

INSTRUCTIONS

Each item has its own QR code that you can scan to contribute. You can choose to donate any amount toward an item or cover the full cost—every bit helps!

HOW TO

Simply scan the QR code or click the , then select the amount you'd like to give and know that your support goes directly to helping our students and school programs.

GIVE A GIFT

This gift catalog is a great way to give an item or towards items in honor of or in memory of someone.

VR HEADSET FOR CLASSROOMS

Virtual Reality (VR) Headsets provide an immersive, hands-on learning experience that transforms education at Creekside. By bringing lessons to life, VR allows CCA students to explore worlds beyond the classroom—whether it's walking through ancient civilizations, diving into the depths of the ocean or conducting virtual science experiments.

With VR, our students engage more deeply, ignite their creativity, and strengthen critical thinking by making abstract concepts tangible. Investing in VR headsets equips Creekside students with the cutting-edge tools necessary to enhance their learning journey and prepare them for future success.

 Give Online

\$499 Per Headset \$7,500- Class set of VR Headsets

DRY ERASE DESKS

These tables offer a versatile, interactive surface that transforms learning at Creekside. These tables allow CCA students to solve problems, brainstorm, and collaborate directly on the table, making it easier to share their work with teachers and classmates.

This hands-on approach boosts student engagement and sparks creativity. These tables make lessons more dynamic, as mistakes are quickly erased and ideas easily revised. Additionally, dry erase tables help conserve paper and reduce the need for extra supplies like individual whiteboards, supporting a more sustainable classroom environment.

\$400/Table
\$1,600 A Classroom Set

CLASSROOM RUGS

Classroom Rugs in preschool, kindergarten, and first grade at Creekside are essential for creating a warm, structured, and comfortable learning environment. They serve as gathering spot for group activities like storytime and help define spaces for reading corners and play areas.

These rugs provide a soft, safe surface for CCA's youngest students to sit, play, and move. They reduce the risk of injury while fostering a sense of community. Their vibrant designs, often featuring educational themes like numbers, letters, or shapes, reinforce key concepts in a fun, interactive way, making the classroom more engaging and enriching. Classroom rugs help create a nurturing atmosphere where children feel at home and excited to learn.

\$300/Classroom
\$3,600 For 12 Classrooms

NOISE CANCELING HEADPHONES

Noise-Canceling Headphones would be an invaluable tool for creating a more supportive learning environment at Creekside, especially for students with ADHD and sensory sensitivities. By reducing background noise, these headphones help our students manage overwhelming sensory input in busy classrooms, allowing them to concentrate better.

For some of the students with ADHD, the headphones minimize external distractions, helping them focus more fully on their tasks. For those with sensory sensitivities, the noise-canceling technology provides a sense of calm, reducing overstimulation and anxiety from loud or unpredictable sounds.

These headphones can greatly enhance students' engagement with lessons, participation in activities, and their ability to complete assignments more effectively.

\$80 for a set of 12
\$960 12 Classrooms

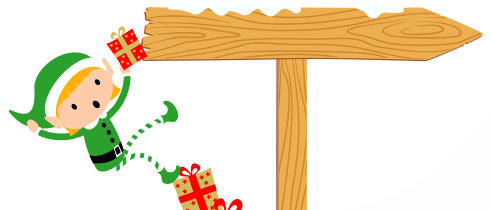

BOUNCY BANDS FOR DESKS

Silent Bouncy Bands are a fantastic tool for fostering a supportive classroom environment at Creekside, especially for students who find it difficult to sit still. Attached easily to desks or chairs, these bands provide a quiet outlet for children to release energy through gentle bouncing, helping them relieve stress and channel restlessness.

These bands are particularly beneficial for CCA students with ADHD or sensory processing challenges, offering a discreet way to move without disrupting others. By using these bands, students can better regulate their energy levels, enhancing their focus, calmness, and overall engagement in the classroom.

\$160 for a set of 10
\$240/Classroom
GOAL: \$4,800

DOCUMENT CAMERAS

Document Cameras, also known as visual presenters or digital overheads, are essential tools for enhancing classroom instruction at Creekside. These devices capture real-time images and project them to the entire class, allowing students to see documents, transparencies, and even 3D objects clearly. By displaying content directly from the teacher's desk, they make lessons more interactive and engaging.

Unlike traditional overhead projectors, document cameras offer the flexibility to present a wide range of materials, from printed pages to physical objects, helping to bring lessons to life. This technology enables CCA teachers to seamlessly share content, fostering a dynamic learning environment where students can better visualize and understand new concepts.

\$90/Camera

GOAL: 10 Cameras \$900

ANGELA SMITH

Learning Solutions Director

MIDDLE SCHOOL

JILL PATE

Middle School Principal

INTERACTIVE TV SCREEN

Interactive TV screens are at the very top of our classroom wish list here at Creekside Christian Academy. These state-of-the-art touchscreens would completely transform our learning environment, offering teachers a dynamic tool to deliver engaging, multimedia-rich lessons that capture students' attention. With vibrant displays and interactive capabilities, these screens would allow students to actively participate in lessons, solve problems together, and collaborate on projects, turning traditional lectures into interactive learning experiences. By integrating videos, digital simulations, and interactive exercises, teachers can provide hands-on, immersive lessons that cater to a variety of learning styles.

Beyond simply enhancing our teaching methods, these interactive screens would help bridge the gap between education and the technology-driven world our students will enter. They would encourage critical thinking, creativity, and collaboration—skills that are crucial for their future success. Additionally, interactive screens can support diverse learners by allowing teachers to personalize content, adjust lessons in real-time, and provide instant feedback, making learning more accessible for all students.

We truly believe that bringing these interactive TV screens into our classrooms would be a game-changer for both our students and teachers, significantly enriching the educational experience at Creekside. With your support, we can provide our students with the tools they need to thrive academically, equipping them with the skills and confidence to succeed in a technology-rich world. Your generosity in helping us acquire this technology would have a profound, long-lasting impact on the future of our school community!

\$3,000/Year Lease

♥ Give Online 

COMPLETE LIBRARY FULL OF BOOKS

Providing complete collections of age-appropriate books, along with sturdy bookshelves to organize them, greatly enriches the student environment. Access to a diverse array of books encourages a love for reading, sparks imagination, and supports literacy development at every grade level.

By offering a wide range of genres and subjects, students can explore interests, discover new passions, and enhance their comprehension skills. Well-organized & accessible bookshelves would not only make these resources readily available but also create inviting reading spaces that inspire students to pick up a book and dive into new worlds. This investment would be a meaningful step in fostering a lifelong love of reading and learning in our students.

GOAL: \$2,500

Teachers Pay Teachers

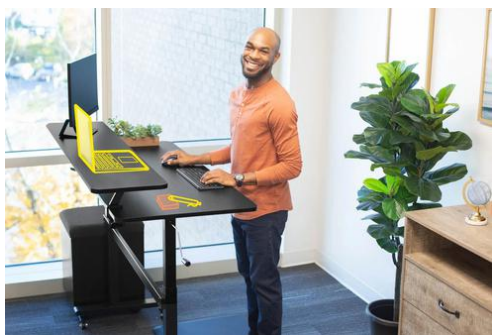

SUBSCRIPTION

A Teachers Pay Teachers (TPT) subscription would be an invaluable resource for our educators, providing them access to a vast library of high-quality, teacher-created materials and lesson plans. This subscription would allow teachers to save time on lesson preparation while also discovering fresh, creative ways to engage their students in meaningful learning.

With access to resources tailored to various subjects, grade levels, and learning styles, our teachers can easily find materials that align with Creekside's curriculum and enhance classroom instruction. By investing in TPT, we are empowering our educators to focus on what they do best—teaching, inspiring, and nurturing the academic and spiritual growth of our students.

GOAL: \$1,500

STANDING DESKS FOR TEACHERS

Providing each teacher with a standing desk is be a game-changer for enhancing their comfort, productivity, and well-being. Standing desks offer the flexibility to alternate between sitting and standing throughout the day, which can help reduce fatigue and alleviate back pain associated with prolonged sitting. This added mobility not only supports teacher physical health but also energizes their teaching. Additionally, standing desks can improve focus and stamina, enabling teachers to stay refreshed and effective throughout their busy schedules. By investing in standing desks, we are fostering a healthier and more dynamic work environment for our dedicated educators.

\$300/ Desk
\$3,000 / 10 Teacher Desks

CLASSROOM FURNITURE

We are excited to enhance our classrooms with new furniture designed specifically for group learning! These updated tables, chairs, and collaborative workstations help create a more interactive and flexible learning environment for our students. By providing spaces where students can easily work together, share ideas, and collaborate on projects, we can better support hands-on learning and critical thinking.

Your support in funding this new furniture will allow us to transform our classrooms into dynamic spaces that foster teamwork and creativity. With comfortable and adaptable setups, CCA students will have the tools they need to thrive, both academically and socially. Together, we can create classrooms that inspire a love for learning and prepare our students for the future!

GOAL: \$3,000

GIFT CARDS FOR TEACHER REWARDS

Gift cards give us an excellent way to recognize and reward our teachers for their hard work and dedication!

These tokens of appreciation boost morale and show our gratitude for their commitment to fostering a positive, impactful learning environment. Investing in these rewards is a simple yet powerful way to express thanks to the educators who consistently go above and beyond for our students.

Goal: \$1,000

LABEL MAKER

A label maker is a practical addition to Creekside's wish list, offering a simple yet effective way to organize classrooms, offices, and storage areas. With clear, easy-to-read labels, teachers and staff can quickly organize supplies, equipment, and student materials, creating a more efficient and orderly environment.

This tool would help streamline everything from labeling student cubbies and binders to organizing art supplies and tech equipment, making it easier to keep spaces neat and accessible. Supporting this wish list item would be a small yet impactful way to enhance organization of the school.

\$50/ Label Maker

\$200/ 4 Label Makers

DESKTOPS FOR COMPUTER LAB

We're seeking new desktops for our computer lab to provide students with faster, more reliable tech for their projects and digital learning.

GOAL: \$2,500

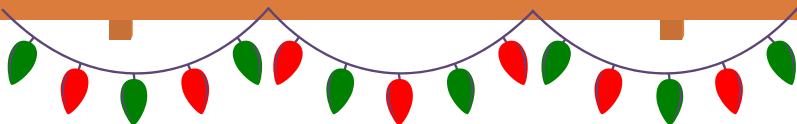

EIGHT FOLDING TABLES

We are looking to purchase ten 8-foot-long skinny rectangular tables to enhance teacher classrooms and conference spaces. These versatile tables are perfect for creating a U-shaped setup, allowing for better collaboration and engagement during meetings, workshops, and classroom activities. The slim design maximizes space while still providing ample room for group discussions, planning sessions, and team collaboration.

By upgrading our current furniture, we can provide teachers and staff with the flexibility needed to adapt their rooms for various events and instructional needs. Your support in acquiring these tables will help us create more dynamic and efficient meeting spaces at Creekside.

\$150/ Table
GOAL: \$1,000

BOOK SHELVES

We are looking to add sturdy bookshelves, between 4 to 6 feet tall, to our classrooms and library to better organize and display educational resources for our students. These durable shelves will not only provide much-needed storage but also create inviting spaces where students can easily access books and learning materials. By enhancing our classroom organization, we foster a love for reading and make educational resources more accessible.

\$350/classroom
GOAL: \$1,400

COMPLETE SET OF STAGE FLAGS

We are seeking to purchase a complete set of stage-worthy flags, including the American flag, Christian flag, and flags representing each branch of the military: Army, Navy, Air Force, Marines, Coast Guard, and Space Force. These flags will feature elegant gold braids and appropriate medallions on top of each staff, ensuring they are worthy of our school events and ceremonies. Currently, we have to borrow these flags from local churches for every event, and having our own set will allow us to honor our country, faith, and service members throughout the year. Your support in helping us acquire these flags will enhance our events and foster a deeper sense of pride and reverence within our Creekside community.

\$325/flag
GOAL: \$3,500

MAC BOOK FOR ADMIN USE

We are looking to acquire a fully-equipped MacBook for CCA's administrative team to share for special projects and key initiatives. This powerful, versatile device will provide the advanced features needed for creating presentations, managing data, and streamlining communications.

GOAL: \$2,500

FLOORING FOR “BLUE HALL” CLASSROOMS

We are seeking to update the flooring in the Blue Hall classrooms to create a cleaner, safer, and more comfortable learning environment for our students and teachers. New flooring will not only enhance the appearance of the classrooms but also provide better durability and ease of maintenance, allowing our spaces to stay inviting and functional for years to come.

\$750/classroom
GOAL: \$3,000

SECURITY

DONNIE WARR

Head of Security

VISITOR MANAGEMENT SYSTEM

Currently, we rely on a manual pen-and-paper system to record visitors entering our building, which offers no way to verify their identities. To enhance security, we would like to implement a Visitor Management Program that allows for identity verification by scanning a government-issued document, such as a driver's license. This system would quickly cross-check the visitor's information against the National Registry of Sex Offenders, ensuring an added layer of safety for our campus.

Once a visitor is approved, the system would automatically generate an identification badge for them to wear while on our property, making it easy for staff and students to recognize authorized visitors. Additionally, this system would also streamline the management of our volunteers, particularly those who regularly assist on our campuses, providing a more efficient and secure way to track and manage access.

\$5,500 / System

18" CONVEX SECURITY MIRRORS

These mirrors eliminate blind spots. Prevent collisions at corners, intersections and aisles. They also allows emergency personnel the ability to see around corners to identify potential dangerous situations. They can also be used in stairwells.

\$100/ Mirror

ACADEMICS & MISC

AMY STECK

Academic Dean

IXL LICENSES FOR CURRICULUM

At Creekside Christian Academy, our mission is to provide a Christ-centered education that nurtures the unique potential of every student. As we continually strive to enrich our academic offerings, we believe that incorporating IXL Learning into our curriculum would be an invaluable asset. IXL's personalized approach to learning aligns perfectly with our vision, allowing students to progress at their own pace while fostering a genuine love for learning. The platform's ability to tailor lessons to each student's strengths and weaknesses ensures that no child is left behind, helping them build confidence and a growth mindset along the way.

Beyond its impact on student learning, IXL offers powerful analytics that enable our teachers to make data-driven decisions. With real-time insights into student progress, teachers can identify areas where additional support is needed, allowing them to adapt their instruction and better serve each student. By equipping our teachers with these tools, we can enhance the quality of education and empower them to focus on what truly matters—mentoring, guiding, and inspiring our students in their academic and spiritual journeys.

Our dream is for Creekside to be a place where students and staff feel like a close-knit family, united in our shared mission. Incorporating IXL could not only support our academic goals but also foster collaboration among teachers across different grades and campuses. By investing in resources that promote both student success and staff unity, we are investing in the heart of Creekside.

GOAL: \$25,000

 Give Online  

INFORMATION STATIONS

At Creekside Christian Academy, we believe in the power of community and the strength that comes from meaningful connections. Throughout our campus, you'll find information stations featuring placards that highlight our various associations and groups, including our Alumni Association, Parent-Teacher-Fellowship (PTF), and Grandparents' Council. These displays showcase how each group plays a vital role in supporting our mission and fostering a Christ-Centered community.

GOAL: \$800 for 3 Stations

DSLR CAMERAS FOR YEARBOOK & EVENTS

A picture is worth a thousand words, and our yearbook team is dedicated to capturing every unforgettable moment at Creekside. To take school photos to the next level, help us upgrade our cameras!

\$1,000/ Camera
GOAL: \$3,000

BARCODE SCANNER

Creekside is looking to streamline lunch checkouts and event sign-ins with a new, efficient scanner system. This upgrade will speed up the process, reduce wait times, and ensure smoother tracking for school events and activities. Your support can help enhance the student experience and keep things running seamlessly!

\$100/ scanner
\$200/ 2 scanners

HEADSETS WITH MICs

The CCA computer lab and chess club are in need of new headsets with mics to enhance learning, collaboration, and strategic gameplay.

\$20/headset
GOAL: \$400

COMPUTER MICE

Our computer lab is in need of new, reliable mice to improve precision and ease for students during projects and assignments. Upgrading this essential equipment will help enhance the learning experience and ensure smoother, more efficient work sessions!

\$15/mouse
GOAL: \$300

TECHNOLOGY FOR STUDENTS

Our goal is to equip 100 students with brand-new Chromebooks, providing them with essential tools for learning in today's digital age. With technology playing an increasingly vital role in education, these will give students access to interactive lessons, research opportunities, and collaborative projects, both in the classroom and at home. This upgrade will enhance their learning experience, allowing them to develop critical digital skills that are crucial for future success.

By supporting this initiative, you're helping us bridge the technology gap and ensure that every student has the resources they need to thrive academically. With these Chromebooks, we can offer a more personalized and engaging learning environment, empowering students to explore, create, and achieve their full potential. Your contribution will directly impact the future of our students, opening doors to limitless learning opportunities.

\$100/student
GOAL: \$10,000

MAIL BOX SORTER

Our teachers and staff are in need of new mailbox sorters to help keep communications and materials organized throughout the school day.

Upgrading to more efficient and spacious sorters will streamline the flow of important information, making it easier for our team to stay organized and focused on what matters the most at Creekside - educating and supporting our students.

\$200/Sorter
GOAL: \$600

I sought the Lord
And He heard and He answered

SPIRITUAL LIFE

BOB ROSSITER

Campus Pastor

FUNDING FOR MISSION TRIPS

At Creekside Christian Academy, we believe in the transformative power of mission trips, not only for the communities we serve but also for the spiritual growth of our students. In Summer 2024, our baseball and girls volleyball teams, as well as their chaperones are preparing to embark on a mission trip to the Yucatán Peninsula. These trips provide an incredible opportunity for our students to live out their faith, serve others, and gain a deeper understanding of what it means to be the hands and feet of Christ in a global context.

To make these impactful experiences accessible to as many students as possible, we are actively seeking funding to reduce the costs associated with these mission trips. Covering expenses such as travel, lodging, and supplies can be a significant financial burden for students and their families, which may prevent some from participating. By raising funds, we hope to ease this burden and open the door for more students to join in this life-changing journey, ensuring that finances are never a barrier to serving where God calls.

Your support can make a tremendous difference in the lives of our students and the communities they serve. Contributions will help lower the costs for students and chaperones, enabling them to fully focus on the mission at hand, assisting local ministries, or sharing the love of Christ with those in need.

Your contributions can empower our students to step out in faith, broaden their worldviews, and create a lasting impact that extends beyond the walls of our school.

Fundraising Goal: \$40,000

STAGE MICROPHONE

A quality stage microphone is an essential addition to Creekside's wish list, greatly enhancing our Chapel services, fine arts performances, and school events. Having reliable, high-quality microphones would ensure that visiting pastors, performers, and student-led presentations are heard clearly.

This upgrade would be especially valuable during plays, musical performances, and assemblies, where clear sound is crucial to delivering the message and engaging the crowd. Your support in funding this wish list item would help us elevate the quality of CCA productions and events and allow our students to shine on stage.

\$500/System

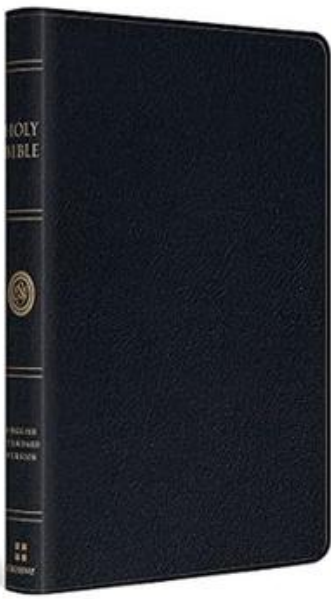

CHAPEL GAMES

At Creekside, incorporating games into our Chapel services has become an exciting way to engage students, build camaraderie, and encourage active participation. Games like CodeBreaker add a fun and interactive element to our gatherings, where students work together, strategize, and build connections in a positive environment.

These activities not only break the ice but also create memorable experiences that reinforce the value of teamwork and healthy competition. With built-in music, sound effects, and animations, these games capture students' attention and make Chapel a time they eagerly look forward to each week.

\$50/ Game
GOAL: \$600

DEVOTIONAL JOURNALS FOR ALL STUDENTS

BIBLES (ESV)

At Creekside, we are dedicated to providing our students with a strong spiritual foundation, and having access to God's Word is a key part of that mission. Acquiring new ESV Bibles for our classrooms and chapel services ensure every student can engage in meaningful Bible study and deepen their understanding of Scripture.

The ESV translation is known for its accuracy and readability, making it a valuable resource for students as they grow in their faith. Your support in helping us obtain these Bibles would be a tremendous blessing to our school community. With new copies in hand, our teachers and pastors can better guide students through lessons that inspire and encourage them to live Christ-centered lives. These Bibles will not only serve as tools for academic study but also as lifelong companions that nurture their spiritual journey.

\$20/Bible
GOAL: \$2,000

At Creekside Christian Academy, we are committed to nurturing not just the minds, but also the hearts and spirits of our students. This year, we're aiming to provide devotional journals to all 650 students, helping them grow deeper in their faith and personal reflection. These journals will serve as a daily tool for students to connect with God, explore scripture, and build a habit of prayer and gratitude. By equipping them with a space to reflect, we can encourage them to develop a strong, Christ-centered foundation that will guide them through all stages of life.

Your support in helping us provide these devotional journals will make a meaningful impact on the spiritual journey of our students. These journals will not only foster a deeper understanding of God's Word but also help students cultivate gratitude, self-awareness, and inner peace.

\$12/Journal
GOAL: \$6,000

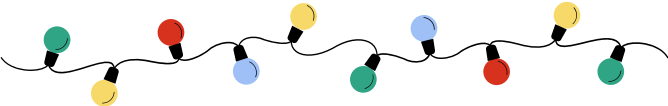

COUGAR CARE FUNDING

At Creekside Christian Academy, we are deeply committed to fostering a strong sense of community where every student, parent, and staff member feels like part of a supportive family. Our Cougar Cares Fund was created to uphold this spirit of unity by providing financial assistance to those within our Creekside family who are facing unexpected challenges. Whether it's due to a medical emergency, loss of a job, or other unforeseen hardships, this fund ensures that members of our community can receive the help they need to get through tough times.

By contributing to the Cougar Cares Fund, you're making a direct impact on the lives of families right here at Creekside. Your generosity allows us to continue offering support in moments when it's needed most, helping families stay rooted in the Creekside community they love. Together, we can uplift one another, ensuring that no one walks through difficult seasons alone.

GOAL: \$20,000

STEAM & ROBOTICS

STACY WRIGHT

STEAM Director

LEGO SPIKE PRIME

Lego Spike Prime is an innovative, hands-on learning tool that would bring STEAM education to life for our students at Creekside Christian Academy.

Designed to ignite curiosity and creativity, Spike Prime combines colorful LEGO building elements with easy-to-use hardware and intuitive coding software. This powerful platform helps students develop critical thinking, problem-solving, and collaboration skills.

Whether students are designing a robot to navigate an obstacle course or programming sensors to solve a challenge, Spike Prime provides a fun and engaging way for students to dive into the world of technology and innovation.

\$400/1 kit

GOAL: \$1,600 for 4 kits

BAMBU MULTI-COLOR 3D PRINTER

The Bambu Multi-color 3D Printer is a cutting-edge tool that allows Creekside Christian Academy students to explore the world of design and engineering. This advanced printer can create detailed, multi-color models, bringing students' ideas to life with precision and creativity. It empowers students to learn about 3D modeling, rapid prototyping, and problem-solving, all while enhancing their understanding of technology and innovation in a hands-on way.

\$1,100 / printer

GLOWFORGE PLUS LASER PRINTER

This advanced laser cutter and engraver would allow students to design and produce custom projects using a variety of materials like wood, leather, and acrylic. With its precision and user-friendly interface, the Glowforge PLUS would enhance hands-on learning and help students develop skills in design, engineering, and craftsmanship. It would serve as an invaluable resource, empowering students to transform their ideas into tangible, innovative creations.

\$1,300 / machine

LOGITECH G PRO FLIGHT SWITCH PANEL

The Logitech G Pro Flight Switch Panel brings the thrill of aviation to Creekside Christian Academy's students, allowing them to explore the world of flight simulation. This hands-on tool replicates real aircraft controls, letting students engage in realistic flight experiences while learning about aviation principles. It enhances their understanding of aerodynamics, navigation, and the mechanics of flight, making it an exciting addition to our STEAM program.

\$1,100 / panel

GYMNASIUM FLOOR

Creekside's new gymnasium floor is a state-of-the-art upgrade designed to support a variety of school activities. The premium hardwood surface provides the perfect foundation for our basketball teams, enhancing traction and cushioning to reduce the risk of injuries and improve gameplay. The newly refinished floor is not only built for performance but also designed for durability, allowing us to host everything from intense athletic practices to competitive games. With clear markings and a polished finish, it elevates the overall experience for players, coaches, and fans alike.

Beyond athletics, this versatile gym floor serves as a multi-purpose space for Creekside's chapel services, fine arts productions, school assemblies, and special events. Its durable construction ensures it can withstand the foot traffic and equipment setup required for concerts, plays, and worship gatherings. Whether hosting a theatrical performance, a community event, or a student-led worship service, the new gym floor offers a safe and welcoming environment for all, reflecting Creekside's commitment to excellence in both sports and the arts.

\$35,000 Total Budget Request

BATTING CAGE NET

The new batting cage net at Creekside is a game-changer for our Baseball and Softball programs. Built with high-quality, durable materials, it's designed to withstand heavy use, providing a safe and reliable practice space for our athletes. This upgraded net allows players to perfect their swings, improve their hitting accuracy, and sharpen their skills year-round, ensuring our teams stay at the top of their game.

\$2,500/ Net

PITCHING MACHINE

The new automatic pitching machine at Creekside is an essential tool for our Baseball and Softball teams, offering consistent, accurate pitches to help athletes sharpen their batting skills. With adjustable speeds and pitch types, it allows players to practice against a variety of throws, improving their reaction times and swing techniques. This machine ensures our teams can train effectively, rain or shine, enhancing their performance on the field.

\$3,500/ Machine

VOLLEYBALL SETTING TRAINER

This helps athletes perfect their setting technique, accuracy, and control! By incorporating this trainer into practice sessions, our volleyball players can develop the precision needed to excel in game situations. Supporting the purchase of this equipment ensures that CCA teams have access to the best training tools, helping them refine their skills, build confidence, and reach their full potential on the court.

\$200/ Net
\$800/ 4 Nets

HOME CHEER MATS

Our cheerleaders are hoping for new EZ Flex floor mats! These high-quality mats offer incredible durability, with a flexible rolling feature that makes setup and storage a breeze. Imagine transforming our space into a full competition-ready floor in just minutes! Your support can help our athletes practice safely and perform at their best.

\$250/Mat
GOAL: \$750

RACE TIMING CLOCK

The CCA cross-country team is seeking a new race timing clock to track their progress and set new personal bests.

GOAL: \$250

FISHING POLES

The Creekside Bass Fishing Team would like to reel in some new fishing poles! Upgraded gear will help our anglers cast with greater precision and boost their performance in upcoming tournaments.

GOAL: \$600

SOCCER GOALS

Our soccer teams are in need of new, durable goals to enhance their training and game-day performance—help us score this goal for our athletes!

GOALS: \$4,200

SCORERS TABLE

Creekside is looking to elevate our home games with a new, branded scorer's table to showcase our Cougar pride! This versatile addition would be used for all sporting events, providing a professional setup for scorekeeping, announcing, and game management. A new table featuring our school colors and logo would not only enhance the game-day experience for our athletes and fans but also strengthen our sense of community spirit. Your support can help us create an atmosphere where every game feels like a championship!

GOAL: \$17,000

FOOTBALL UNIFORMS

With Creekside's football team growing, we're in need of new uniforms to accommodate our expanding roster and ensure our players have the proper gear for safety and performance. As we welcome new athletes, we also need updated pads and helmets in various sizes to protect our team on the field.

GOAL: \$7,500

FINE ARTS

NATHAN PRISK

Fine Arts Director

PIPE & DRAPE

The "pipe and drape" setup for a fine arts program is an elegant, versatile backdrop system designed to enhance the ambiance of any performance or event. Using high-quality fabric panels suspended from a sturdy frame, it provides a seamless, polished appearance that transforms any space into a refined stage.

The drapery can be customized in height and color to complement the event's theme, helping to create a professional setting for recitals, concerts, & theatrical performances.

MUSIC TEACHER CART

The music teacher cart is a portable, organized solution designed to bring the joy of music to any classroom or performance space. Equipped with multiple compartments, shelves, and storage bins, it provides a convenient way for music educators to transport instruments, sheet music, and teaching materials effortlessly.

With its sturdy wheels and easy maneuverability, the cart ensures that all essential music resources are readily available, allowing teachers to create dynamic and engaging lessons on the go. Perfect for schools with rotating classrooms or limited music rooms, this cart helps bring music education to life wherever it's needed.

STONEWARE MOLDING CLAY

Molding clay is a versatile, hands-on medium that sparks creativity and allows students to transform their ideas into tangible art. Soft, pliable, and easy to shape, it's perfect for artists of all ages to explore sculpting, building, and designing. Whether used for fine detail work or larger projects, molding clay provides a tactile experience that enhances motor skills and encourages imaginative expression.

Ideal for art classes, workshops, or independent projects, it offers endless possibilities—from crafting figurines and pottery to experimenting with texture and form.

\$200/Year Art Class

DEWALT JIG SAW

The DeWalt jigsaw is an essential tool for the CCA set design class, allowing students to craft precise cuts and intricate shapes in wood. These saws are perfect for building detailed, custom set pieces for school musicals and theater productions.

\$150/ Jigsaw

FOLDING CHAIRS

Sturdy metal art room chairs provide reliable support and durability, making them ideal for students engaged in creative projects, ensuring comfort and stability during extended periods of artistic work.

\$90/4 Pack

\$540/Art Room

ACRYLIC PAINTS

Acrylic Paints provide our art students with the opportunity to explore vibrant colors, textures, and techniques, allowing them to bring their creative visions to life. With a range of high-quality paints, students can experiment freely, developing their skills while learning about color theory, blending, and different artistic styles. By expanding our collection of acrylic paints, we can inspire budding artists to tackle new projects, fostering creativity and confidence in their abilities. This investment not only enhances our art program but also supports a nurturing environment where students can express their talents and discover their passion for art.

\$150/year

MUSIC STANDS

Music Stands are vital for our growing music program, providing students with the proper setup to read sheet music and perform with ease. By adding more stands, we can better equip our band and chorus students, enhancing their rehearsal experience and preparing them for concerts.

\$30/ Stand
GOAL: \$600

BAND CHAIRS & STACKER

Provide our music students with comfortable, supportive seating designed for long rehearsals and performances. Investing in these will ensure our band members can focus on perfecting their craft while keeping our music space organized and efficient.

\$90/4 Pack
\$540/Art Room

BAND & FINE ARTS BOX TRUCK

Our growing band and fine arts programs are in need of a dedicated box truck to transport instruments and equipment to performances and competitions. Having a reliable vehicle would ensure that our students' instruments are moved safely, efficiently, and ready for every event. With your support, we can make sure our talented students have everything they need to shine on stage!

PORTABLE DANCE FLOOR

A Portable Dance Floor would be a fantastic addition to Creekside events, from school dances to weddings and corporate gatherings. This elegant, easy-to-install floor uses interlocking tiles with beveled edges that snap together seamlessly—no adhesives required—making setup and teardown quick and efficient.

The versatile, modular design can be adjusted to fit any event space, whether large or small. Its waterproof, vinyl-coated sparkle tiles are not only stylish but also low-maintenance and easy to clean, perfect for both indoor and outdoor occasions. With this dance floor, student life activities like dances and prom will help create unforgettable memories!

SUPPLIES FOR ENGAGEMENT & LEARNING

These supplies are essential in creating a dynamic and enriching environment at Creekside. Art supplies like crayons, markers, colored pencils, glue sticks, and construction paper fuel students' creativity, allowing them to express themselves through projects that bring lessons to life. With access to paint sets and clay, students can dive into hands-on activities that develop fine motor skills and encourage artistic exploration. These materials are vital for fostering a love of learning and enabling students to connect with their lessons in a more tangible way.

In addition to art supplies, age-appropriate books, engaging board games, and puzzles play a key role in building critical thinking and problem-solving skills. Storybooks and activity books captivate young minds, while simple strategy games and group activities encourage teamwork and communication. STEM and craft kits, like science experiments, beading, and DIY projects, offer opportunities for students to explore, experiment, and innovate. By providing these resources, we can enhance classroom experiences, support diverse learning styles, and inspire a lifelong love of learning among CCA students.

RECREATIONAL ITEMS

Supporting recreational activities at Creekside Christian Academy is essential for fostering physical health, teamwork, and social interaction among our students. Outdoor play equipment like soccer balls, basketballs, kickballs, jump ropes, hula hoops, and frisbees encourages active play, helping students build coordination, stay fit, and have fun. These items provide endless opportunities for kids to engage in group games, develop friendships, and burn off energy in a positive way.

For rainy days or indoor play, foam balls, bean bags, and soft play items keep students moving safely while staying engaged in physical activities. Additionally, sports gear such as cones, small goals, and other equipment supports organized sports, allowing our students to practice skills, learn teamwork, and enjoy structured play. By providing these resources, we can enhance both outdoor and indoor recreation, ensuring that CCA students have a well-rounded and active school experience.

GOAL: \$3,000   

CLASSROOM MANAGEMENT TOOLS

Timers, whistles, stopwatches, and storage cabinets are essential tools for maintaining structure and organization at Creekside. Timers, whistles, & stopwatches help teachers manage transitions smoothly between activities, keeping students on track and engaged. Storage cabinets play a vital role in keeping classrooms tidy and efficient by organizing art supplies, games, snacks, and sports equipment.

GOAL: \$1,500

BLUETOOTH SPEAKER

A Bluetooth speaker enhances aftercare activities by providing clear audio for music, announcements, and group games.

GOAL \$250

SCISSOR LIFT

A Scissor lift is a versatile, durable, and easy-to-use piece of equipment that would greatly benefit Creekside's campus. The narrow design allows for easy maneuverability through tight spaces, such as single doorways, making it perfect for accessing hard-to-reach areas. Equipped with pothole guards for added safety, it ensures both the equipment and operator are protected from potential tipping hazards, providing peace of mind during use.

Having a scissor lift on campus would be invaluable for tasks like hanging signs, decorating for events, or performing maintenance and repairs in high places. This reliable piece of equipment would not only enhance efficiency but also ensure safety, allowing our staff to tackle projects that require elevated access with ease.

GOAL: \$9,500

FLOOR BURNISHER

A Commercial floor burnisher is essential for keeping Creekside's campus clean, polished, and welcoming. This powerful machine efficiently restores the shine of high-traffic areas, ensuring that our floors remain bright and well-maintained. Investing in a floor burnisher helps us uphold a clean, professional environment for students, staff, and visitors while reducing the time and effort needed for upkeep.
