## Quattro MADURO

 Altadis U.S.A.  
Maker of Fine Cigars

**WRAPPER**  
San Andres

**BINDER**  
Dominican

**FILLER**  
Dominican

**6X52 20CT**  
**RAFAEL NADAL**  
**#2703**

*This cigar is offered up in luxurious boxes of 20 that'll keep you coming back for more. Each cigar is perfectly box pressed, with the slight oily sheen of the Mexican San Andres wrapper highlighted on every edge. Underneath, Dominican Habano binder and long-fillers add some complexity to this maduro cigar. You'll find notes of chocolate, earth, black pepper, and oak on every draw in all, a worthy successor to this famous brand.*

“ Tabak Especial is a really special cigar that I have worked on for over 5 years. Perfecting all of the nuances that we learned in the making of Kahlua Cigars Delicioso. We present our new Coffee Infused cigar in two styles, Dulce & Negra, using the very finest Nicaraguan tobaccos & Nicaragua estate grown coffee. Tabak Especial is truly a work of art that will appeal to even the most die-hard traditionalist – smooth and easy to enjoy! ”

# INTRODUCING: CHILLIN' MOOSE BULL MOOSE MADURO

Chillin' Moose's big brother, Bull Moose got your attention in 2022. The Bull is back... bolder and darker than ever. Chillin' Moose continues to give you more. First we gave you the all Gordo Bull Moose and now we bring the ALL GORDO, ALL MADURO Bull Moose Maduro. Maduro madness is available in the sizes you already love: Robusto Gordo (5 x 60), Gigante (6 x 60), Gigante XL (6 x 70), and Gigante XXL (7 x 60)!

Just like the original Bull Moose, Bull Moose Maduro are all Nicaraguan puros made in Estelí from a blend of Nicaraguan Habano tobaccos.

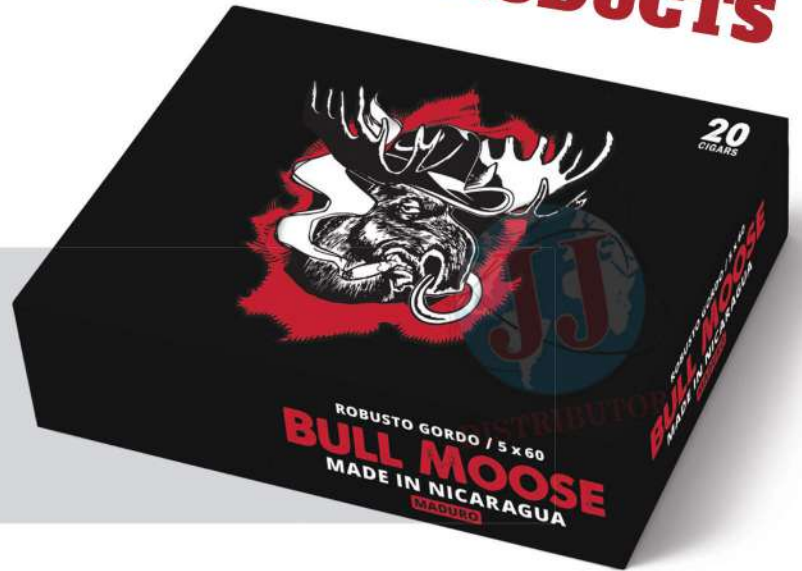

Bull Moose Maduro is just what you need for your fat maduro fix.

All Gordo, All Maduro, All Nicaraguan, All the Time.

Nothing smaller than a 60 ring gauge!

As the Alec Bradley brand continues to grow globally, we felt it was the right time to revisit the post-embargo concept from a fresh, new perspective. The medium bodied, smooth, and complex Post Embargo Blend Code B15 celebrates how Alec Bradley has taken our rightful place on the global stage. "New World" cigars are where it's at!

**KEY SELLING POINTS**

- Alec Bradley's Halo Brand
- Only 2500 Boxes Available
- Handmade by a single pair at the critically acclaimed Raices Cubanas factory in Danli, Honduras
- Contract Pricing

Although each iteration of Alec Bradley Fine & Rare contains 10 tobaccos and can only be entrusted to a single pair of master artisans, not each Fine & Rare is alike. After choosing top grade tobaccos from the finest crops, multiple vitolas with different notes, profiles and bodies are tested before one becomes Fine & Rare. A medium-full bodied, 7 X 50 Box Pressed Churchill - BCN-143 is 2023's Fine & Rare.

NEW YORK

# TIMELESS

★★★CIGARS★★★

" Timeless Prestige is a Handmade Treat for any cigar enthusiast. A medium bodied gem hailing from the Dominican Republic, The Prestige blend is one of the newest additions in a storied brand dating back to 1930.

Medium-bodied, but full of flavor, Timeless Prestige is perfect for everyday enjoyment, and the cream of the Nat Sherman crop. Featuring a naturally dark Honduran wrapper over an expertly Blended bunch of Dominican and Nicaraguan long-fillers it pumps out earthy notes joined by a subtle sweetness and a slight creamy Texture that makes this cigar, Pardon the Pun, Timeless. "

TASTING NOTES

The Camacho Factory Unleashed 3 is bolted down by a meticulously sourced, Mexican San Andres wrapper. The dark maduro leaf adds a natural sweetness and a kick of earth to this bold smoke. Constructed to highlight the complex blend of tobaccos within, the shaggy foot extends past the wrapper for a unique flavor experience. A well-aged Honduran binder and an epic blend of Dominican and Honduran fillers, amplify the notes of intense cedar, dried nuts, cacao and cream.

# CIGAR OASIS MAGNA 3.0 ELECTRONIC HUMIDIFIER

**#11075**

Designed for large cabinet and tower humidors (10-60 Cubic ft.)

The Cigar Oasis Magna is recognized by both cigar retailers and cigar enthusiasts alike as the most reliable humidifier for cigar cabinets.

The Magna 3.0 utilizes two powerful fans that rapidly circulate humidity throughout the entire cabinet upon the active sensors command.

Being a completely sealed system, the fans will run until the setpoint has been reached and never over humidify. The large backlit display reads both humidity and temperature and also serves as the sensor which can be placed anywhere in the cabinet for the most accurate read and control.

**DIMENSIONS: LENGTH: 13" WIDTH: 6.5" HEIGHT: 6"**
