ABOUT US

Founded in 2015 by Mr. Dabhi Shailesh, Jay Plastic has emerged as a trusted leader in the plastic manufacturing industry. We specialize in producing high-quality ABS (Acrylonitrile Butadiene Styrene) granules and HIPS (High Impact Polystyrene) granules, catering to a wide range of industries including automotive, electronics, appliances, and general plastic product manufacturing.

With a strong commitment to quality, consistency, and customer satisfaction, Jay Plastic has built a reputation for reliability, innovation, and excellence. Our team of skilled professionals and engineers ensures that every batch of granules meets strict quality standards, providing our clients with superior products that support their manufacturing needs efficiently.

Our Manufacturing Strengths:

- State-of-the-art production facility equipped with advanced machinery
- Rigorous quality control for consistent granule uniformity and strength
- Sustainable manufacturing practices, including recycling and efficient resource utilization
- Scalable production capacity to accommodate both large-scale and customized orders
- Dedicated R&D team for innovation and process optimization
- Strong commitment to customer satisfaction and long-term partnerships
