Yash Singhal Brief Intro

- Hi, I'm Yash Singhal, a creator at heart. I'm a marketer and creative designer with over 3 years of experience in freelancing. I'm passionate about helping businesses and individuals reach their full potential through creative marketing and design solutions.
- If you're looking for a creative marketing and design partner who can help you take your business to the next level, I'd love to chat. Let's connect! I hope this helps!

Working Experience

I share my Full work Experience:

1

Video Editing

2

Freelancing

3

Digital Marketing

4

Web Designing

Video Editing Experience

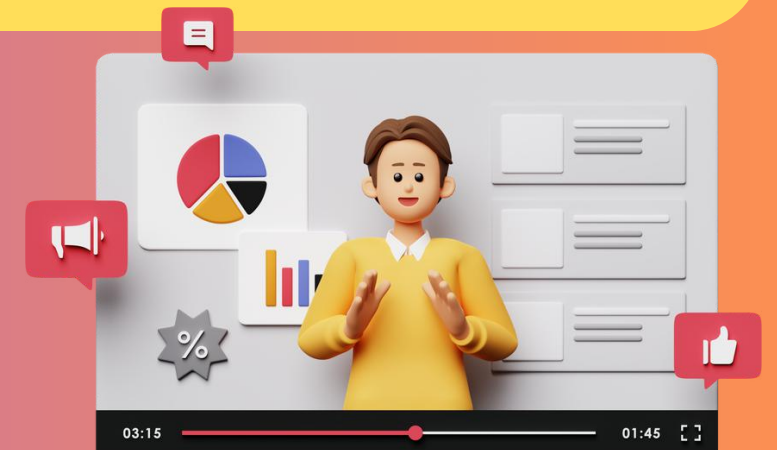

Concept Development

I can help you develop a creative concept for your video, based on your marketing goals. This includes brainstorming ideas, storyboarding, and writing scripts.

Shot selection

I can help you select the right footage for your video, based on your concept and marketing goals. This includes reviewing footage, making cuts, and adding transitions.

Visual effects

I can add visual effects to your video to make it more engaging and visually appealing. This includes adding text, titles, and graphics.

Audio editing

I can edit the audio in your video to make it sound clear and professional. This includes removing background noise, adjusting the volume, and adding music and sound effects.

Color correction

I can correct the color of your video to make it look its best. This includes adjusting the brightness, contrast, and saturation.

Export

I can export your video in the format you need, for online viewing, social media, or broadcast.

Ysetw_Creator Working Intro

Digital Marketing Experience

Product launches

I have created videos to launch new products, highlighting their features and benefits.

Brand awareness

I have created videos to raise awareness of brands, showcasing their products and services.

Lead generation

I have created videos to generate leads, providing information about products and services that can be used to qualify potential customers.

Sales

I have created videos to sell products and services, highlighting their benefits and how they can help customers solve their problems.

Customer education

I have created videos to educate customers about products and services, providing them with the information they need to make informed decisions.

If you are looking for a video editor who can help you achieve your marketing goals, I would be happy to discuss your project with you. Please contact me at yashsinghal177@gmail.com or +91 9639768723
