Mr Ho, I would like to thank you for teaching the digital painting class. You are very successful in getting me interested to pick up this hobby that I do not have any skills or experience before. Your dedication and friendly approach in the class have inspired me and greatly aroused my interest and enthusiasm in digital painting !! I have learned a lot from you and I really appreciate that!!

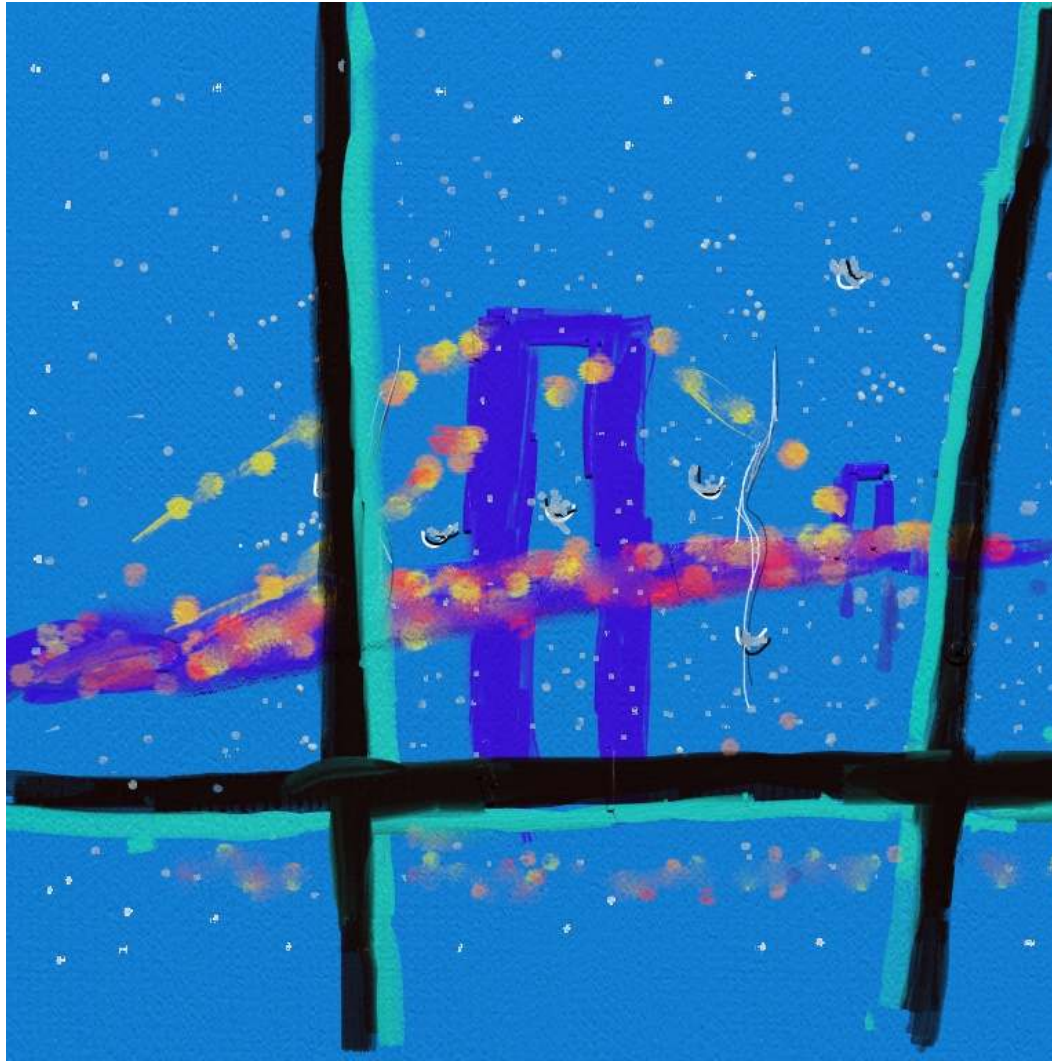

It is unfortunate that I cannot continue to participate in the class due to personal working schedule, but I am sure I will continue this hobby in my leisure time.

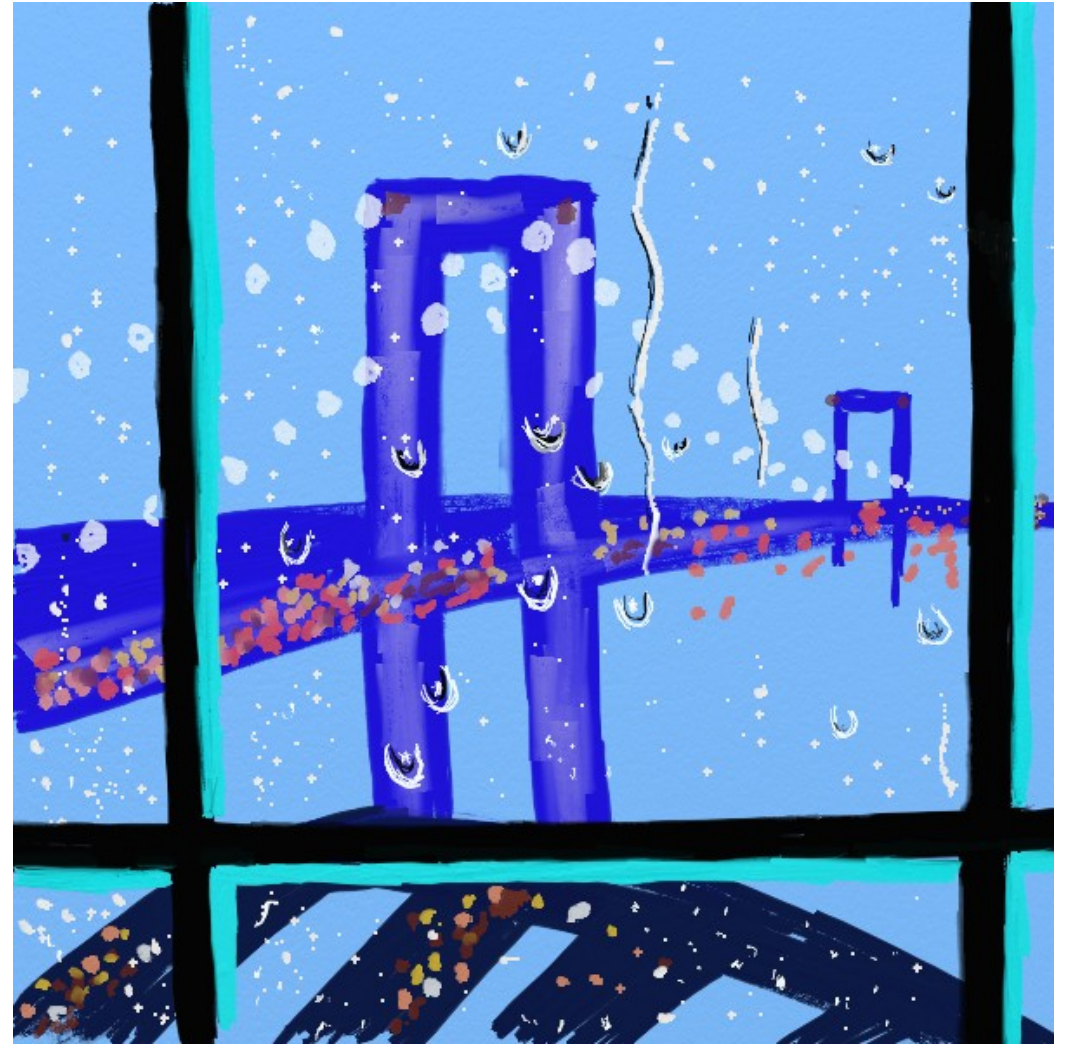

You should be proud of yourself and all the art work that you have motivated all of us to do in the past 2 months. The painting album you created is a solid proof of your success. So thanks again, Mr Ho, for all you have done in this class !! It is a small world. We may see each other some day in the future. Take care !!!

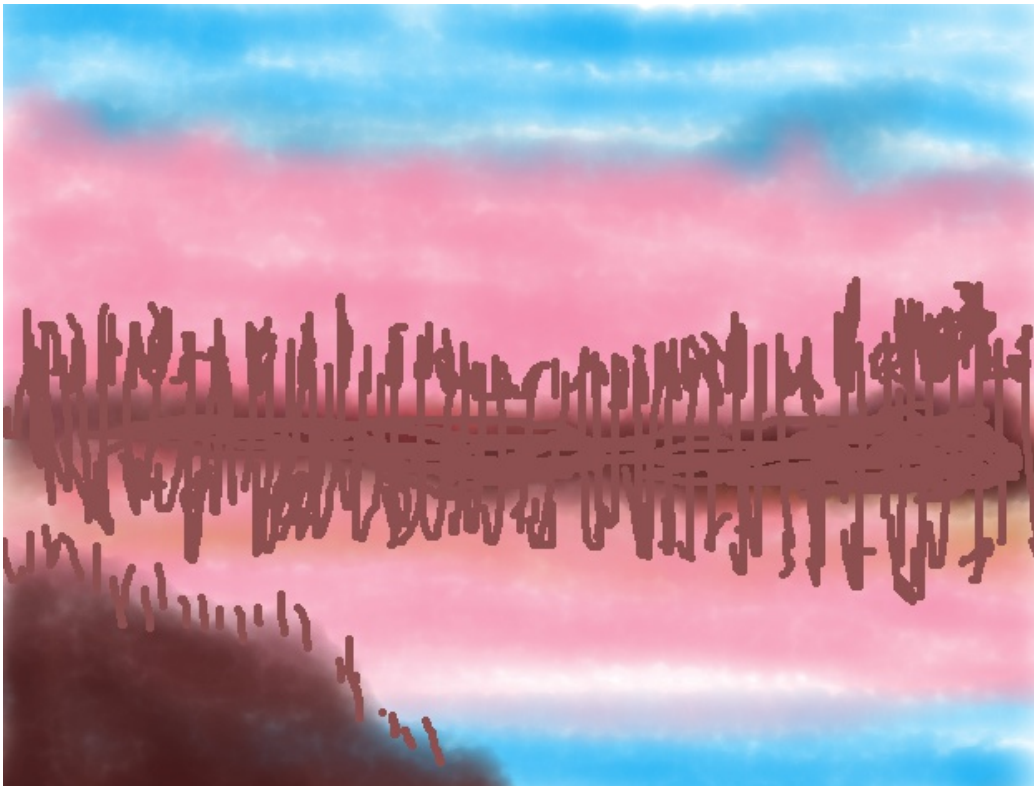

第二期的畫班轉眼完畢，這期我更能掌握到應用 Artrage program 能力，十堂的功課也能完整交回，老師的評語 “very nice ” 是我的動力，多謝！同學們的分享也得益良多！期望第三期老師及同學再能帶領我進入另一畫畫領域。

多謝你這二期數碼畫班耐心和細心的教導，其實就像其他同學在堂上所說，不是你教學方面有问题，而是每個人有不同原因而不能繼續跟你學習。

你其實很有耐心教導我們，亦不厭其煩詳細解答同學們問完又再重覆的問題。謝謝你！

轉眼又過了十期的畫畫課堂，感激同學努力完成功課，且樂意去與大家分享，令這本畫冊添上不少色彩，連同第一期，這 20 堂課我個人亦學了很多，深深感受教學相長的道理，感謝大家陪我走過這 20 堂的「成長」過程，希望數碼繪畫能成為大家生活的一部分。
