# TRANSFORMING VISIONS Into Realities

"The vision was in me, but the business and graphic design parts were beyond me. Renee's team was able to fill in the blanks I was missing. I'm very grateful for the guidance and support the team was able to give me! "

- Take the Leap Podcast, airs every Thursday at 9 PM EST

# ESSENTIAL SUPPORT

## For Your Podcast

### Podcast Setup:

- Choosing the right equipment (microphones, headphones, etc.).
- Recording and editing software recommendations.
- Tips for creating high-quality audio content.
- Choosing a platform for your podcast website (i.e. StreamYard, [check out our affiliate link\\*](#)).

## Post Production Editing:

- Meticulous editing to remove awkward pauses, filler words, and background noise, ensuring a seamless listening experience.
- Strategic use of sound effects or enhancements to add depth and impact where appropriate.
- Integration of branding elements, such as intros, outros, and sponsor messages, seamlessly woven into the episode.

## Marketing/Monetization:

- Strategies for promoting your podcast.
- Utilizing social media and other platforms to reach a wider audience.
- Implementing SEO strategies for better discoverability.
- Exploring different monetization options
- Setting up affiliate marketing or other revenue stream.

“My experience with Renee Speaks was absolutely fabulous. There was a lot of energy. I loved the energy in the room. And I also loved the back-end support provided during the podcast recording.”

- Kshama Singhi, Renee Speaks Guest

## Guest Experience:

- Virtual assistance to source and screen engaging guests for your show.
- Seamless pre-show communications with both the internal team and visiting guests.
- Thorough day-of-show preparations and friendly reminders for a flawless performance.
- Post-show communications with guest

# Renee Hastings

Keynote Speaker | Workshop Leader | Bible-study Facilitator | Podcast Host

Renee Hastings is the President and CEO of Executive Help Now, a virtual administrative assistance service. She and her team of VAs provide administrative support, video/podcast production support, and business consulting services to small business owners and busy executives. Renee started her entrepreneurial journey in 1996. Against all odds, she holds a Bachelor's degree in Business Management, she's been a Dale Carnegie Leadership Training Coach, she has held a Certified Administrative Professional (CAP) designation by the International Association of Administrative Professionals, she's been a featured guest on NBC's KCRV, and she's been a frequent speaker to business owners and virtual assistants.

## Sample Guest/Speaker Kit

Renee is now a sought-after inspirational speaker, podcast host, successful entrepreneur, philanthropist, and a Small Group Bible Study Coach who leads women on their journey towards becoming the women of God they're called to be. Leveraging over 15 years of administrative and business experience, Renee and her team give busy executives the ability to: 1.) eat more meals at home, 2.) take more vacations, and 3.) increase their productivity...because life's too short to schedule your own meetings, book your own travel, and check your own email!

### Sample Interview Questions

How have virtual assistants revolutionized the way entrepreneurs manage their workload?

What skills should you seek when hiring a virtual assistant?

Why is delegation crucial for entrepreneurs today?

How can entrepreneurs identify tasks for delegation versus handling themselves?

What are the long-term benefits of mastering delegation for entrepreneurs?

### Discussion Topics

- ✓ Delegating for Success: The Power of Virtual Assistants
- ✓ Mastering Delegation: A Game Changer for Entrepreneurs
- ✓ Business Efficiency Hacks: Strategies to Optimize Operations
