WELCOME TO THE TOP OF QUALITY
TURKISH SALMON

About Us

Since 2007, **Yomra Su Urunleri** has been dedicated to producing Türkiye's finest salmon. With a strong focus on reliability, sustainability, and excellence, we continually expand our capacity and raise our standards to deliver premium products. Our commitment to providing healthy and affordable salmon goes beyond borders, as we proudly serve markets across the Far East and beyond through our fishing and export operations.

At Yomra Su Urunleri, every stage of the salmon's journey — from hatcheries to processing and export — is meticulously supervised by our expert engineers. Each step is carefully recorded to build a comprehensive database, ensuring the highest quality for our customers.
