48" ARC REFLECTIVE EDGE INVERSION UMBRELLA

DESCRIPTION

48" Arc Inversion Umbrella features wind-resistant reverse-folding technology that flips inside out when closing, keeping rainwater contained. Enhanced with reflective edge trim for 360° visibility in low-light conditions. Constructed with durable fiberglass ribs and quick-dry polyester canopy for storm protection. Telescopic shaft folds compactly (to approx. 11.5") with a comfortable non-slip EVA foam handle.

Ideal for commuters and branding, available in Royal (ROY) with custom imprint options.

48" CONTRASTING INVERSION UMBRELLA

DESCRIPTION

Wash the competitor away when you promote on this 48" arc two-tone inversion umbrella!

This manual open, black umbrella contains a 48" arc and a metal shaft. Consisting of pongee material, it contains a contrasting underside for an excellent appearance. The inverted design keeps users dry when it's being closed. Imprint your company's name, logo and advertising message before handing it out.

Give an awesome, permanent impression with a promo tool that will help promote your brand.
