Chancellor's Award of Distinction

The Chancellor's Award of Distinction acknowledges the University of California, Irvine's most outstanding graduating seniors. Awarded by the UC Irvine Alumni Association, these students represent exceptional academic achievement, and a commitment to cutting-edge research, leadership and service to UC Irvine. Selected by a committee of alumni, recipients can be identified by the blue and gold shoulder cord worn with their commencement regalia.

Message from the Chancellor

Dear Class of 2025:

Congratulations on reaching this very special milestone in your life. Today, as we celebrate the University of California, Irvine's 64th commencement, enjoy the pride, nostalgia, and excitement of the moment. As you participate in these time-honored graduation rites, I encourage you to remember that you did not achieve this success alone or in a vacuum. Please take the time to thank the family, friends, and mentors who have supported and shepherded you through this journey.

All of us are extremely proud of your accomplishments and the contributions you have made to UCI and our community. I am even more excited, though, by what lies ahead for you, as you enter the world enabled, empowered, and inspired to succeed in whatever endeavors you choose to pursue.

Today, as you join the proud alumni of UCI, you become part of a family of graduates who are leaders, innovators, and teachers who make a difference in our global community.

Please come back and visit us, update us with news on your careers, and stay in touch through the Alumni Association. Wherever the future leads you, you will always be remembered at UCI.

Fiat Lux,

Howard Gillman
Chancellor

Message from the Vice Chancellor, Student Affairs

Dear Class of 2025 Graduates:

Congratulations!!! As you and your loved ones prepare to celebrate your achievements this month, I hope you are able to take a moment to reflect on how far you have come.

You are now a graduate of one of the premier institutions of learning, and join an alumni network of more than 227,000 anteaters around the world. You should be proud of all that you have accomplished during your time at UC Irvine. My sincere hope is that you have taken the past years to learn more about yourself, your community, and your academic major. All of us in the Division of Student Affairs are confident that you will use everything you have learned during your time at UC Irvine to transform not only yourself, but also the world.

As you close this chapter in your life, take some time to thank your family and friends for their support. Your graduation from UC Irvine is a reflection of their love and support for you through this time. Make sure to take time and savor this moment. I hope that you will remember your college days fondly, and that one day you will tell the story of UC Irvine and how your life was changed by being here. You are an Anteater for life and we could not be more proud to have you as one of our proud alumni!

Congratulations and Zot, Zot, Zot!

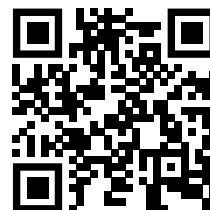

Willie L. Banks Jr., Ph.D.

Vice Chancellor, Student Affairs

Claire Trevor School of the Arts

Dear Graduating Artists,

Congratulations Class of 2025! We are thrilled by your accomplishments and proud of your journey at the Claire Trevor School of the Arts and UC Irvine. You graduate from the only named school of the arts within the University of California system, meaning you completed your college education within a community of artists at a globally renowned top tier research university. As dreamers and doers, you now boldly launch into your future as visionary creatives and esteemed alumni.

This is a pivotal cultural moment that needs artists more than ever. Your generation will not only innovate new careers but also further enrich the meaning of work. Your depth of experience, knowledge, and training, along with your clarity of vision and voice, position you as powerful catalysts for bettering the world. As artists, you understand the power of inspiration to impact and move people. The future needs your creativity, and it is yours to shape.

As you step into this next chapter, be confident that your unique ability to express, collaborate, and inspire are invaluable across diverse fields. Today's complex challenges require teams who possess the custom toolbox you carry, including open expression and civil discourse. Your artistry has the power to reshape perspectives and open pathways. More than half of the careers in your future will be ones you expand and invent! We are excited to see how you build on your experiences and contribute your artistic talents to a broad range of fields, both within the creative economy and beyond.

During your time here, you have built an incredible network of friends, mentors, and colleagues to be continued supporters and champions. Please don't be shy in sharing with us your new accomplishments and calling on us as a resource. We love to spotlight the many ways our graduates put their arts education into practice. We also love to connect our alumni with our new students who are inspired by the paths you have forged and value all you offer as an alumni mentor.

Today, we celebrate your achievements, your bravery and your boldness. Thank you for your contributions and enhancing the excellence of our school. We eagerly anticipate staying connected and following your continued journey.

A very heartfelt congratulations and best wishes as you embark on this next chapter!

Tiffany Ana López, Ph.D.

Claire Trevor Dean of the Arts
Professor of Drama

About Claire Trevor

While millions knew Claire Trevor (1910-2000) as one of America's most distinguished actors, those closer to her knew her as a person deeply devoted to her family, as well as a passionate advocate for the arts and arts education. The Claire Trevor School of the Arts at the University of California, Irvine is proud to be entrusted with Claire Trevor's legacy and honors her spirit by embracing the values she believed in and practiced throughout her life.

Charlie Dunlop School of Biological Sciences

Dear Class of 2025,

Congratulations on your graduation from UC Irvine and the Charlie Dunlop School of Biological Sciences. You completed one of the most rigorous undergraduate programs on campus, a testament to your hard work, perseverance and determination. These qualities will serve you well in your future endeavors.

Today, your accomplishments at the Dunlop School are being lauded as we celebrate your Commencement. From tomorrow onward, as one of our thousands of alumni, remember what you have learned here about science and technology, and apply it well in your pursuit of shaping a healthier, more prosperous world. You will find that UC Irvine has helped to prepare you for your future, whatever opportunities and challenges it holds.

As you embark on the next phase of your life, I encourage you to reflect proudly on your time here and the personal lessons of perseverance. BioSci is embedded in your DNA, so I urge you to stay connected with us as your life's journey continues. That way, we can continue to support you, celebrate your successes and provide you with opportunities to inspire the generations of students who will follow in your footsteps through our halls.

Best wishes,

Frank M. LaFerla, Ph.D.

Dr. Lionel and Fay Ng Dean and
Distinguished Professor
UCI School of Biological Sciences

The Paul Merage School of Business

Dear Class of 2025,

Congratulations on reaching this incredible milestone in your academic journey! On behalf of the faculty and staff at the UCI Paul Merage School of Business, I extend our deepest admiration for your dedication, adaptability, and resilience in a time of extraordinary transformation.

As graduates of the Merage School, you are entering the world prepared not just to participate in business—but to shape it. You've demonstrated a commitment to excellence and a keen understanding of how technology, innovation, and strategic thinking drive impact in today's dynamic global landscape. We are proud of all you've accomplished and inspired by the promise of your future.

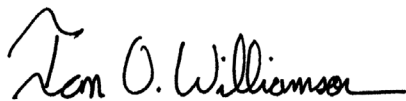

At Merage, we continue to redefine what a business education means in the digital age. From the integration of immersive virtual reality and artificial intelligence to deep engagement with local entrepreneurs and global business leaders, your educational experience has been designed to mirror—and anticipate—the forces shaping the future of work. You've been challenged to think boldly, lead ethically, and collaborate across boundaries, and you've risen to that challenge with strength and creativity.

Your contributions have elevated our community and reinforced the Merage School's reputation as a hub of innovation and leadership. As you step forward into your next chapter, remember: you are not just graduates—you are now part of a lifelong network of Merage alumni who are transforming industries, communities, and lives.

We look forward to staying connected and watching the continued evolution of your impact as you lead with purpose and drive meaningful change.

Congratulations again—and welcome to the future.

Zot! Zot! Zot!

Ian O. Williamson, Ph.D.

Dean, The Paul Merage School of Business

School of Education

To the School of Education Class of 2025,

Congratulations on this incredible milestone, Class of 2025! Reaching this milestone is a tremendous accomplishment, and I want to acknowledge the dedication, hard work, and perseverance that brought you here.

Whether you have earned a Doctor of Philosophy in Education, a Master of Arts in Teaching, a Bachelor of Arts in Education Sciences, or you are completing the CalTeach program, you leave here with the skills, insight, and passion needed to make a meaningful difference. You are ready to inspire change, empower learners, and build a more inclusive and educated society.

Your time at UC Irvine has prepared you to navigate a world that is constantly changing. The experiences, challenges, and connections you made, both in and out of the classroom, will be invaluable as you contribute to groundbreaking research, policy development, curriculum innovation, and advocacy in education.

As you move into this next chapter, I hope you carry forward the curiosity and commitment that brought you to this point. Education doesn't stop at graduation, it evolves with you. Keep learning, keep questioning, and keep showing up for others.

The School of Education community is proud of all you have accomplished and grateful for your commitment to improving education for all. We hope you'll stay connected, visit often, and continue to be an engaged part of our Anteater family.

Congratulations to you, and to the families and loved ones who have supported you on this journey. Wishing you continued success, purpose, and fulfillment in the years ahead.

Julie Washington, Ph.D.

Professor & Interim Dean, School of Education

Samueli School of Engineering

Dear Samueli School of Engineering Class of 2025,

Congratulations on this important and impressive milestone! You have made it through to earn your degree from UCI's Samueli School of Engineering. We are very proud of you and have every confidence in your continued success because being an Anteater Engineer is to have the superpower to deal with complex situations, go after hard problems, and not shy away from the big questions we are facing together as a global society.

The completion of your engineering degree is a testament to your resilience, creativity and hard work. I have no doubt that your experience at UCI will provide you with the knowledge, skills and leadership that you will need to impact and benefit us all in countless ways.

As you move forward in your careers, I encourage you to do the following: maintain our values and dedication to excellence and lifelong learning, commit to truth and fairness, and remember to embrace individual differences. As the newest graduating class of the Samueli School, I hope you stay connected with us through our Engineering Alumni Society, as well as through the UCI Alumni Association.

Congratulations on your well-deserved achievement. Be courageous, be strong, be awesome. And use your new superpower for good in the world!

Zot, Zot, Zot!

Magnus Egerstedt, Ph.D.

Stacey Nicholas Dean of Engineering
Samueli School of Engineering
University of California, Irvine

Susan and Henry Samueli College of Health Sciences

Congratulations, Class of 2025!

You are our ninth graduating class from the Susan & Henry Samueli College of Health Sciences! It has been such a pleasure to watch your personal growth, your mastery of new knowledge, the expansion of your skills, and your resilience. We could not be more proud of you nor more confident that you are the people who will go forth, overcome challenges, and improve the world around you.

The Susan & Henry Samueli College of Health Sciences has grown with you. In 2024, we launched the Joe C. Wen School of Population & Public Health, elevating it from program status. This year marks the first graduating class of PharmD students for the School of Pharmacy & Pharmaceutical Sciences. The School of Medicine celebrated the 20th anniversary of its PRIME-LC program, a first-of-its-kind initiative that has launched 180 physicians to provide care in underserved communities. The Sue & Bill Gross School of Nursing unveiled Nurse-OC, a pipeline program for those who want to care for the most vulnerable.

Our research centers and institutes of health are performing incredible work, advancing the boundaries of scientific knowledge that are leading to breakthroughs in diagnosis, treatments and cures. And in just weeks, the Falling Leaves Medical Innovation Building will open, one of the largest research hubs on the West Coast and home to 12 vital interdisciplinary programs.

The UCI Health delivery system has grown dramatically over the last year to provide access to three times as many people throughout Orange County. As the only academic health system in the region, we offer over four million people advanced care for complex diseases while also serving as the safety net provider so all people receive top-tier care and support for wellness.

Collaboration is a hallmark of UC Irvine. Our One Health model unites health disciplines. Our discover-teach-heal mission strives to give you real-life experience and the tools to provide the best possible care for patients. I hope you will carry that spirit of partnership forward and that you recall with satisfaction what you and your classmates have achieved together.

This is a challenging time. Your community, and the country, need you more than ever. Continue to be curious, never stop learning, and hold fast to your ideals. Know that we are dedicated to helping you achieve your goals after graduation. We measure our own success by your accomplishments and satisfaction in service. You will forever be a member of the Anteater family, and we hope you return often and tell us about your experiences. Perhaps you will even choose to continue your own mission to discover, teach and heal here at UC Irvine.

All the very best to you in this new and exciting phase of your life journey.

Steven A. N. Goldstein, MA, MD, PhD, FAAP

Vice Chancellor, Health Affairs

Sue & Bill Gross School of Nursing

Since the Renaissance, people have participated in ceremonies in which academic degrees are conferred. This year is no different, except that it is your year, your ceremony, and your degree.

Commencement is when you begin a new life – as a bachelor, master, or doctor – with your fellow graduates. It is when, as a graduate of the UCI Sue & Bill Gross School of Nursing, you join the community of nurses in a new way to do new things with your vocation. A vocation is when you find joy in doing good things for others.

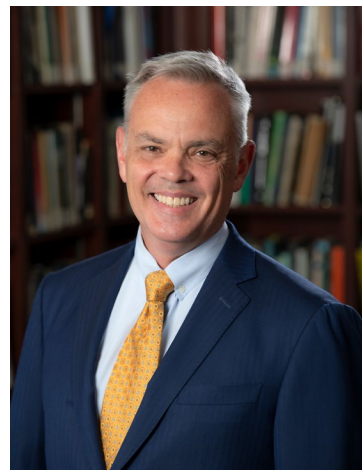

I trust that today you are experiencing this joy, as I am when I think of your achievement. Share it with your friends and family. They, after all, helped you to get here. And take it with you as you care for people in hospitals or homes, as you discover new knowledge or translate it into practice, as you change policy or educate the next generation of nurse leaders. Whatever you find yourself doing as a UCI nurse, you will do it as a member of the world's largest and most trusted profession. That, itself, is a joyous thought.

Take great pride in your accomplishment being celebrated today. This is your ceremony, and it marks not just your having earned the degree being conferred upon you but also your being part of the great big, wonderful community of nurses. Congratulations.

Mark Lazenby, R.N., Ph.D., FAAN

Founding Dean, Sue & Bill Gross School of Nursing

School of Pharmacy and Pharmaceutical Sciences

Congratulations to the UC Irvine BS in Pharmaceutical Sciences Class of 2025!

Today, we are celebrating all your successes that got you here and everything you will accomplish from this point on. You should be immensely proud of your hard work!

Through the study of pharmaceutical sciences, you have joined a community of scientific minds who are spearheading crucial improvements in our society's health and wellbeing. I have no doubt you will all go on to drive changes in health care, academia, research, and government, helping to advance therapeutics and medicine, apply innovation, and add healthy years to human lives.

The BS in Pharmaceutical Sciences program in the UCI School of Pharmacy & Pharmaceutical Sciences has prepared you for careers in the health sciences and pharmaceutical industries, as well as the pursuit of graduate degrees such as PhD, MD, or PharmD. Whether you are pursuing further education or entering the workforce, we are certain you will succeed!

As graduates of this program, you are now part of an expansive network of alumni whose work is propelling us toward a brighter, healthier future. Welcome to the Anteaters in Pharmacy alumni family – please keep in touch!

Our faculty, staff, alumni, friends, and community are so proud of everything you have accomplished during your time in this program, and we are looking forward to seeing what you will do next. Congratulations Anteaters!

Jan Hirsch, Ph.D.

Founding Dean, School of Pharmacy and Pharmaceutical Sciences

Joe C. Wen School of Population & Public Health

Congratulations to the Class of 2025. On behalf of the entire faculty and staff at the Joe C. Wen School of Population & Public Health, I extend my heartfelt congratulations to each of you on this momentous occasion of your commencement and completion of your well-deserved degree. Today marks a significant milestone in your academic journey, and I am immensely proud of your achievements.

You began this degree while we were a Program in Public Health, and we are so thrilled that you are now graduating from a full-fledged school of public health. This commencement ceremony may be the first for you and your family, but it is a testament to your hard work and dedication to the public health profession and to bettering the world around you.

The future we all face will undoubtedly be challenging, but you have chosen a noble profession. A profession where you are fighting for the health of communities that have unique backgrounds and, with that, unique health needs. You will be tested and tried, but the knowledge and skills you are now equipped with have prepared you to be a courageous, effective public health practitioner.

Public health has been and always will be about resiliency and standing up for what you believe in. Whether you plan to continue your education or pursue a career in research, policy, advocacy, or practice, your contributions will make a profound impact on the health and well-being of communities worldwide. I know you will lead with compassion, drive, and the desire to make a difference in the lives of those around you, which all lie at the heart of what we do in public health. Your work will help usher in a future that is more sustainable, equitable, and just.

As a new college graduate starting your career, I encourage you to embrace the challenges. They won't be the first or the last. Many of my seasoned colleagues here at public health are facing barriers to fulfilling their professional missions. For every challenge and barrier to overcome, there will assuredly be achievements. When you secure that new job or hit that milestone in a project, know that you deserve it and have worked hard to reach this point.

Down the line, you may collaborate with and find synergies among other professions such as educators, lawyers, and clinicians. What you bring to the table is invaluable: a solid foundation of knowledge that evidence-based public health science is the best option to inform public health policies and interventions. Your public health skills are needed now more than ever amongst the ever-challenging anti-science movement, such as vaccine hesitancy and the shunning of global health. Be confident in the knowledge gained during your time at UC Irvine and remember that the field of public health is made stronger by having you in it.

Commencement is not just an end but also a beginning — a beginning filled with endless possibilities and boundless opportunities. As you embark on this new journey, may you continue to learn, grow, and lead with courage and conviction. We will always take pride in your achievements, both now and in the future. We hope you will continue to engage with UC Irvine Wen Public Health and share your achievements as you move forward in your careers and personal lives. I encourage you to stay involved and support our activities, scholarships, and programs as our newest members of the Anteater alumni community — a connection that will last a lifetime.

Once again, congratulations on your remarkable achievement. Wherever your path may lead you, know that you carry the legacy of the UC Irvine Joe C. Wen School of Population & Public Health with you, and we are confident that you will do us proud.

Congratulations, graduates of the Class of 2025!

Bernadette Boden-Albala, MPH, DrPH

Founding Dean, Joe C. Wen School of Population & Public Health

School of Humanities

On this happy occasion of your commencement, you are each concluding your study at UC Irvine and embarking on a new life as the proud holder of a University of California degree in a humanities field.

Let me be the first to congratulate you. You are a select group who worked tirelessly to be admitted to UCI, and to excel in your majors. You put in hard nights of reading and writing papers and studying for exams and meeting your requirements one by one. Your goal was not just to get a good grade on one assignment, or completing a course, or even meeting all the requirements of your major. It was always something that lies beyond the boundaries of the campus and its program: opening up the opportunities in your life that your UCI degree makes possible, and that at this moment of commencement you can't even yet fully foresee. These include the possibility to go on to more advanced study in graduate or professional school; to make your mark in government, media, or business; or to lead and serve in your community, at home or perhaps elsewhere in the world.

The humanities focus on the histories and cultures of the world, the images and stories we use to represent the human experience, and the theories and concepts that we use to make sense of our world. Human meaning-making is an ongoing and ever-evolving process, and the skills you have gained in understanding and contributing to it never go out of date or lose their relevance. Our world is changing at an extraordinary pace. We need humanities-trained leaders and thinkers like you to help us to make sense of it all, make conscious and ethical choices, and imagine new ways of living and working in a radically changed environment.

You will bring the skills you have learned here—to listen and read closely, to think critically and analytically, to interpret texts and images, and to write with clarity and power—to all the work you have ahead of you. We have prepared you not just for a job, but for a career of your own making, which may have many new turns and changes along the way.

But through the lenses of the humanities, we have also prepared you to appreciate better the beauty, complexity, and richness of the world, to experience it with depth and knowledge. That is not just an enhancement to your career or your earning power; it is the basis of a richer, more authentic, and more meaningful life.

I wish you every success in your future, and the deepest appreciation for what you have given us by your presence in the School of Humanities during your studies.

Congratulations and enjoy your *commencement*!

A handwritten signature in black ink, which appears to read "Tyrus Miller".

Tyrus Miller, Ph.D.

Dean, School of Humanities

Donald Bren School of Information and Computer Sciences

The world runs on technology: from artificial intelligence to big data, from digital media and learning to digital health, from cybersecurity to human-machine interaction. These technologies represent only a few of the cutting-edge areas that faculty, students and alumni from the Donald Bren School of Information and Computer Sciences (ICS) have been advancing, making the world a better, safer, accessible, and more inclusive place through the exploration of emerging information technologies, innovative and broad computing curricula, and interdisciplinary collaborations that address key societal needs.

As students of ICS, one of the first computing-focused schools in the nation and the only one on the West Coast, you have helped it grow into one of the largest, most enriching, and most diverse computing programs in the country. You have shown incredible creativity and entrepreneurial spirit during your time at UC Irvine, and you are now prepared to lead the way in creating a bright future for society.

As alumni of ICS, you will have many good reasons and excellent opportunities to remain connected with our School. Whether you are continuing your education or joining the workforce, remember that you are now part of a growing ICS alumni network with over 15,000 members who want to see you succeed. Please stay in touch so that we can celebrate your successes and help you connect with other accomplished ICS alums.

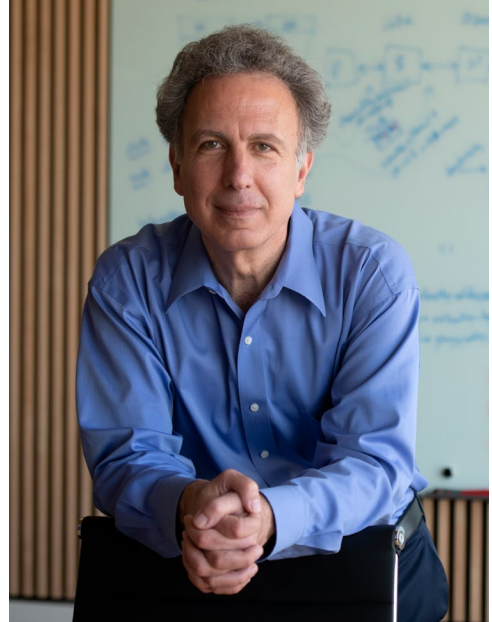

Congratulations to the Class of 2025! The ICS faculty and staff take great pride in your accomplishments and look forward to watching you continue to make a positive difference in the world.

Zot! Zot! Zot!

Marios Papaefthymiou, Ph.D.

Ted and Janice Smith Family Foundation Dean
Donald Bren School of Information and Computer Sciences

School of Law

Dear Graduates and their Guests,

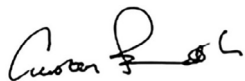

On behalf of our faculty, staff, alumni, and the entire UC Irvine Law community, congratulations. You are an exceptional class that has enriched the University of California, Irvine in so many ways.

Over the past three years, you have left your mark. You have worked incredibly hard, and you have proven yourselves leaders in the classroom and in the community. You have served others, making a difference with vast amounts of pro bono work and community service. You have done much within the school too: you strengthened student organizations, invited speakers and planned events, represented the school in intramural and national competitions, worked in centers, clinics, institutes, and programs, and helped recruit new classes to our school. Your creativity and passion have shaped this institution, and you have continued to build UC Irvine Law as a welcoming, vibrant, collegial, and exceptional school. Your class is one of the reasons the law school is a special place.

Soon, you will begin your legal careers. You will take all you have studied and learned, and you will carry those lessons with you in the years ahead. You will become leaders and among the nation's top advocates in your chosen fields and practice areas. The profession you have chosen has never been more important and the work you will do is never more consequential. So, as you cross the stage to receive your degrees, know that the faculty, staff, and alumni are cheering you on, and wishing you every success in the future that lies ahead. We are so very proud of you, and we are eager to see all that you will accomplish. And, as you go on to do great things, our hope is you won't forget your days and the people here. I know we won't forget you.

To the guests of our graduates, special thanks for your patience, understanding, sacrifices, and support. Law school is challenging, and we know behind our students are family, friends, and loved ones. Thank you too for all you have done.

Congratulations again to the Class of 2025. Take good care and please stay in touch,

Austen Parrish

Dean and Chancellor's Professor of Law
University of California, Irvine School of Law

School of Medicine

Dear Class of 2025,

On behalf of the faculty and staff at the UC Irvine School of Medicine, congratulations on reaching this remarkable milestone in your educational journey. Graduation is not just the end of your time at the School of Medicine; it is the beginning of a lifelong commitment to learning, growth and making a profound impact on the world.

We are incredibly proud of each of you and excited to see the extraordinary contributions you will make as you join a network of thousands of proud Anteaters. Your journey has been unique, yet you are all united by a shared passion for enhancing the health and well-being of individuals and communities around us. This passion has been nurtured by the unwavering support of your family, friends, peers and mentors who have stood by you every step of the way. They, along with everyone at the School of Medicine, are celebrating your achievements and cheering you on as you embark on this new, exciting chapter.

Your education and training at UC Irvine have been designed to ignite your curiosity and drive for innovation in healthcare and research. You are now poised to make significant contributions to the field of medicine, driven by your quest for knowledge and discovery. The importance of medicine and the sciences cannot be overstated; they have been and will always be the pillars upon which we build healthier, more resilient communities and a better future for all. Our future is literally in your hands.

The Class of 2025 has demonstrated incredible resilience and dedication, navigating the unprecedented challenges that arose following a global pandemic that put science and research under a microscope. This experience has underscored the vital importance of the medical field and highlighted your role as everyday heroes. You have shown the world the true spirit of community service and innovation, which lies at the heart of the School of Medicine. We eagerly anticipate the significant ways each of you will leave your mark on the world, forging paths filled with impact and inspiration.

To our graduating MD class, you are preparing to embark on post-graduate training in 20 different medical specialties. More than 70% of you will enter training programs in California, but more importantly, many of you will work in underserved areas that so desperately need highly qualified medical professionals. It is an honor to welcome you as colleagues in the medical profession.

To our graduating Master of Science, PhD and MD/PhD students, your contributions to medicine and biomedical research are shaping the future for people around the world. Your education will serve you well, and we look forward to your continued contributions in academia, industry, medicine and health.

To all our students, the School of Medicine is dedicated to excellence in research, education, patient care and community service that advances individual and population health in Orange County and beyond. Each year, we honor the achievements of over 150 MD, PhD, MD/PhD and MS program graduates, and we celebrate as over 250 residents and fellows complete rigorous programs. As you enter your chosen profession, you become the public face of this school. Through your work, people will see the positive impact of our tripartite mission: **Discover. Teach. Heal.**

We extend our best wishes for your every success as you continue your pursuit of knowledge in becoming innovative leaders in your fields. Once again, congratulations to the UC Irvine School of Medicine Class of 2025!

Zot! Zot! Zot!

A handwritten signature in black ink, appearing to read 'M. Stamos', written in a cursive, flowing style.

Michael J. Stamos, MD
Dean, School of Medicine

School of Physical Sciences

Congratulations on achieving your degree from the UC Irvine School of Physical Sciences! This milestone may seem like a conclusion, but it marks the exciting beginning of a new chapter in your life—a chapter that is all the more promising due to the hard work you put in as a student here. Whether your path leads to graduate studies, or if you're stepping into the workforce, the education you received at UC Irvine has equipped you with a unique foundation for success.

Remarkably, over 40% of you have engaged in undergraduate research, and a significant number have secured places in graduate and professional programs. I also commend those who embraced the opportunity to join our mentorship program—an experience that will positively influence your lives well beyond your time at UC Irvine. We encourage you to consider returning as mentors to guide future generations of students, offering insights from what I anticipate will be illustrious careers.

As alumni of the School of Physical Sciences, your pursuits might range from delving into complex mathematical theories to making strides in eliminating incurable diseases. Whether your curiosity drives you towards understanding a solitary particle or unraveling the mysteries of the Universe and the future of Earth's climate, each path holds immense value. Across this broad spectrum of potential careers, our faculty and staff are behind you, wishing you success as you follow your passions and make impactful contributions to our world.

Once more, congratulations on this milestone. The demand for skilled mathematicians and scientists is greater than ever—embrace this opportunity to apply, share, and broaden your expertise and discoveries.

Best regards,

A handwritten signature in black ink that reads "James S. Bullock". The signature is fluid and cursive, with the first name "James" written in a smaller, more compact script than the last name "Bullock".

Professor James S. Bullock, Ph.D.
Dean, School of Physical Sciences
Professor of Physics & Astronomy

School of Social Ecology

Dear Class of 2025:

Congratulations on completing your degree from the School of Social Ecology!

As we celebrate your achievements, we wish you success along the next path of your journey. You earned your degree from our school, a leader in interdisciplinary research, team science, and community-embedded scholarship. You have studied and researched alongside faculty members and fellow students who share a commitment to understanding human behavior and seek to make the world a better place. Our research, courses and field study opportunities are oriented at solving some of the most crucial social and environmental challenges of our time, including issues involving the coronavirus pandemic, mass incarceration, environmental sustainability, homelessness, poverty and mental health. With this stage of your education now completed, we encourage you to take what you have learned to become part of the solution.

Our school also emphasizes the importance of equity and justice. We have prepared you to think about how you can help advance a more equitable society. We will look to you with great hope as you apply that greater sense of purpose in your next endeavors.

No matter where you are headed next or what you will do, please know that we take pride in you and your accomplishments. As alumni of Social Ecology, we hope you will please remember to stay connected so we can continue to cheer on your successes.

Congratulations on your graduation and go out and make a difference!

Best wishes,

A handwritten signature in black ink, reading "Jon Gould". The signature is stylized and cursive.

Jon B. Gould, Ph.D.

Dean, School of Social Ecology

School of Social Sciences

Congratulations, UCI social sciences graduates! I'm so proud to welcome you as our newest members of the Social Sciences Alumni Network. With your graduation today, you are joining an elite group of more than 64,000 changemakers who can be found everywhere from the halls of justice in D.C. to capitals around the world engaged in work that's truly changing lives. Our alumni are making a difference through entrepreneurial endeavors from Northgate to Northern Africa, in courtrooms across the nation, boardrooms in some of the world's top companies, and classrooms around the globe training our next generation of leaders.

While each of your pathways to this degree has been unique, your shared experiences as an Anteater will stay with you long after leaving campus today. And no matter your story, you've all shown the true resiliency of the soc sci Anteater spirit.

As you embark on your next chapter, your individual versions of "what's next," I challenge each of you to continue pursuing a future that makes the world a better place than you've found it. Be bold, always break the mold, and be boundaryless in your pursuit.

Congratulations, social sciences graduates of the class of 2025.

Zot, zot, zot!

Bill Maurer, Ph.D.

Dean, School of Social Sciences

Professor, Department of Anthropology and School of Law

Director, Institute for Money, Technology and Financial Inclusion

Graduate Division

Dear Graduates, Families, and Friends,

Today's commencement ceremony marks a celebration of exceptional achievement. The Class of 2025 embodies the dedication, resilience, and brilliance that define UC Irvine's graduate scholars.

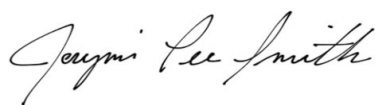

To our graduates: Your journey here has been one of discovery and transformation. You've pushed boundaries in your fields, contributed to our university's legacy, and prepared yourselves to make a meaningful impact in the world. As you step forward, carry with you the values of integrity, inclusivity, and excellence that UC Irvine stands for.

To the families, friends, and mentors who have supported our graduates, thank you for your encouragement and belief in their potential. Your support has been instrumental in their success.

As you celebrate this milestone, know that your Anteater family is immensely proud of you and excited for the future you will help shape. You are now part of a proud family of UC Irvine alumni. I hope you stay in touch and keep us informed of your accomplishments. Celebrate today and know that we look forward to celebrating your successes for years to come.

Congratulations, Class of 2025!

With pride and best wishes,

Jaymi Lee Smith

UC Irvine Alumni Association

To the Class of 2025:

Congratulations — you did it! What an accomplishment. The early mornings, the late nights, the cramming, the long weekends... You did what it took, and you are now a graduate of UC Irvine. Let that sink in.

If I remember correctly, right about now, you're thinking, "what's next!?" And that's admirable — you're ambitious, or you wouldn't be here. But like past presidents of the Alumni Association, I'll offer this advice: Before you jump back into action, take a minute and recognize this powerful and proud moment. This is your time. Your time to relish in the hard work, the dedication, and the accomplishment. You put your mind to it, applied yourself, and accomplished a major life milestone. Please, don't let this moment pass without serious reflection. You should be proud.

I remember my UC Irvine graduation day. As a first gen graduate, I was proud of the moment, I recognized the importance of it and looked forward to a bright future.

On this day as you celebrate your hard-earned accomplishment, I hope that you'll also take a moment to express gratitude to all who have journeyed by your side, providing support and guidance — your family, friends, and faculty, of course. But also, your Anteater community. In fact, know that with each step forward, your fellow Anteaters go with you and that you will forever be a part of the bold and pioneering UC Irvine alumni family!

As an alum you will always represent UC Irvine, and I hope you do so with pride. I encourage you to stay connected, remain involved and strengthen your relationship with the university and Anteaters of all graduating classes past and future. Trust me, you won't regret it. Our alumni magazine, *The Anteater*, and our online mentoring platform, The Anteater Network (antnet.uci.edu), are wonderful ways to do just that!

The UC Irvine Alumni network has more than 265,000 members and accomplished individuals who are invested in your success and can help you increase your connection to our alma mater. As an active member of the Alumni Association, you will help continue a tradition that makes UC Irvine and the alumni network itself stronger. Find out how you can leverage the benefits and services of being a member, including The Anteater Network, access to online research databases and UC libraries across the system, career services and networking events for young alumni.

Additionally, I invite you to stay connected to your Anteater family no matter where you go in the world. Engage with our UC Irvine alumni at regional events, participate in our online community and be part of the more than 40 chapters and networks across the world. Keep in mind it's not only what you know that will drive your career forward, but also who you know. ;)

Fifty-nine years ago, UC Irvine was established with a vision to become a driving force for discovery and innovation serving our local, national, and global communities. You leave today helping to realize that vision.

As you take those next steps forward, know that there are many individuals who are in your corner cheering you on — your family, your friends, your professors, and your fellow alumni. You are now a college graduate (of one of the top universities in the nation, mind you) and we are so proud of you, Anteater!

Zot! Zot! Zot!

The UC Irvine Mace

The Mace leads the Commencement procession and is carried by a member of the UC Irvine Alumni Association Board of Directors.

The names of each
UC Irvine Chancellor
are engraved on the top

Carved from California oak, the
Mace is designed to resemble
the nose of an anteater,
UC Irvine's mascot.

The UC Irvine Alumni Association
presented the UC Irvine Mace to the
campus on May 12, 2000.

UC Irvine
