Congratulations!

Congratulations cotillion participants! We have made it here through the COVID-19 Global Pandemic, through remote school, remote activities, social distancing, and masking. Your lives have been forever changed. I am sure like so many of us you are grateful for so many things. There are many experiences missed, but many that were achieved. There were challenges you overcame, and precious moments that you will cherish. There were times that seemed novel, that later became commonplace. My wish for you is that you will have gained much more than you have lost or missed, that the time has illuminated many things, people and relationships you hold dear. I am hopeful that this cotillion will be one of the things that you will cherish. You have worked hard to excel in school, in your service to others, and in your personal areas of interest. You deserve recognition. To our Debutante's, may all that you strive for be within your reach. As you are presented to society today, you are stepping into your future with all of the possibilities of hope. Anything and everything are possible. Use the tenacity you have gained during these most unprecedented times to carry you through in your very bright future.

To the escorts, I thank you for your commitment to this cotillion program. I hope that you will prosper, and reach beyond what you think you can do and excel. Your potential is limitless.

Thank you to the families who dedicated over a year in anticipation of a wonderful culminating event, and supported the goals of Twenty Pearls Foundation, Inc. You have set the stage, laid the groundwork and provided the guidance to allow your children to soar.

To our Marshalls and Junior Debutantes thank you for being ready and willing to be a part of the cotillion. Continue to think big, help others and plan well. Junior Debutante's you will forever be our inaugural group. The first Twenty Pearls Foundation, Inc. Junior Debs.

Thank you to our chairman Lori Carton Jordan for working to provide an exemplary experience both in-person and virtually to the cotillion participants. Your guidance and leadership are precisely why we are here today. Grace, class and style is what you presented throughout. Thank you to the co-chairman TPF Director Judy Rush, for her awesome support and steadfast commitment to producing a lovely event. Kudos to the Cotillion committee for fulfilling a vision that had to pivot several times, but never faltering in having the highest most expectations for amazing cotillion. To the Fundraising chairman, Director Michelle R. Clark, Vice President, your creativity and positivity shines a sparkling light on the cotillion program. Thank you!

To our supporters, partners, members and Directors, and guests, thank you for working a long side us to provide scholarships and community programming. One of the great gifts you can give is education, and Twenty Pearls Foundation, Inc. strives to provide that in many forms each year. Together we can help more, enlighten more, and uplift more than we can apart. Enjoy our first virtual cotillion!

Peace,

Twenty Pearls
Foundation, Inc.

Greetings!

Welcome to the Miss Prominent Pearl Cotillion 2021: "Elevating Pearls To Perfection!" The cotillion has cultivated a rich history and legacy of grooming smart, talented and beautiful ladies each year. Today is a special day, for it is the culmination of our time together through the 2019-2021 cotillion activities and programs.

This year, when I say I am happy to be here, I'm not just making small talk. If you're like me, you're excited to be anywhere after the year we've all been through. I hope that the experiences of 2020 left you with an attitude not of fearfulness but of confidence. Confidence that we can tackle hard problems, and that hiding from them is rarely the best course. That given a careful examination of the available facts, and a thoughtful calculation of relative risks; we can overcome even the biggest obstacles. Becoming the masters of our fates and our futures.

The theme is quite appropriate for such intelligent and talented young women. You have impressed us with your drive, as current and future leaders of your schools and communities. We have enjoyed getting to know you.

It is our sincere desire that this experience has provided you with opportunities to grow and develop culturally, educationally and personally. Treasure the new friendships and relationships that you have formed over the last couple of years. May you continue to grow and meet future opportunities just as you have enthusiastically embraced the cotillion activities during this season.

Twenty Pearls Foundation is an organization whose mission is to strengthen the community by implementing and supporting programs that improve the quality of life for citizens and their families in the Chicagoland Southland communities. Proceeds from this event afford us the opportunity to award scholarships, promote philanthropic programs designed to enhance health, welfare and educational development of individuals and families. In order to support our programs of service, we sponsor events throughout the year to raise funds. We express our heartfelt gratitude that you have chosen to support our mission by attending our Miss Prominent Pearl Cotillion fundraiser highlighting the youth of our community.

We are very thankful to the entire cotillion committee and all involved in the planning of this memorable event. You have spent countless hours to ensure today would be an enriching, and engaging experience for us all.

Parents, thank you for sharing your children with us, and for the love, guidance and nurturing that is evident in these young ladies and gentlemen.

Again, thank you and may God continue to bless you all!

Many Thanks!

Welcome to the 2021 Miss Prominent Pearl Virtual Cotillion: "Elevating Pearls to Perfection." Our theme is indicative of

the journey traveled by our debutantes and escorts since the Fall of 2019. Just as a pearl takes time to grow and cultivate into perfection, our participants have developed just the same.

As the Cotillion Chairman, I've had the pleasure of spending time with the participants individually and collectively while engaging in various activities. Over the course of this 20 month extended cotillion, I've watched them grow, mature and develop resiliency in a time of adversity as they were brought face to face with the challenges caused by the global pandemic.

They took part in workshops and community service activities designed to enhance their cultural and academic experiences. Some of these activities included a team building weekend, Fireside Chats with well-known philanthropic couple Don & Liz Thompson, vision board planning and a Step Up Community Service activity at a local school. Each event was curated to develop long-lasting friendships and to foster a sense of self-worth and individual excellence.

Thank you to the awesome 2021 MPP Cotillion Court and participants, It is my hope this years cotillion provided you with tools to strive harder, achieve higher and be the best you can be! You are our future. I'm so proud to have been a part of your life over the past year and a half. You are some awesomely inspiring young people who will always have a special place in my heart.

Thank you to the members of the Twenty Pearls Foundation, Incorporated and President Leah Hill, Ed.D. for the opportunity to serve as 2020-2021 Cotillion Chairman. It was a rewarding experience that allowed me to mentor, lead and learn.

Thank you to my wonderful Co-Chairman, Judy Rush, for being my backbone of support and a guiding resource throughout this cotillion. It's such a joy to work with someone so warm, loving and supportive.

Thank you to the phenomenal, "Oh So Exciting" 2020-2021 Cotillion Committee for your hard work, ideas and creativity. Your cooperation in supporting my vision is greatly appreciated.

Thank you to the wonderful parents of all our participants who sacrificed their time, energy and finances to support their most important treasures to be a part of the Miss Prominent Pearl Cotillion. Your tireless efforts are greatly appreciated.

Words will never be able to express my thanks and appreciation to our "full of energy" and "awesomely amazing" Vice-President and Fund-Raising Chair Michelle Clark. I am grateful for your guidance, love and loyalty. Your energy is inspiring, your personality is infectious and your love for service is like none other!

To the accomplished dynamic duo, Jason and Ceshia Wilder our Choreographers, thank you for giving your time, sharing your talent and personifying the elegance of our cotillion.

And last, but certainly not least – thank you to the family, friends and business associates whose financial contributions help provide scholarships to our deserving students.

With gratitude,

Lori Carlton-Jordan

Welcome!

It is with distinguished pride and pleasure that we welcome you to our Miss Prominent Pearl Virtual Cotillion, "Elevating Pearls to Perfection."

Twenty Pearls Foundation, Inc. is proud to present its debutantes, and escorts, this afternoon. These young ladies and their escorts have truly demonstrated their unique talents and exemplary cultural achievements. Their journey began over a year ago with overwhelming joy and anticipation. Due to the unpredictable nature of the COVID 19 pandemic the preparation for this event had been abruptly halted. Despite the unforeseen circumstances, fears and unknowns of the COVID environment have been challenging. It has been through faith and perseverance that have allowed our participants to meet and exceed our expectations.

They have exhibited outstanding academic accomplishments, displayed intellectual fortitude, congeniality, high ethical standards and the ability to pivot. Our participants have engaged in activities, which included self-enrichment, leadership skills, culinary arts, etiquette, and entrepreneurship.

We are grateful to the parents, for their time, dedication, and for allowing their daughters and sons to participate in the preparation, which has led to the culmination of this magnificent affair. It is with sincere gratitude that we honor the commitment of the parents, debutantes, escorts, junior debutantes and marshals Your efforts have been extraordinarily commendable. Let the festivities commence.

ALPHA KAPPA ALPHA SORORITY, INCORPORATED®

Central Region

5656 South Stony Island Avenue • Chicago, IL 60637-1997 • (773) 684-1282

Dear Family, Friends and Supporters,

As the First President of Twenty Pearls Foundation, Incorporated and on behalf of the Confident, Charismatic and Charmed Central Region of Alpha Kappa Alpha Sorority, Incorporated®, I bring you greetings on the occasion of the 2021 Miss Prominent Pearl Virtual Cotillion.

While this year's Cotillion has been impacted by public health constraints and a moral and racial crisis gripping our country, the legacy of numerous successful events serves as a platform for the 2021 debutants. Built on the theme "Elevating Pearls to Perfection," the 6 young women being presented are the embodiment of grace, charm, and scholastic excellence. Likewise, the young men serving as escorts have exhibited maturity and enthusiasm in upholding their commitment to the cotillion.

The young people involved in this year's event are to be commended. In the face of a global pandemic and in the shadow of blatant attacks on innocent Black lives, and the civil unrest and disobedience that followed, these young men and women did not shrink from their responsibilities. They engaged in workshops and service programs that have broadened their horizons, contributed to their communities, and set examples for their peers and future generations.

To the members of Twenty Pearls Foundation, Incorporated, the parents and families of these young people, thank you for being the village that embraced them and help them process the turmoil while simultaneously keeping their eyes on the prize of successfully completing the academic and service components of the cotillion program. The success you see this evening could not have been accomplished without your support.

Finally, I commend Dr. Leah Hill, President, this year's Chairman Lori Carlton-Jordan and Co-Chairman Judy Rush. I've said it before, but it bears repeating: You have set the standard for service, as role models for future generations, working to improve the quality of life for so many within this city, and we are a much better community for your gifts of time, talent and treasure.

In the face of such turmoil, uncertainty, and fear, thank you Twenty Pearls Foundation, Incorporated for what you are doing for the Far South Suburban Chicagoland community and thank you for the service you continue to render to all mankind.

In Sisterhood and Service,

Central Regional Director

DEBUTANTE

Schalen Blackman-Bennett

Debutante Schalen is a Senior at Homewood-Flossmoor High School (H-F) where she is a student in the Fine Arts Academy and was awarded "Visual Art Student of the Month" in April/May of 2019.

As a child, Schalen has always exhibited a positive attitude and because of this, won both the Spirit and the Lifetime Achievement Awards for her enthusiasm and commitment when she was a cheerleader for the Evergreen Park Stallions. However, Schalen's true passion has always been in the arts.

She is very artistic and creative. Her love for music started at age 9 when she began playing the flute. Schalen continued playing in high school where she was a part of the H-F Marching and Concert Bands. However, after 7 years, she traded-in her flute for a camera. Her photographs have been nominated by the National Art Society. In 2019, she was awarded The Merit Scholarship from the School of the Art Institute of Chicago (SAIC) for their intensive two-week summer program. Additionally, Schalen participated in SAIC's 2019 spring fashion design classes and fashion show.

She plans to continue her education at Lake Michigan College where she would like to pursue her interest in both costume designing and photography. When not in school, she is immersed in photography or honing her skills in fashion. Pre-pandemic, she volunteered her time as staff for Operation Snowflake, a leadership development program for 7th and 8th graders. She also enjoys playing video games, spending time with her dog Bella and recently has expanded her talents into writing a fictional novel.

Schalen believes "*art is important because it brings beauty to life*" and it is her desire to share her ideas with the world through her art.

Debutante Schalen is presented by her mother Misha Blackman and step-father, Robert Rose.

After participating in many enrichment programs, projects, and opportunities, his high-school career has helped foster and stimulate his interest in engineering. One of these opportunities is the paid Architectural Engineering Internship he will be participating with this summer with SOM Construction.

His plan to is to use his interest in engineering to help develop positive environmental change and to inspire people to protect the environment through the Civil Engineering or Architectural fields.

Kayla also has volunteered for the Alzheimer's Association by collecting donations for research and raising awareness about Alzheimer's Disease. As a 4-H member Kayla has enhanced her skills in areas of decision-making, personal development, leadership, and social grace. She has also volunteered at the Daybreak Shelter in Joliet, diligently serving the homeless community by preparing and serving food, donating clothes, and interacting with the kids.

In addition to her studies and sports, Maya has always been active in her community, serving as Recording Secretary for the Skyline Metropolitan Chicago Chapter of the Top Teens of America and volunteering her time with Feed My Starving

Children. After noticing a lack of haircare services and products available for women of color near her boarding school, Maya founded Girls' Shop to provide onsite hairstylists and makeup artists for multi-cultural students in preparation for prom and other school events.

Maya was named a 2017 A Better Chance Academic Scholar, the 2018 Global Youth Leadership Institute Scholar, the 2018 Democratic Youth Leader of the Year, and the 2019 Bank of America Student Leader.

Through her volunteer work, Maya continues to encourage girls to pursue careers in the sciences. Having personally endured multiple sports injuries, Maya is passionate about injury prevention and recovery in female athletes. Maya plans to pursue a career in Medical Devices and ultimately own her own company focused on the health and fitness of women and girls.

Driven by a desire to impact the world for the better, Maya lives by this mantra: *"I will do today what others won't so I can do tomorrow what others can't"*.

The second oldest of three, Debutante Maya is family oriented, community focused and globally minded.

DEBUTANTE

Talia Warr

Debutante Talia is a senior at Marian Catholic High School, where she is involved in Diversity Council, and three different choirs. She is in both the gospel and a cappella choirs. She is also in the top choir class, which is called varsity choir, where she studies varieties of music,

competes in solo and ensemble auditions, travels to different places and performs. Outside of school, she is very involved in her church, St. Sabina. She is in two choirs at church, a youth choir called Selah, and the young adult choir. In her youth choir, she sang and participated in the Day of Service at her church every year. She sang at a juvenile center, for the elders at her church, and the Sunday School kids, etc. Often for the Day of Service she assisted with painting Justice murals, picked up trash around the street, and made lunches for the homeless. Also, every year on Christmas Day at her church, she helps feed the homeless and sing Christmas carols.

During the summer, every year, she is involved in the summer job program at her church. She also attends peace marches every Friday where she marches for peace in the streets and declare people to put the guns down! Last summer she went to Washington, D.C., with a group at her church members called the Brave Youth Leaders of Chicago. While in D.C., she assisted

with making posters and sat in front of the White House demanding justice for our youth. In the fall, she went to Washington, D.C., with the church again, where she assisted with conducting a large-scale Peace March, and she sang "Amazing Grace" to commemorate all the lives lost to gun violence.

She enjoys singing a lot. Singing to her is not just a hobby, it is her passion. She loves inspiring other people and knowing that she touched someone's heart. God has called her to help others, not only in her own community, but throughout this world through song, and she is going to do just that to the best of her ability.

In the near future, she will be attending Clark Atlanta University. Currently, she is maintaining a 3.5 GPA. In college, she wants to major in criminology. Since graduating from junior high school, she has found that she has always loved English. She has also found that she is great at persuasive essays and writing in general. She also loves to debate, so she plans on becoming a criminal justice lawyer.

DEBUTANTE

Jadah Marie Wright

Debutante Jadah Marie Wright is a senior at Southland College Prep Charter High School in Richton Park, IL. At Southland, Jadah is a member of the National Honor Society and has been a part of Southland's cheerleading squad. She is currently a member of the concert band as well as the Southland Marching Eagles where she plays the flute. Despite the demands of an extremely rigorous academic program consisting of multiple honors classes and extended school hours, Jadah is able to maintain a 3.91 GPA as a CEO scholar.

Jadah has been employed as a youth swim instructor with Coach Eve's Instructional Swim program, a flight crew member at Sky Zone in Orland Park, IL, and most recently as a team member at White Castle in Mokena, IL. Jadah finds fulfillment in helping and assisting others as she regularly volunteers at Feed, Clothe and Help the Needy (FCHN) Inc., a food pantry located in Englewood. She also does volunteer work at Habitat for Humanity Chicago South Suburbs in Chicago Heights and recently spearheaded a sock drive for the homeless where she collected money and solicited donations which allowed her to distribute socks to the homeless population at various locations in Chicago.

Debutante Jadah has been accepted by Howard University in Washington, D.C., and will be attending beginning Fall of 2021. Jadah will be matriculating into the College of Arts and Sciences, a political science major. Her goal is to eventually attend Howard University School of Law where notable figures such as Thurgood Marshall and Charles Hamilton Houston attended and taught. Jadah believes that a career in law will enable her to advocate for justice and fairness for those who have been historically denied of their human rights and dignity.

Jadah is the oldest daughter of Gwendolyn and Steven Wright. Jadah is currently a member at Life Church in Chicago Heights under the leadership of Pastor Isaac B. Greene. At Life Church Jadah is very active utilizing her uplifting personality as a part of the Communication Ministry where she provides congregational announcements and encouraging Thoughts for the Day. Jadah's life scripture is found in Isaiah 43:18 which states *"Forget the former things; do not dwell on the past. See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the wilderness and streams in the wasteland."* (NIV)

In her spare time Jadah enjoys roller-skating, going to movies, and spending time with family and friends. Her favorite restaurant is Wu's House and she especially loves the hibachi noodles. Jadah loves to read and her favorite book is *The Hate You Give* by Angie Thomas. This book particularly resonated with her because of its realism and applicability to the injustices we see playing out in communities of color. Jadah believes that this experience of being a part of the Miss Prominent Pearl Cotillion will provide life-long memories and relationships that she will cherish for the rest of her life.

Debutante Jadah is presented by her parents Mr. & Mrs. Wright.

STEVE **SILK** HURLEY®

Truly a maestro of music, Chicago-based producer/remixer/songwriter/DJ **Steve “Silk” Hurley** of **S&S Chicago** is a **4-time GRAMMY® Nominee** and a **Pioneer** of Chicago’s **House Music** genre. His mix shows have been syndicated on **128 stations in the U.S.**, to **8 million listeners a week.**

In addition to writing and producing the House Music classic, “**Jack Your Body,**” (**#1 on the U.K. National Chart for multiple weeks**), Silk” has written, remixed and/or produced over 400 records, including chart-topping gold and platinum songs for **Michael Jackson, Prince, Crystal Waters, Madonna, Yolanda Adams, CeCe Peniston, Boyz II Men, Janet Jackson, Chaka Khan, Madonna, Inner City, Jennifer Lopez, Ann Nesby, Rahsaan Patterson, Donell Jones** and **Byron Stingily of Ten City.**

Silk is a **pioneer of the modern-day remix**, being named as the first producer to incorporate the new style of remixing that exists today, in which a totally new composition is created over an Accapella. Wikipedia (<http://en.wikipedia.org/wiki/Remix>) cites the relevance of **Hurley’s House Remixes** of ballads and pop records to the gradual evolution of the remix to this style. Many of Silk’s remix projects stem from original versions which are not in the dance genre at all, but his house remixes still manage to reach the #1 position on the dance charts, and sometimes even become crossover radio hits. With hundreds of remixes under his belt, Silk’s influence on the evolution of the remix has helped expand the worldwide reach of House Music.

Hurley and global DJ/Producer **Shannon “DJ Skip” Syas** have also garnered worldwide recognition with their label, S&S Records, Inc. / S&S Chicago, Inc. (www.snschicago.com), which boasts a catalog of over 500 releases.

S&S has created a consistent following by releasing original music, compilations, and remixes, and is the home of music by names such as **Jamie Principle, Mousse T., James Curd, Sharon Pass, Ann Nesby, DJ Skip, Paul Johnson, Tommy Sunshine, Ron Carroll, Bad Boy Bill, Lary Saladin, Sylveena Johnson, Marshall Jefferson, Joe Smooth, Director’s Cut, Stonebridge, Fat V., Zonum, Alfred Azzetto, Mijangos, EC Twins, Doorly, Superfunk, Olav Basoski** and special remix projects from **Malik Yusef ft. Common, Kanye, & J.V., and Khao ft. Gucci Mane, Lil’ Baby, YBN Nahmir, and Tobias Tate**, to name a few. S&S has been responsible for major house music events in Chicago that have averaged an attendance of over 6,000 people.

Without a doubt, however, the most prestigious honor ever bestowed upon him has been his **4 GRAMMY® Nominations** in 5 years (Remixer Of The Year Category / Best Remixed Recording). Hurley notes, “To be honored by my peers with four GRAMMY® Nominations is the pinnacle of the dream.”
