MESSAGE FROM MANAGEMENT

Dear Valued Customers,

Welcome to our Product Catalogue! As we enter another exciting year, I want to express my heartfelt gratitude for your continued support and trust in our products.

At ÖLIND and TUCASA DUBAI, we are driven by a passion for innovation and a commitment to excellence. This year, we have worked tirelessly to expand our product offerings and enhance the quality you have come to expect from us. Our team has focused on creating solutions that not only meet your needs but also contribute positively to our planet.

In this catalogue, you'll find a diverse range of products designed with you in mind—whether you're seeking the latest technology, stylish home essentials, or sustainable options. Each item reflects our dedication to quality and sustainability.

Thank you for being part of our journey. Together, we can make a difference and build a brighter future.

Warm regards,
The Management.

COMPANY INTRODUCTION

Ölind was founded on 2018 as a Swedish family business. The name was inspired by a tree from an island called Öland in Southeast Coast of Sweden. The tree is known to have a long life-span which relates to the products having designed and developed for faultless function throughout their life span.

The company envision a home where every homeowner experiences the ultimate comfort, hygiene and elegance in their everyday spaces. Our commitment is to lead the sanitary ware industry with innovation, sustainability, and uncompromising quality. Through our dedication to excellence and customer-centric approach, we strive to redefine the boundaries of luxury and functionality, setting new benchmarks for a brighter, healthier future.

"Your Bathroom, Your Style,
Our Solutions."

Providing innovative, high-quality products that transform ordinary
spaces into sanctuaries of relaxation and rejuvenation.
