TROPICAL

A stylized illustration of a tropical jungle scene. The background features large, dark green and black silhouettes of tropical leaves, including a prominent monstera leaf on the left and palm fronds on the right. In the center, a bird with yellow and brown wings is shown in flight. The foreground is dominated by a large, bright yellow and green leaf, possibly a banana leaf, which is partially obscured by the text. The overall style is graphic and modern, with a muted color palette of greens, yellows, and greys.
