

CASA VISTA HERMOSA

MLS #22-4469 | \$1,249,000 USD

2659 SQ/FT | 4 BEDS | 4.5 BATHS

Casa Vista Hermosa includes an expansive master bedroom with a large walk-through closet, multiple counter and storage areas and an integrated ensuite with double vanities, walk in shower and soaker tub with picture window overlooking the back gardens. This is truly an owner's oasis that offers direct access to the outside hot tub and terraces while also providing an extraordinary view of the Sea of Cortez.

The large living area overlooks the kitchen and eating area while offering access to the master suite. With direct access to the terrace and pool area and with a large picture window looking into the garden area behind the home, this provides wonderful natural light and a lovely cross breeze. A small guest bath can also be found on this level.

The hub of the home is a large kitchen/eating area with an abundant island and a stunning chandelier hanging over the table. The kitchen is designed with a chef in mind. The flow is natural and easy. A large pantry can be found just off this area and includes floor to ceiling storage and access to the back gardens. With a little TLC this could be a magnificent focal space.

The secondary master offers its own oasis space with a large ensuite including a walk-in shower. The highlight of this room is its direct access to a private terrace with remarkable views of the Sea of Cortez and local golf course. The built-in closet and makeup counter make this room truly special.

Casa Vista Hermosa has a large lower-level casita with its own entrance from the street. This could be a perfect guest suite, rental suite or even a great home office. The space is bright, fresh and full of light. A full bathroom and room to install a small kitchen makes this space truly flexible. The potential is endless.

Without a doubt the highlight of this home is its expansive terrace with swimming pool, hot tub, outdoor kitchen area and mature vegetation. Spend hours sitting under the shade of the pergola or jump into the refreshing pool and soak up the gorgeous views. This is truly the Cabo lifestyle home that you can imagine yourself living in.
