MEDICLINICS is one of the leading companies in the design and manufacturing of hand dryers and bathroom accessories for collectivities.

With manufacturing units in Barcelona, Spain, Mediclinics leverages 50 years of experience to drive innovation, creating value for all our clients by producing high quality, reliable and ecofriendly products.

Mediclinics products are manufactured with recyclable materials and our new hand dryers are characterized, above all, by their low energy consumption (between 420 and 1,500 W) and by drying hands in just 10 - 15 seconds.

YVYRA

Yvyra manufactures indoor wooden flooring and Deckings with a widened collection of textures and formats. The wooden flooring are 100% spanish customizable in different colors, sizes and finishes.

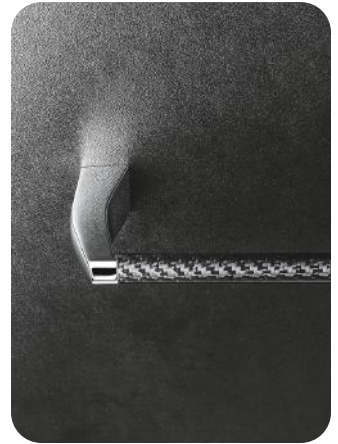

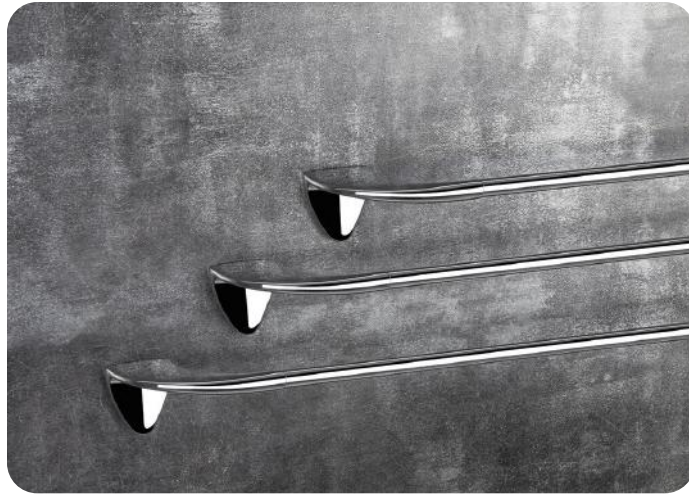

Based in Italy, Colombo Design is one of the leading designers and manufacturers of Bathroom Accessories. The extensive selection are an ideal enrichment to decorate the bathrooms of all styles, designed for the hotel sector and for public spaces and environments where hygiene, functionality, safety and comfort are increasingly important.

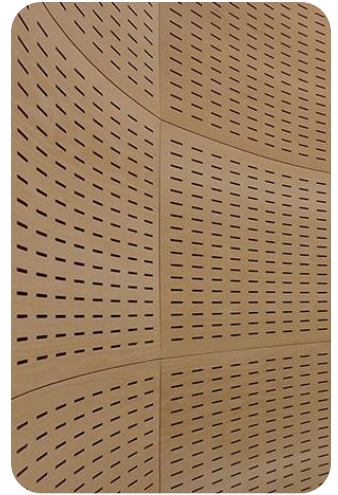

Ideatec is the Spanish company expert in acoustic solutions specialized in acoustic wall and ceiling cladding. It offers aesthetically pleasing natural products like wood and moss, intended for places requiring an enhanced acoustic ambience, whether it be big places like theaters, auditoriums or smaller areas like restaurants, meeting areas, offices and even residential spaces

Resin Bathtubs & Basins Collection

Resin is a strong and resilient material, making bathtubs and basins made from it durable and long-lasting. Since their surfaces are usually smooth and non-porous, making them easy to clean and maintain. They are resistant to stains and scratches, requiring minimal effort to keep them looking new.

Copper Bathtubs & Basins Collection

Copper offer a blend of durability and antimicrobial properties, ensuring a luxurious and hygienic bathing experience. With their elegant appearance, customizable design options, and minimal maintenance requirements, copper tubs provide both practicality and aesthetic appeal to any bathroom.

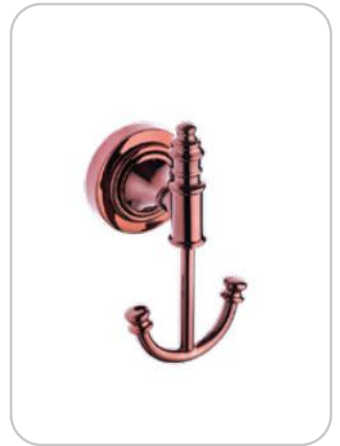

NEO|BAGNO
bathroom accessories

Neo Bagno provides elegant and practical solutions for your bathrooms. Featuring timeless designs and a variety of custom color options, allowing you to personalize your bathroom space.
