The name, Rockin' T Meadows, comes from our 70' long front porch filled with "Rockin" chairs to look out across the rolling "Meadows" and hay fields, to relax and enjoy the scenery of cattle grazing and grass swaying in the breezes. The "T" of course, comes from the owners' last name, John and Martha Thornton.

The original 1849 house was built on our 160 acre family farm property in Milner, Georgia, a short drive from Atlanta and Macon. Today, our beautiful wooden Wedding Chapel with a crystal chandelier overlooks a quaint pond – with 3 additional stunning ceremony sites including a magnificent 200-year-old Oak Tree, a Rustic Barn with lawn seating, and a 2200 sq ft indoor Hayshed.
