

RUGBY SCHOOL
THAILAND

DRAMA SCHOLARSHIP

Information for Applicants

Drama at Rugby School Thailand embodies our mantra, 'The Whole Person, The Whole Point'. As such, Drama is a popular choice for students, and opportunities to develop dramatic talents are vast. All lessons are taught by specialist teachers.

In addition to academic lessons, several productions take place each year, as well as workshops by leading theatre companies, such as Gecko and Splendid Productions. LAMDA lessons are very popular and are provided as part of the Scholarship programme. The Music and Drama Building provides students with the very best facilities, including purpose-built rehearsal spaces, a dance studio and a state-of-the-art

The purpose of scholarship awards is to recognise outstanding ability. Scholarships may be awarded with or without a fee remission attached. If the main reason to apply for a scholarship is to obtain a fee remission, please talk to the admissions department about the school's bursary scheme.

We expect our scholars to:

- maintain a good minimum average diligence/effort grades in all subjects;
- receive consistently good attainment and diligence/effort grades in drama;
- uphold the values of RST and be an excellent role model to other students in all aspects of school life, but particularly in their approach to commitment in drama;
- involve themselves fully in the co-curricular provision for drama;
- in most cases, to study drama for IGCSE and A-Level.

Scholarships are reviewed annually.

Scholars' Programme

All scholars follow a tailored programme and work closely with a specialist mentor.

Scholars will benefit from opportunities such as:

- taking part in the Scholars' Showcase;
- events which bring together scholars from each area. These events may include a formal dinner, symposium or trip;
- collaborating with fellow scholars from their subject areas to create an assembly presentation;
- the opportunity to undertake an independent research project.

Drama scholars will benefit from:

- attending workshops;
- support with developing their portfolio;
- directing House Drama (supporting the House Sixth);
- LAMDA lessons.

Assessment Process

Scholarships are available for students aged 11+. Applicants must complete the standard entry process first, including a cognitive abilities test. For an application form, please contact admissions@rugbyschool.ac.th. Applicants who meet the CAT4, interview and previous report requirements will be invited to attend the Drama Scholarship Assessment Day.

The Assessment Day will comprise of:

- improvisation and devising tasks;
- unseen script work;
- an interview with the opportunity to present a portfolio;
- a performance of a prepared monologue, which should be between 3-5 minutes in length, from a published play and performed from memory.

Once attendance on the Assessment Day is confirmed, applicants will receive more information.

Please note that internal candidates must be recommended by a relevant member of staff in order to apply. Internal candidates will be notified if this happens.
