NEW

Enhanced STITCH CREATOR™

Design unique stitches wider than 9 mm from scratch or edit the machine's built-in stitches. Adjust the stitch length and width, reshape stitch patterns, or create decorative stitches with complete control. Perfect for adding signature touches, creating embellishments, or bringing your ideas to life.

Exact Position with Scaling

Adjust your design's position and rotation with stitch-point accuracy, reducing the time and effort spent achieving perfect hooping. If any elements extend beyond the hoop limits, the enhanced Exact Position feature allows you to easily scale the design to fit. Scaling also makes final design parts fit easily when multi-hooping.

* Reduced noise and vibrations when compared to the PFAFF® creative icon™, creative icon 2 and creative performance™ 950 embroidery units. The industry's largest embroidery area is 450 x 450 mm when compared to Brother Aveneer, Babylock Radianc, Bernina B990 and Janome Continental M17, and requires the optional creative™ Grand Turnable Hoop.

THE JANE GOODALL CHERRYWOOD FABRIC CHALLENGE

THE CHALLENGE:

Create an original quilted piece with a LIMITED COLOR PALETTE of hand dyed fabric from Cherrywood.

Jane Goodall was world-renowned for her groundbreaking, long-term study of wild chimpanzees in Tanzania. Her life's work has solidified her reputation as a leading primatologist, conservationist, and influential voice for animal welfare. Her passing is widely mourned as the loss of an iconic voice. This challenge memorializes Jane and her inspirational message of peace and hope. A portion of the proceeds from this Cherrywood Challenge will be donated to JaneGoodall.org. This is also a great resource for inspiration!

We challenge you to choose an aspect of Jane's complex life as the theme for your original work. Cherrywood will select 225 quilts based on originality, creativity, design, visual impact, workmanship, use of fabric and overall variety of the exhibit.

SIZE: 20" x 20"

FABRIC:

- The entire quilt top and binding must be made out of the 8 Cherrywood Challenge Bundle fabrics (with the option to add Onyx).
- It is not necessary to use all eight colors.
- No other brand of fabric may be used on the front, including binding.
- However, you may use any fabric brand on the back.
- If you use paint/ink/pencil in your piece, challenge yourself to keep it in the same general color family.
- This challenge is about using your talents to show off the suede texture and color of Cherrywood.

TECHNIQUES:

- Any technique is allowed: hand or machine-quilting, thread painting, embroidery, couching, beading, manipulating, drawing, etc!
- If you use paint/ink, it should not totally camouflage the fabric. We must be able to recognize the Cherrywood fabrics.
- Must maintain character of a textile quilt and consist of a top, a middle batting, and a backing held together with stitching.

EMBELLISHMENTS:

- Embellishments must stay within the 20-inch quilt dimensions.
- Must withstand packing, shipping and handling many times.
- Items allowed: beads, ribbon, buttons, charms, etc.
- Tulle is allowed as long as it does not drastically change the color of the fabric.
- NO glitter allowed (comes off and damages other quilts)
- NO dangling materials (could get caught and tear)

ENTRY FEE: \$35.00

- Cherrywood will collect your contact information, Artist Statement and fee at the time of submission.

Submissions Due: February 1, 2027

BLUE RIDGE (ROPE) BAG

Friday, September 18 • 9:30 AM - 3:00 PM

The Blue Ridge Bag is an intermediate rope tote featuring a nifty handle - with an option to wear crossbody style or as a shoulder bag! This pattern from The Mountain Thread Company features 5/16" rope, and give endless possibilities for customization - fabric wrapping, beads, fancy knots, you name it!

The Blue Ridge Bag measures approximately 6" wide, 12" long and 8" tall.

**Wondering if your sewing machine can do this? If you have hemmed jeans/pants, sewn canvas, or stitched through multiple fabric layers with your machine, then the answer is most likely 'yes.' If you've tried to do any of the previous sewing projects and your machine gets cranky and refuses to play, this might be more of a challenge for you. But, since each machine is different, this is up to you!

This is an intermediate rope sewing project for sewists who are confident in steps like changing the machine needle, adjusting stitch length and width, pivoting, and tight turns. Prior rope sewing experience may be helpful, though not necessary.

Check out our [tutorial videos](#) to preview coiled rope basketry techniques! This pattern includes step-by-step instructions with detailed photos and graphics, plus loads of tips and tricks.

SUPPLIES:

- 40 Yards of The Mountain Thread Company's custom braided 5/16" rope (or 65 yards of 3/16" rope)
- Denim Needles size 100/16.
- One Large (1422-Yard) Spool of Aurifil Thread
- Sewing Machine with Zigzag Stitch
- Scissors
- Pins

CLASS FEE: \$50 + pattern and rope

Bring your sewing machine, scissors, pins, fabric scraps, glue stick, denim needles, and quality thread like Aurifil or Isacord, and get ready to transform simple rope into a stunning bag!
