Our Strategy:

Our Jesus-Focused Youth Ministry (JFYM) strategy begins with **LEADERS** who want to reach the next generation with the gospel. They are trained in JFYM by attending/hosting a **FORUM** or by going through the **ONLINE TRAINING PLATFORM**. Leaders then create **ACTION PLANS** and are **COACHED** by **EAGLE LEADERS**. They begin to **IMPLEMENT JFYM** which **RESULTS** in...

...Leaders spiritually impacted.

...Teams built within the church to reach the next generation.

...Prayer lives deepened, and prayer lives multiplied.

...Young people saved, baptized, and confirmed.

...Churches revitalized in their vision and mission.

...Churches started through church planting.

reach the next generation.
strategies expanded within the church.
and disciplined.
ion to reach the next generation.
rch planters using the JFYM strategy.

Often, leaders will attend Implementation Workshops that help them follow through with their action plans. Then, churches implementing JFYM **MULTIPLY** the strategy by inviting other churches and leaders to a future Forum that they will host.

Our Mission:

To equip and multiply leaders globally who influence the younger generation to follow Jesus.

Our Reach:

5 Continents

32 Countries

48+ Years

125+ Resources

18 Languages

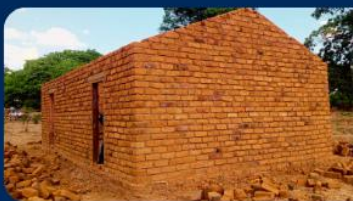

100,000+ Students reached
with the gospel

Our Extended Reach:

Parenting:

Deuteronomy 6 and Psalm 72 outline the calling God places on parents to **spiritually invest in their children**. We help parents live out that calling by providing quality resources and in-person parenting seminars.

Church Planting:

Since January 2021, **223 churches have been planted as a result of Jesus-Focused Youth Ministry**. These churches were planted by church leaders (many of whom are Gen Z) using the principles they learned through JFYM to plant healthy churches in their cities, towns, and villages.

Humanitarian:

As our leaders fulfill Reach Out's mission, there are moments when they encounter pressing humanitarian needs in the lives of the people they train. These individuals are from churches and communities where our leaders live, work, and worship. When we are able to **meet these urgent needs**, our leaders also validate the training they have provided by **caring for the spiritual, AND the physical, emotional, and relational dimensions of life**.

WHEN YOU GIVE...

...you enable JFYM trained leaders to:

- Minister in schools
- Train/mentor new leaders
- Plant churches
- Provide humanitarian relief
- Launch prayer initiatives
- Build teams that penetrate into the culture of the next generation

THE RESULTS?

In 2023, God used Reach Out in extraordinary ways:

4,651 new leaders trained

17,574 students saved

85 churches planted

1,349 leaders individually mentored

490 Eagle Leaders (leaders of leaders) certified
