# OUR MISSION

## **Guided by our Mission**

### **Our education is an education of Quaker standards.**

We hold ourselves to the highest aspirations of our tradition and the highest standards in the field. We make space for growth and change, and allow every member of our community to flourish.

### **Our education is an education of conscience.**

We reach beyond ourselves, take responsibility for the health of our community and our environment, and consider the effect of our thoughts and actions on those around us.

### **Our education is an education of consequence.**

We usher into the world students capable of building community, leading from the head and the heart, and using their skills, their compassion, and their intelligence to advance both their personal visions and the common good.

# WELCOME FROM THE HEAD OF SCHOOL

Dear Friends,

School communities are centered on connections among individuals, ideas, and empathy. We come together at A Taste of Our Towns for fun, friendship, and the opportunity to rejoice in all we have accomplished this year on behalf of our students and their families. This evening's event also serves the purpose of raising funds to support the school's mission with over 95% of the proceeds going directly into our school program.

The financial landscape for educating children is challenging. Westfield is not alone in its challenges in closing the gap between tuition and the true cost to educate children. Local public schools are increasing class size and cutting programs. Some small and large independent schools are closing their doors. In the face of these challenges, I celebrate the progress we have made over the last ten years. A decade ago, Westfield began from scratch to create an ethos of philanthropy within our community. Today, we have a thriving Fund for Westfield and host two fantastic events annually. This success is a testament to the dedication of many individuals in sustaining our school with its unique mission.

Building upon the achievements of last year's event, our remarkable planning committee is led by current parents Gretchen Hutchings and Colleen Kelly. Board member and chair of the Development Committee, Darren White, provided the drive and vision to propel us forward, creating an outstanding event. Working alongside other committee members, including Judy Cope, Rosanne Martin, Janet Stevens, Nancy Turner, and Shelly Turner, all lent their efforts to organize, reach out to restaurants and sponsors, assist with the auction items, and decorate the school for this festive evening. Judy Cope '64 contributed spectacular centerpieces for our tables, while Lily Taylor handled all communications, advertising, and online auction setup. Cindy Choyce brought her expert organizational skills to every aspect of the event. A big thank you to our talented entertainers - our harpist, alumni parent (Nicole '20) Kurt Yung, and vocal performer, current parent Teresa Grace, accompanied by guitarist Frank. Finally, I would like to thank our facilities staff, Don Pastore, Wayne Dixon, and Teresa Muscarena, who helped clean the spaces where 141 children were actively learning earlier in the week.

The restaurants and sponsors featured in the program exemplify the remarkable support for our school within the local community. Tonight, we come together to honor a community that believes Westfield can foster the ideal environment for our children—a world that promotes their emotional, physical, intellectual, moral, and spiritual development. I hope you enjoy the delightful food and discover new favorite restaurants for your future outings. Additionally, please take a moment to recognize our sponsors and express your gratitude by supporting their businesses.

We express our heartfelt gratitude to everyone who contributed to the success of this event. Have a great time, reconnect with old friends, and meet new ones! Don't forget to place your bids on the auction items. Be sure to admire the impressive student artwork showcased in the library and throughout the hallways. Thank you for being here tonight and for supporting Westfield's ambitious program.

In celebration,

Dr. Margaret Haviland  
Head of School
