Leeds Beckett University

Welcome Today we are celebrating the extraordinary character of our students and graduates, in particular the tenacity, the perseverance and resilience that they have demonstrated in completing their studies. Their determination has paid off and today they join a community of over 253,000 Leeds Beckett graduates in 166 different countries.

They are plugged in to a network of amazing talent and influence: creative, sporting and technical professionals; journalists and presenters; business, legal and healthcare practitioners; teachers and researchers; entrepreneurs and innovators; all making a positive and decisive difference to individuals, organisations and communities.

We thank everyone here today for their contribution to Leeds Beckett University. Now and in the future.

With my best wishes,

Professor Peter Slee Vice Chancellor,
Leeds Beckett University

MESSAGE FROM THE CHIEF EXECUTIVE, AMC UNIVERSITY COLLEGE

Good morning, and a very warm welcome to all our graduates, parents, families, and relatives to the 2025 Convocation Ceremony of Leeds Beckett University (LBU) in collaboration with AMC University College (AMC UC).

You are the most distinguished guests of the day, and it is our honour to celebrate this important milestone with you. I invite all my colleagues to join me in giving our graduates and their families a warm round of applause.

We are privileged to be joined today by our Guest of Honour, Dr. Cannye Chung, Director of Studies at AMC UC; Mr. Chin Chun How, Head of Academic & Quality Assurance; along with our esteemed colleagues, current students, alumni, and distinguished guests. Thank you for being here with us on this very special occasion.

Today, we proudly celebrate the achievement of 19 students who have successfully completed the prestigious Leeds Beckett University Bachelor's Degree Programme. Congratulations!

This accomplishment reflects years of hard work, late nights, sacrifices, and unwavering determination. Whether over three years, or for some, two, today marks a significant milestone in both your academic and personal journey. We are especially proud to present graduates receiving their scrolls in two disciplines – Bachelor of Arts (Honours) Accounting and Finance and Bachelor of Arts (Honours) Business and Management. Your success reflects not only individual dedication, but also our shared mission to develop future-ready professionals and strengthen human capital for the industry.

Ladies and gentlemen, since our official upgrade to a University College in 2023, AMC UC has made tremendous strides in academic growth and programme development. We have successfully launched seven homegrown Bachelor's Honours Degree programmes, including:

- Accounting
- Business Management
- Business Administration (with four specializations)
- Digital Marketing
- Hospitality Management
- Corporate Governance
- Information Technology
- Computer Science

And there's even more to celebrate today. In conjunction with AMC UC's 40th Anniversary, we're proud to offer our graduates an exclusive opportunity. As of today, you are eligible to enrol in our postgraduate programmes, which include:

- Master in Business Administration (MBA)
- Master in Accounting
- Master in Corporate Governance

As a special gesture, those who register today will receive a 20% alumni tuition fee discount, along with additional financial support through the Datuk Chu Kok Keng Scholarship Fund. This is our way of helping you take the next step in your academic and professional journey – with confidence and support. Whether you're looking to deepen your expertise, advance your career, or explore new opportunities, our postgraduate programmes are designed to meet you where you are and take you where you want to go.

To all our graduates, we warmly encourage you to consider continuing your studies with us. Whatever your goals, we're here to walk that path with you. For those of you who have already charted your path forward, we wish you every success. But wherever your journey takes you, always remember: you are now part of the AMC UC alumni family. Stay connected. Join our alumni network. Build lifelong bonds. And carry the AMC UC name with pride.

In conclusion, congratulations once again to each and every one of you. You've worked hard and you truly deserve this celebration. Let's give our graduates one final, thunderous round of applause.

Good luck – and all the very best for your future!

Mr. Bryan Lo
Chief Executive,
AMC University College
