How do you want to explore the world?

Dear RPI Alumni and Friends,

We live in a world abounding with legendary destinations and time too constrained to see them. Join us for an unparalleled journey around the world to discover and explore a veritable “wish list” of iconic stops in one exceptional itinerary. Spanning 21 days and nearly 15,000 miles flying by private jet, this global adventure provides the speed, comfort, and flexibility to visit the cultural and natural treasures of seven countries efficiently and in style.

Marvel at the enduring mysteries of Stonehenge, walk in the footsteps of pharaohs among Egypt’s pyramids, caravan with 4x4 vehicles through the starkly beautiful landscapes of Wadi Rum, and survey the architectural significance of India’s ancient forts and the Taj Mahal. We will also uncover fascinating layers replete with venerable grounds in the vibrant cities of Siem Reap and Angkor Wat.

Flying private provides a variety of unique benefits—no waiting in lines, no cramped spaces, fewer baggage restrictions, and access to smaller airports make flying private the ideal mode of transport befitting the scale of an around-the-world odyssey.

With days highlighted by visits to UNESCO World Heritage Sites, customized air travel that’s supremely satisfying, and five-star accommodations chosen for prime locations and elevated amenities, this program represents the pinnacle of an awe-inspiring expedition.

This aircraft is limited to 58 lie-flat reclining leather seats. We suggest you reserve early and share this unique opportunity with family and friends who may be interested in traveling with you to explore the world by private chartered jet at an exceptional value.

21-DAY ITINERARY

Day 1: En Route from U.S.

Day 2: Arrive in London, England (R,D)

Upon arrival to London's Heathrow Airport an Orbridge representative will be waiting to assist with your transfer to the hotel.

The afternoon is yours to enjoy at leisure followed by a special welcome reception and dinner this evening.

Overnight: Brown's Hotel

Day 3: Stonehenge | Avebury (B,L)

Set out on a scenic two-hour journey through England's countryside to discover one of the world's most iconic and mysterious archaeological sites—Stonehenge.

During a guided tour around this UNESCO World Heritage Site, learn about speculations and theories surrounding the engineering of these Neolithic ruins. Stop at the impressive visitors center to view a variety of permanent exhibitions, which offer a glimpse into the unique nature of the Stonehenge site.

After a traditional English lunch at a local pub, survey the lesser-known site of Avebury.

While Stonehenge is the most architecturally sophisticated prehistoric stone circle in the world, Avebury is the largest. Similar to other megalithic monuments in the British Isles, Avebury is a composite construction that was added to and altered during several periods.

Return to London where dinner and the remainder of the evening are at leisure.

Overnight: Brown's Hotel

Day 4: London | Fly to Cairo, Egypt (B,L,D)

Enjoy breakfast at the hotel before transferring to an exclusive terminal at London Stansted Airport to board your privately chartered jet.

After take-off share a celebratory welcome toast and become acquainted with the dedicated crew. Get settled in your lie-flat leather seat and plug into in-flight entertainment and convenient charging stations. Pillows and amenity kits are available for additional comfort.

Lunch will be served during this relaxing, approximately five-hour flight. In-flight meals are served directly to your seat with fine china and cutlery and include a selection of beverages.

Upon arrival transfer to your five-star hotel to refresh and unpack before rejoining the group for dinner.

Overnight: Marriott Mena House – Cairo

Day 5: Giza (B,L,D)

Today's adventures include a visit to the pyramids of Giza, the only remaining Wonders of the Ancient World still standing.

The Great Pyramid, 700 feet long on each side, is Egypt's largest and represents an astonishing structure completed more than 4,500 years ago. Next set out for the Great Sphinx of Giza. This enigmatic stone carving depicts a lion's body with a man's face.

Enjoy lunch and time at leisure.

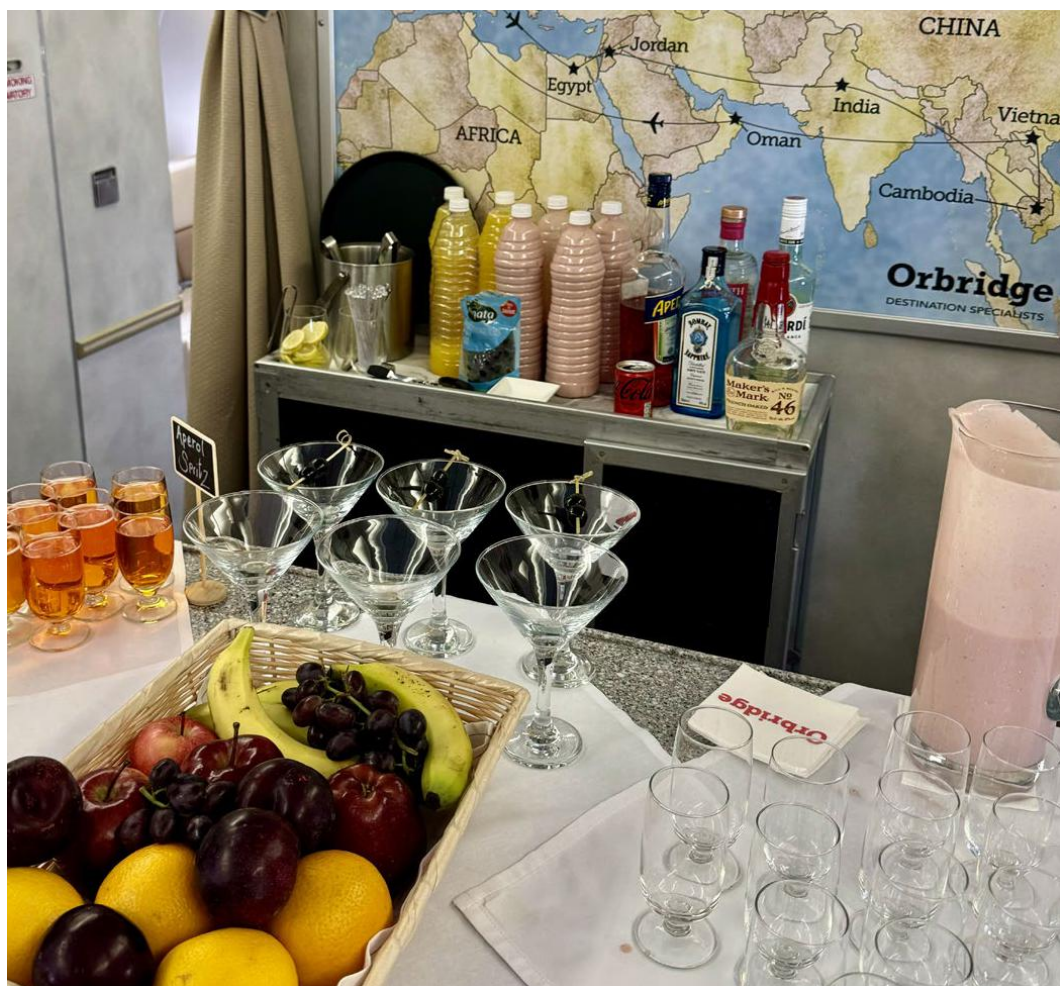

This evening visit the Grand Egyptian Museum, a newly opened complex described as the largest archaeological museum in the world and host to more than 100,000 artifacts, followed by an exclusive private dinner.

Overnight: Marriott Mena House – Cairo

Day 6: Cairo | Fly to Aqaba, Jordan | Wadi Rum | Petra (B,L,D)

Following breakfast return to your private jet for the 60-minute flight to Aqaba, Jordan, on the Red Sea.

Upon arrival meet with local guides, transfer to a motor coach and set out for Wadi Rum for a four-wheel drive desert excursion.

Encounter Wadi Rum's visually striking landscape, nicknamed "Valley of the Moon," with sweeping red sand dunes and massive rock formations.

Traversing through Wadi Rum is a voyage through the geological evolution of Earth. Many of the topographical features are older than the Dead Sea Rift that forms the western border of Jordan. Stone Age petroglyphs and a continuing nomadic presence offer a rare window into humanity's earliest beginnings.

After a lunch of Jordanian specialties, transfer by motor coach to the city of Petra with time to freshen up at your five-star accommodations before dinner.

Overnight: Mövenpick Resort Petra

Day 7: Petra (B,L,D)

This morning discover ancient Petra, a UNESCO World Heritage Site. Known as the "Rose City" for its red rock carvings, this alluring place was once the thriving capital of the Nabataean Kingdom and a major caravan center during the Roman period. Over time, however, Petra was largely forgotten until the 19th century.

During a guided tour explore elaborate tombs, monuments and religious high places. Along a wide path known as the Bab Al Siq observe the Obelisk Tomb, a structure that stands as a testament to the rich history and cultural heritage of the region. Step inside to discover a resting and dining hall with three benches once used for feasts to honor the dead. Stairs lead to burial halls with interesting light and shadows for photo opportunities.

Those who wish to enjoy lunch and continue exploring Petra may do so while others may choose to return to the hotel for a restful afternoon.

This evening rejoin the group for dinner at the hotel.
Overnight: Mövenpick Resort Petra

Day 8: Aqaba | Fly to Delhi, India (B,L,D)

Early this morning return to your private jet to depart for the next exciting destination—Delhi, India.

During this approximately five-hour flight, sit back, relax and take advantage of the well-appointed onboard facilities. Enjoy a nap, get lost in a book or mingle with fellow travelers at the stand-up bar and lounge.

Lunch will be served on board, with the jet touching down in Delhi by early evening.

Upon arrival transfer to your five-star hotel. Take time to unpack then gather later for dinner.

Overnight: The Oberoi, New Delhi

Day 9: Old and New Delhi | Agra (B,L,D)

No journey of the world's iconic destinations would be complete without time in the heart of colorful India.

India's capital city, New Delhi, offers a captivating blend of old and new—an amalgam of tombs, temples and monuments existing side-by-side amidst modern suburbs and skyscrapers.

Drive past the Red Fort—Delhi's most iconic monument and one of several UNESCO World Heritage Sites. Massive red sandstone walls standing 75-feet high enclose a complex of palaces, gardens and a mosque.

Across the road stands Jama Masjid, one of the finest examples of Mughal architecture in India. This mosque was built by Emperor Shah Jahan, who also commissioned the Taj Mahal.

Next experience renowned Chandni Chowk, Old Delhi's main thoroughfare and oldest market—a sensory delight teeming with a myriad of goods, colors, fragrances and flavors.

Continue to New Delhi, a grand city featuring wide boulevards, manicured formal parks and notable landmarks including Rashtrapati Bhavan, the official residence of the president and India Gate, a

138-foot-tall arch that bears the names of thousands of Indian soldiers who perished in conflicts such as World War I and the Third Afghan War.

Admire the arched façade of Humayun's Tomb built in the mid-16th century. This regal mausoleum is considered the architectural forerunner of the Taj Mahal.

Following lunch at a local restaurant continue the journey to Agra situated beside the Yamuna River—home to the Taj Mahal and Agra Fort, both UNESCO World Heritage Sites.

Overnight: The Oberoi Amarvilas, Agra

Day 10: Agra (B,L,D)

Depart early for a sunrise visit of Taj Mahal. Built between 1631 and 1648 by order of the Mughal emperor Shah Jahan in memory of his favorite wife, the Taj Mahal is an immense mausoleum of shimmering white marble that appears to change color depending on the light.

This complex is one of the most outstanding examples of Mughal architecture, combining Indian, Persian and Islamic influences.

Strolling the grounds, admire the calligraphy, minarets and intricate lattice screens adorning the structure.

Return to the hotel for breakfast before delving into Mughal history at Agra Fort. This colossal red sandstone fortress houses exquisite palaces, mosques and halls. Get a glimpse into the lifestyle of royalty and learn about the Mughal emperors who once resided here.

Following lunch at the hotel, relish in an afternoon at leisure with extended time to take advantage of the property's magnificent five-star amenities.

Before dinner at a local restaurant there will be another opportunity to visit the Taj Mahal for a unique sunset experience.

Overnight: The Oberoi Amarvilas, Agra

Day 11: Agra | Jaipur (B,L,D)

After breakfast and check-out, board your motor coach for the ride to Jaipur.

En route visit Fatehpur Sikri Fort, a UNESCO World Heritage Site featuring a blend of Islamic, Hindu and Persian architectural styles.

Explore monuments including Jodha Bai's Palace, Panch Mahal and the tomb of Salim Chishti.

Continue to Jaipur (known as the *Pink City*)—a UNESCO World Heritage Site that was carefully planned and arranged in a grid pattern of eight units around a central square.

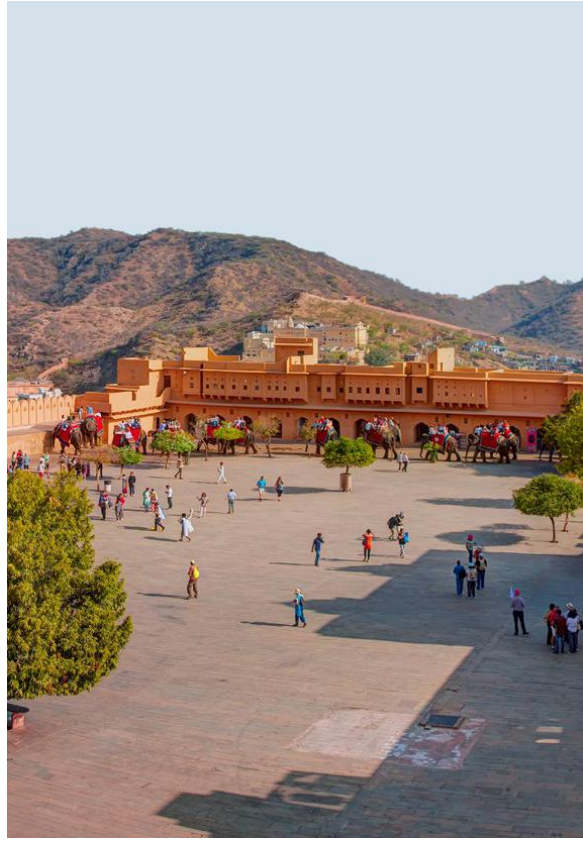

Its historic buildings were painted terra-cotta pink—a symbolic color of hospitality in honor of a visit by Prince Albert in 1876. A law passed in 1877 declared that any new buildings constructed must also bear this particular color.

Settle into your award-winning five-star hotel with time to refresh before rejoining the group for an informative lecture from a guest speaker.

Overnight: The Oberoi Rajvillas, Jaipur

Day 12: Jaipur (B,L,D)

During a panoramic city tour see the iconic Amer Fort (or Amber Fort), one of India's most well-known and frequently visited sites. Massive ramparts, successive gates and a zig-zagging cobblestone path

JANTAR MANTAR OBSERVATORY

leading up a hillside reveal four courtyards, palaces, halls and gardens. Learn about the history of Jaipur and the dynasties that ruled it at this extensive complex.

Continue to City Palace—an impressive collection of courtyards, gardens and buildings. See structures from different eras, some dating from the early 20th century. It's a striking blend of Rajasthani and Mughal architecture, with surfaces adorned by carvings, silverwork and opulent textiles.

Adjacent to City Palace's entrance is Jantar Mantar observatory, constructed by Maharaja Sawai Jai Singh II between 1724 and 1730. Singh's passion for astronomy was even greater than his prowess as a warrior. Before construction began Singh sent scholars abroad to study foreign examples of such structures.

Jantar Mantar is the largest and the best-preserved of Singh's observatories. See what has captivated the attention of architects and art historians worldwide at this site packed full of interesting instruments.

What Guests Are Saying ...

The entire experience was ELITE. Visiting Angkor Wat will stay with me for a lifetime, and is definitely something I share as a major highlight. I tell all my friends that I unexpectedly fell in love with both Siem Reap and Hanoi. The chance to experience the pyramids was pretty awesome, and the visits to Stonehenge and Avebury hold a very special place in my heart and memory. The crew was phenomenal. From first contact until the very last goodbye.

~Yehudis M., Teaneck, NJ

Orbridge "knocks it out of the park" for their planning, execution, and attention to details. ALL of the tour was great. Petra and Egypt were BIG highlights for me. My time in the cockpit to observe the approach/landing in Siem Reap, Cambodia was a HUGE highlight for me. The flight crew was wonderful, along with all of the staff...KUDOS!
