CLEANSER SOAP

## RELAX HAIR FOR HORSES

With Barley oil extract, lavender oil and Nigella oil, rich in barley oil extract. Contains many useful ingredients that help moisturize and relax the hair. Also contains lavender oil extract, which works to give the hair a soft texture. Lavender helps moisturize the fur and hair, It also contains Nigella sativa oil that facilitates the process of smoothing and styling the hair, helps treat many issues and restore hair growth because it contains antihistamines which greatly contributes to maintaining the density of horsehair due to its content of vitamin B.

## CALEVA OIL FOR HORSES

Soft and unique texture, with barley oil extract, lavender oil and nigella oil, rich in barley oil extract, contains many useful ingredients that help nourish the horse's fur.

## Ultra Shield FOR HORSES

Protects horses against biting and nuisance flies, gnats and mosquitoes. Contains coat conditioners and remains active for up to seven days.
