## What's Inside

Note from our CEO

Events

Student's testimonials

***Mr. Ramesh Swamy***

**Dear Friends!**

### **Attempting to go beyond boundaries**

**The pandemic has shown us how we need to constantly be able to weather life's transitions and deal with loss, pain, vulnerabilities, insecurities and weaknesses, more so for the unemployed youth of this country.**

**India's unemployment crisis has intensified, with not only an increasing scarcity of jobs for a rising population, but also a dearth of the right kind of opportunities, especially for the educated. The result is a growing hopelessness among youth who fall under the working age category. Their aspirations are high and unrealistic and this could be the reason for 4 million youth out of jobs.**

**In the year 2021 - 2022, we could help around 8000 youth through Unnati and UNXT programs. It does not seem even a spec when we look at the National picture. We often hear the phrase every drop counts, The squirrel in Ramayana. We are happy to be able to contribute to the Nation building mission. You are an integral part of this journey. The financial year 2022-2023 will have its challenges too.**

**We have done over 55000 youth as on date. We have actually touched these many youth directly through our change makers. We will be attempting 25000 youth this financial year. You can imagine the work and resources required to be able to manage these numbers. This too shall remain a spec in the landscape of our country but the fact that we are doing our bit is the satisfaction.**

**The calendar for this year seems packed with everything getting back to normalcy. We will have our Gokulashtami musical extravaganza in August 2022. The 30 centres across the country will train dropouts and give jobs to over 5000 youths. Our UNXT program for the final year youth in Government colleges will touch 20000 with your support and through the CSR support. CSR of companies are not a separate entity, It is you, the volunteer who makes it happen through your involvement.**

**Looking forward to another exciting year filled with purpose, fierce commitment to make it happen and the happiness of attempting and being a part of this wonderful journey in our life.**

**ADDRESS -**

## Student's testimonials

**Name - Mr. Raju**  
**Batch - 27th**  
**Present Job - Microsoft**

**Name - Mr. Ashok Kumar**  
**Batch - 114**  
**Unnati HO, Bangalore**  
**Job after Unnati - Qess Corp**  
**Qualification - M.Com**

### About my Family:

Currently there are two members in my family including me. My mother, works as a tailor

I had joined Unnati in the 114th batch and had undergone training in the business associate stream. During the training, I had undergone training for the core modules of my stream for my vocation. Along with my stream, I was also given training in basic computer skills as well as life skills and spoken English.

Prior to joining Unnati, I wasn't able to converse in English. I had also suffered from Social anxiety as well as stage fright due to which I was scared to speak with other people and take part in public events. I also lacked the skills to operate a computer system. I was very lazy.

However, after joining Unnati, I was able to speak fluently in English. I also learnt to use computers. The constant assembly sessions helped me a lot to overcome stage fear as well as to help me speak English fluently. The method of teaching at Unnati was very easy to understand.

I joined Qess Corp as a telecaller with a salary of RS 17000/-. I am extremely grateful to Unnati

**Name – Mr. Sai Kumar**  
**Batch – 114**  
**Unnati HO, Bangalore**  
**Job after Unnati –Allsec Business Solutions**  
**Qualification – B A**

**About my Family:**

There are 4 members in my family including me. My mother works in the daily labour sector. I have 2 sisters, who are both married.

I joined Unnati in the 114th batch and underwent training in the business associate stream. During the training, I underwent training for the core modules of my stream for my vocation. Along with my stream, I was also given training in basic computer skills as well as life skills and spoken English.

Prior to joining Unnati, I was studying for the competitive exams. It was when I was reading about the stock market that my friend had suggested that I should join the Center in Bangalore. I was a very adamant and aggressive person.

After joining Unnati, I had begun speaking in a more assertive tone. I also learnt requisite skills which include communication skills, life skills, stress management skills as well as money management.

I have joined Allsec Business Solutions in the field of BFSI with a salary of Rs 15500/-. I am extremely grateful to Unnati

### *Placement details*

Excited to announce that we've met the 100% yet again! Students of various centres have successfully completed their training and been placed in reputed organisations. Below are few.

We are extremely proud of our students and wish them the very best, always!
