ABOUT COMPANY

For more than forty years of experience, starting from Syria & Lebanon in 1980, Luxury Light has positioned itself as a leading lighting solution provider for the Middle East and African markets, providing a strong support for the region's projects and buildings with the most suitable products and services for any type of project in the hospitality, retail, commercial, residential or industrial market segment.

Luxury Light is dedicated to delivering innovative solutions that proliferate energy-efficiency and demand reduction. The company's mission is to improve the quality of life through sustainability and better light.

By exploring how light can positively impact people and spaces, Luxury Light strives to improve human well-being, business performance, and environments. We are at Luxury Light believe that lighting can improve productivity, health, safety and security, retail sales, and more!
