THIRSTI VCC CLUB CHAMPS 9 - 12 MAY 2026

THE STAGE IS SET

There are tournaments... and then there is Club Champs.

From 9–12 May, Victoria Country Club comes alive with one of the most anticipated events on the golfing calendar — four days where the fairways carry a little more tension, the greens roll a little truer, and every shot suddenly matters just that little bit more.

The Men's Club Champs will take centre stage on Saturday 9th and Sunday 10th May, with 36 holes of championship golf testing skill, patience, and nerve. The spotlight then shifts to the Ladies' Club Champs on Monday 11th and Tuesday 12th May, where elegance meets fierce competition in another 36-hole contest.

Proudly sponsored by Thirsty Water, this year's Club Champs promises not only great golf, but a premium experience both on and off the course.

But beyond the competition, Club Champs is about something more — it's about club spirit. With Mother's Day falling on the Sunday, the weekend brings with it a beautiful opportunity to blend great golf with family time. Whether it's cheering from the sidelines, enjoying a relaxed meal at the clubhouse, or simply soaking in the atmosphere, this is a weekend where golf and family come together in true Victoria style.

For players, it's your chance to test yourself, to compete, and to be part of something special. For members and supporters, it's a chance to witness the very best of VCC golf on display.

So mark the dates, gather your support crew, and if you're playing — start getting ready. Because when Club Champs arrives, the game changes.

Entries are open. The challenge awaits.

Wine not? An Easy Introduction to

SINCE 1928
Stellenrust
WINES FROM STELLENBOSCH

As we prepare to welcome Stellenrust Wines from Stellenbosch for our upcoming wine tasting on 1 April, it's the perfect opportunity to take a step into the world of wine — whether you're a seasoned enthusiast or simply wine-curious.

Nestled in the heart of Stellenbosch, Stellenrust is one of South Africa's largest family-owned wine estates, with a history that dates back to 1928 and vineyards that stretch across some of the most sought-after wine-growing regions in the country. Their philosophy is simple yet powerful: to capture the character of the soil, the climate, and the vine in every bottle — allowing the wine to tell its own story.

But what does that mean for the everyday wine drinker?

At its core, wine is about grape variety and style — and Stellenrust offers a beautifully diverse range that makes it easy to explore:

Chenin Blanc & Sauvignon Blanc – Light, fresh, and easy-drinking, these white wines are often crisp with fruity notes. Perfect for a relaxed afternoon or a starter wine for beginners.

Chardonnay – Slightly richer and often more complex, sometimes with subtle oak flavours that add depth and warmth.

Shiraz (Syrah) & Cabernet Sauvignon – Bold, full-bodied reds with deeper flavours like berries, spice, and sometimes a hint of smokiness.

Pinotage – South Africa's signature grape, offering a uniquely local taste profile that ranges from fruity to earthy, depending on the style.

What makes Stellenrust particularly special is how they pair the right grape with the right soil — from the rich red wine soils of the Helderberg “Golden Triangle” to the cooler, coastal-influenced Bottelary Hills that produce elegant white wines. In simple terms:

Warm soils = bigger, bolder reds

Cooler climates = fresher, lighter whites

And just like that, wine starts to make a little more sense.

The beauty of a Stellenrust tasting lies in its accessibility.

You don't need to know your tannins from your terroir — just a willingness to taste, explore, and enjoy.

Because at the end of the day, wine isn't about rules... it's about experience.

So whether you find yourself drawn to a crisp white, a smooth red, or something in between, this upcoming tasting promises to be a journey through one of South Africa's most respected wine estates — one glass at a time.

Sip slowly. Discover boldly. And most importantly... enjoy the moment.

If you've ever stopped at the halfway house for a quick bite or a refreshing drink, chances are you've already been welcomed by one of the warmest smiles at Victoria Country Club — **Nokulunga Nene.**

Since joining the Club on 2 November 2021, Nokulunga has become a familiar and much-loved face among members. Starting her journey at Reggie's Bar and now holding court as the unofficial "Queen of the Halfway House," she brings energy, kindness, and a genuine love for people into every interaction.

For Nokulunga, it's never just about serving food — it's about connecting with people. She thrives on engaging with members, remembering faces, and making sure every golfer who passes through leaves just a little happier than when they arrived. Her approach is simple: listen to what people enjoy, respect their choices, and always serve with heart.

At home in Edendale, Nokulunga is a proud mother of two — an 18-year-old daughter and a 13-year-old son — and family remains at the centre of everything she does. Whether she's spending time with loved ones, enjoying a good movie, or keeping active at the gym, she carries that same warmth into her work at the Club.

She's also part of a dynamic duo alongside her colleague Thabile, the two forming a partnership that keeps the halfway house running smoothly — often with a laugh or two along the way.

In a space where golfers are often halfway through their round (and sometimes their patience!), Nokulunga has a special way of lifting spirits, one smile at a time.

And that's what makes her not just part of the team... but part of the heart of Victoria Country Club.

Sthembiso

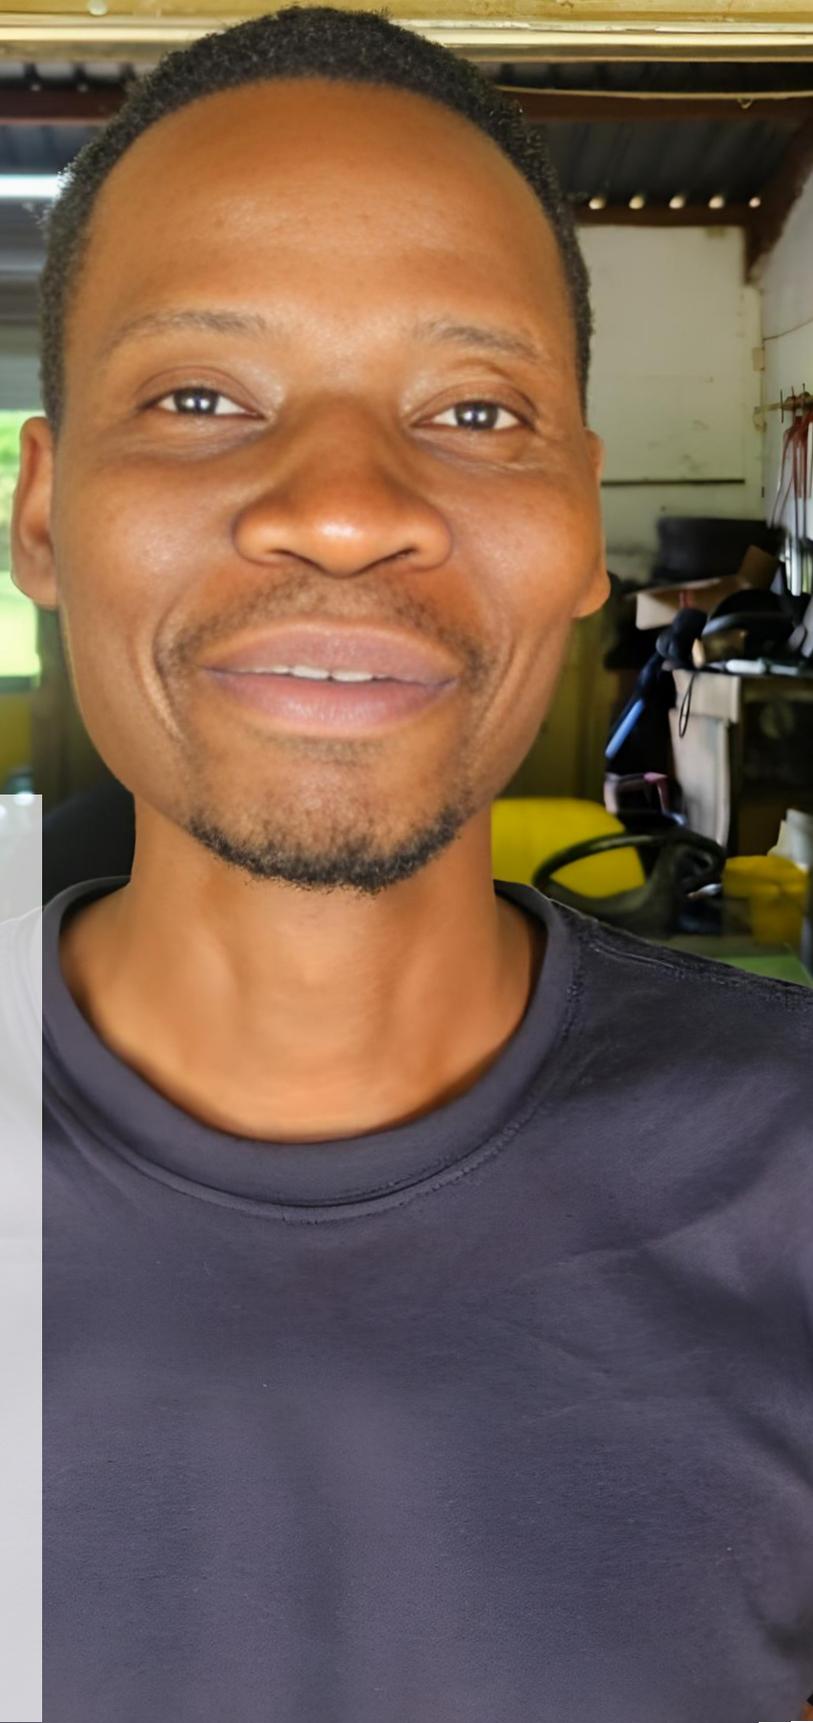

Behind every true putting surface at Victoria Country Club is a team that works tirelessly — and at the heart of that team is **Sthembiso Nzuza**, our Assistant Greens Supervisor.

At 31, and a proud father of two, Sthembiso brings a strong sense of care and responsibility to his work. From mowing and edging greens to repairing pitch marks and managing weed control, his role is all about precision — the kind golfers may not always see, but certainly feel on every putt.

Family is central to his life, and that same dedication carries onto the course each day.

Away from the greens, Sthembiso's creative side shines through his love for music and singing, along with a passion for gardening — a natural extension of the work he does so well.

Quietly committed and consistently reliable, Sthembiso is part of the team that keeps Victoria Country Club in top condition.
