Letter from the **Publisher**

I started this journey back in 2010 not quite sure what it would look like or how it would pan out.

All I knew is that God had spoken and I had to obey.

The vision was CLEAR.

"Now that you've educated and trained MY PROPHETS, take it a step further and AFFIRM them and/or even ORDAIN and AFFIRM some as well."

The other thing I knew was, THIS would look and feel different to those who've never seen it before.

Here again, the VISION regarding the GICMP garments for prophets during ceremony were clearly given.

They were to be mantled in a : Chimere, Stole, Prayer Shawl, Clergy Cord/Rope. (See page)

This wasn't about Catholicism or Pentecostalism.

This wasn't about "trying" to be or please anyone or any organization.

This was and still is about OBEYING GOD and authentically embracing what He's calling me to build, whether or not it looks familiar to anyone else.

After all those who are SENT, set new standards by breaking old barriers and creating new paradigms.

Now 12 years after I affirmed my first prophet through GICMP and 10 years after hosting the first Prophetic Convocation, here we are.

Here you are!

Remember, if you've taken a course, a mini-course or gone all the way and graduated from any of the GICMP Prophetic or Apostolic Programs, Prophetic Convocation was started and created for YOU!

It's about making sure you have a place to call home and to come get recharged, refueled and reset for your next chapter.

It's about creating an environment of learning and worship where you can be free to be EXACTLY who God has called you to be.

It's about helping you accomplish the mandate that's on your life, while continuing to educate, enlighten and empower God's prophetic and apostolic mouthpieces year after year, without apology.

For this, I'm THANKFUL, GRATEFUL and HUMBLED.

I'm HONORED to serve you and those who will come after you.

I hope you are just as honored as you come into full knowledge of what it means to Pursue Your Prophetic Legacy!

In His Love,

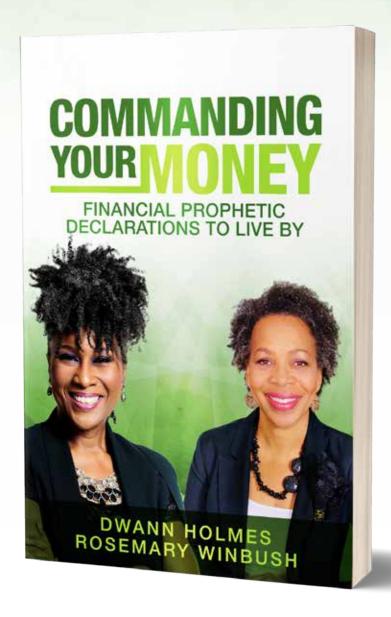

Apostle Dwann Holmes

hen y a pro of the

hen you are raising up a prophetic generation of those who pray and hear from God

regularly you can't help but move in the right direction and obey. Even as a global company of prophets, I understand God is speaking ...

Thus, the rules of prophetic protocol to make sure in all of our getting, we get an understanding. Allow these prophetic words to confirm what you will see and hear throughout Prophetic Convocation 2022 and beyond.

Apostle Dwann

Check out this DREAM that one of the GPLJAX covenant members had about Prophet Andrea. It gave me confirmation as I was moving forth making decisions. Next you will hear about other dreams had by a few more that speak directly to what God wants to to do at Prophetic Convocation 2022

Mon, Aug 1, 1:42 PM

Hey there - So you were in this building couldn't make out where. You came thru these doors ,you were in these fine fabrics priestly type in all white but the center had a lot of colors. You seemed very nervous and I remember Apostle promptly dressing you and she put a belt around you holding all the pieces together and told you don't be nervous go forth.

THERE WILL BE A SITTING AND A SETTLING

s we prepare for convocation know that there will be a Sitting and a Settling. God himself will come and sit in the midst of us. So prepare yourself. Make preparation for His Presence.

When you come,

- Bring both your ideas and your insecurities
- Your dreams and your drama and trauma
- Bring your hopes and any health issues
- Bring your vision and your vices
- Bring your financial outlook and your fears
- Bring your plan for the new year and lay it at my feet, at the altar.

Bring it " ALL" because I Am sitting and I Am Setting.

I am going to sit on your plans.

Though you are responsible to devise the plan it is My winds that will cut the path to fulfill them. My glory will shine on your plan, illuminate the direction, and order your steps in the direction of the next 10 years.

Shifts are coming in your midst, in your

There will be a settling. I Am settling lingering issues, problems, and disputes. I am giving authority to your name in your region and in your areas of influence.

Assess your areas of influence begin to write them down and lay them before Me. I will begin to blow your name in the wind of both your current and future spheres of influence pushing you further into my will for this next decade. You are being rooted in new brackets and new spheres. New roots are forming for you and I am watering them to settle you and give you a firm grip there.

Rivers and streams are being turned in your direction to maintain and sustain you there. For your shame and disappointments, you shall receive the double. For this is the acceptable year of the Lord where My favor will be extending in a great pour.

For I will be in the midst of you to help you early says the Lord.

Because I Am sitting and I AM settling.

Congratulations

I am thankful for your 10 years of service. May God continue to bless the work of your hands.

Congratulations on your 10 year convocation! Countless lives; including mine, have been impacted and transformed due to your continued "YES"!

Thank you for your labor of love openly and behind the scenes! Many Blessings and continued success,

PROPHETIC WORD OF THE LORD

GICMP PROPHET-IN-TRAINING

ANGIE ALEXANDER

I had these visions and words during my prayer time for Prophetic Convocation 2022.

Prophetic Vision from 9-18-2022 I saw the prophets being affirmed standing on the front row at Prophetic Convocation. Inside of each prophet burned a flame of fire.

s prophetic worship went up, the throne of Heaven opened and it was like an open channel between Heaven and earth. The prophets being affirmed and Prophet Renee were in front of the throne. In front of them were the seven spirits of the Lord as flames before the altar. We were all on one accord and became a temple like in Ezekiel 47. The spirit of the Lord flowed from the Prophetic Convocation like streams into Jacksonville. The Lord said that Jacksonville is a womb that is about to give birth. The prayers going forth now is preparing for the birth and helping the barrier to be broken so that His move and His agenda can come forth. I specifically saw Prophet Linda, Prophet Aqua and Prophet Carlene. I heard God say, "They are going through a fire, a test as they go up in rank for My Glory. They are brands plucked from the fire, and now they will be My flames of fire to burn bright with My Glory." I tried to capture what I saw in the attached picture, along with the scriptures that I heard. Prophetic Word 9-20-2022 After the prayer call this morning, the Lord led me on a prayer walk along the Riverwalk before I went into work. The wind was blowing strongly and stirring the waters. He said, "We are the ground troops. We have prepared the way for My move and agenda." We have prepared the way for the angelic host, angelic armies to come in. There is something He is trying to revive, usher in and birth in this region. There are chains He wants to break: spirit of murder, spirit of insanity, spirit of oppression, and the attacks against children: being murdered, being assaulted or abused, drowning, their light leaving before their time.

These are the scriptures that were given: Isaiah 40:2-4, Isaiah 43:19, & Isaiah 62:6-8. We are preparing the way and securing the territory.

THE PROPHET'S **GARMENTS**

The VISION regarding the GICMP garments for prophets during prophetic convocation were clearly given. They were to be mantled in a:

Chimere • Stole • Prayer Shawl • Clergy Cord/Rope

This wasn't about Catholicism or Pentecostalism. This wasn't about "trying" to be or please anyone or any organization. This was and still is about OBEYING GOD and authentically embracing what He's calling me to build, whether or not it looks familiar to anyone else.

The Chimere:

As an item of academic dress, a slightly modified version of the chimere is, for instance, prescribed at the University of Oxford for doctors in Convocation Dress — and as such it is referred to as the Convocation Habit. The differences are that the chimere is worn open and the Convocation Habit is worn closed with two large buttons. (Wikipedia). It's an upper garment worn in civil life by all classes of people both in England and abroad. It has therefore a common origin with certain items of academic dress. A part of the formal dress of the Bishop that represents the THE PROPHET'S Mantle.

The Stole:

Stole (vestment), a Christian lituraical garment

· Academic stole, a garment worn at formal academic events such as graduation

The Prayer Shawl

- Tallit, in Judaism · A mantilla in Roman
- A prayer cloth found among some Pentecostal Christians.

Catholic Christianity.

Clergy Cord/Rope

- The ministry cord with the cross reminds us of our assignment and calling.
- It helps us remember that we are here to SERVE the sake of Christ and THE KINGDOM.
- It helps us remember the significance of WHOSE we are.

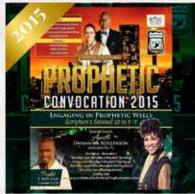

IC CONVOCATION G PROPHETIC LEGACY

Explosive in the Ringdom

By Pastor Rosemary Winbush

What is our gift/assignment producing in the Kingdom? If it takes us more than 30 seconds to give an answer, uncertainty may cloud clarity. God is calling us to be Explosive in the Kingdom. When we passionately pursuit Christ, there should be something explosive happening in the Kingdom. It is not an option to ignore the opportunity to demonstrate the power of God, but it is a mandate to forge forward to manifest His divine plan already established. The word explosion means the act or instance of bursting forth with sudden violence, power, or noise from internal energy. Being Explosive in the Kingdom come from the inner most sacred part of our being...the indwelling of Holy Spirit. The explosion from within should cause some recognizable damage on that which anti-Christ outside of us. Here's three (3) things we must possess to sustain our explosive abilities no matter what's going on around us.

Flawless Faith: Our relationship with God must take its rightful place as our most valuable asset in life. Our obedience to God's Word must take precedence over all other voices and influences around us. Having flawless faith means even if doubt comes, the Word wins because it is always applied. The Word becomes the champion of our faith. What we see and what God says may not happen simultaneously, but if we obey the Word, we will eat the fruit of the promise and demonstrate to others how to model Kingdom faith. Surrendering to the Will of God demonstrates the maturity of our faith in God and brands our lifestyle of faith. If we want Flawless Faith, every day we must plan on talking ourselves into a faith mode. This means when an opportunity to exercise our faith comes along, we don't talk ourselves out of having faith, but we talk ourselves into having great faith by declaring the Word of God. As we begin to define and sharpen our faith in God, it will reflect the Word. (Psalm 1:3 - He shall be like a tree planted by the rivers of water, that brings forth its fruit in its season, whose leaf also shall not wither; and whatever he does shall prosper.)

Effective Execution: God's purpose for us cannot take full effect until we come into agreement with Him and out of agreement with the enemy. Desiring what God wants stirs up something in us that causes us to act on what He desires. For us to effectively execute the Will of God, we must invest in and master vision, preparedness, leadership, and discipleship. (Colossians 1:29 - To this end I also labor, striving according to His working which works in me mightily.)

- Vision What you can't see you can't manifest; plan to see the vision under the power of Holy Spirit; don't let voices talk you out of pursuing the vision.
- **Preparedness** Plan and strategize by putting in the time required to produce excellence; being prepared attracts opportunities and being unprepared pushes opportunities out of our path.
- Leadership Learn the art of onboarding, reproducing, and retaining those called to walk with us; let discernment help us determine who's in and who's out without hesitation; be an effective leader knowing God will judge us stricter.
- **Discipleship** Understand jealousy from the teacher will kill the spirit of the learner; be willing to equip, demonstrate, and release those we disciple to the work of Jesus Christ.

Ridicules Results: In Acts 1:15 and Acts 2:41, the church went from 120 people to 3,120. This is the power of Holy Spirit working in us. It kept going in Acts 2:47 to add to the number DAILY! Walking in supernational results requires us to stay in God's face (period). This will qualify us and give us the humility to fulfill our calling. We, by nature, are weak, but it is the Father that does the work in us. Without the power of the Spirit, we can do nothing meaningful for God. When we walk in the explosive power of God, ridicules results will generate raving reviews for Jesus Christ. Nobody can explain it...it had to have come from God; and this kind of ridicules results happen over and over again to those who are Explosive in the Kingdom.

God wants us to thrive in these times and take advantage of being explosive for Him. He is the One who extends the power and grace to us to get it done with Him. Change will accompany us as we pursue being *Explosive in the Kingdom*.

(Ephesians 3:20 - Now to Him who is able to do exceedingly abundantly above all that we ask or think, according to the power that works in us.)

I am an entrepreneur at heart and I can remember making up concuctions and calling it my creation, even before going to school. I got it from my father who I never saw work on a public job one day of his life. He took care of us by creating a business of his own. With just one lawn mower and a string of clients he had his own lawn business.

I started my own cleaning company and later was able to hire employees, invested in real-estate and after trial and error got my first property. And while I did a few other things along the way I found my fashion was in Life Insurance.

It enabled me to teach others how to provide extra income for their family both now and later. Many people really don't understand the power of life insurance and how it can fulfill dreams and make them come true for parents, kids, husbands and wife etc.
