Draping Options

Example of Premium Draping

Example of Perimeter Draping

Premium draping involves a signature design to cover the entire accent wall behind the staged/elevated area of the gym.

Perimeter draping is a simple way to cover the perimeter of a room or wall(s) in one solid color without a draping design.

Your Draping Estimates:
 The St. Vincent Gym is 306 Linear Ft.
 Of the 306 Linear feet:
 64 LF would be the wall of the elevated stage.
 The remaining walls, 242 LF will be perimeter draped walls (See exhibit on Page 4)

Estimated Wall to be covered:

Option A:	Premium Draping	Perimeter Draping	Total
Estimated Wall to drape	64 LF	242 LF	306
Draping up to 14 ft high	\$ 27.00	\$ 20.00
