## Going green

Our Green Business seal certifies that we:

- Focus on providing eco-friendly products to our customers.
- Offer items that are made of recycled materials, and that are reusable, recyclable, and sustainable.
- Offer green solutions from raw goods, products, ink and logistics and to maintain a required level of sustainability in the workplace.
- Promote recycling, water conservation, energy conservation, waste reduction and “environmentally friendly” purchasing.
- Document our ongoing efforts to recycle, reuse and reduce energy and waste

As a certified Green Business, Creative Resources’ initiative and one of our core principles is to help our environment, and do our part in reducing our carbon footprint. We believe green is more than just a trend; it is being aware that the choices we make impact the world around us. There is an amazing array of eco-friendly products available -- recyclable, reusable, biodegradable or made from Earth-friendly materials – and we find the best of the best. We incorporate them into every client presentation we make. Most of our clients are actively exploring sustainability opportunities, and they appreciate our partnership in helping them achieve their sustainability goals.

## Giving back

Our continued commitment to our clients and the environment is to actively participate in making a difference. With that commitment, Creative Resources will donate and plant a tree (through the US Forest Service Agency) for every order placed through your sales rep.
