**Dust-Free**

# ODOURLOCK®

## ULTIMATE ODOUR CONTROL

### The only litter that neutralizes unpleasant odours for up to 40 days!

- With its patented technology that prevents the development of ammonia, which causes unpleasant odours
- Ultra-fast clumping makes it easy to scoop and clean the litter box
- Thanks to its high absorption capacity, cuts down on waste and reduces annual litter consumption by over 45%
- 99.9% dust-free, which is better for the respiratory systems of cats and of their owners
- Leaves no tracking so your home will stay clean
- Made with 100% pure, natural clay, recognized worldwide for its high quality
- Satisfaction guaranteed
- Available in Unscented, Calming Breeze, Baby Powder and Lavender scents
