REFUNDS/TRANSFERS FOR CAMPS AND WORKSHOPS

- Camp cancellations may be done online through your house account. All cancellations/transfers/refunds/credits require 14 days advance notice of the camp you are cancelling. There is a \$25 cancellation fee applied to all refunds.
- If you cancel your camp within 13 days of the start of camp, you will NOT receive money back, but the system will allow you to drop out.
- Transfers may not be done online. If you wish to transfer from one camp to another, you can avoid the cancellation fee by contacting the registration desk (703-222-4664) to process the change. Transfers require 14 days' advance notice for the camp from which you are withdrawing. Transfers cannot be made within 13 days of the start of a camp. If your camp starts in less than 2 weeks and you are on a waitlist for another camp during the same timeframe, you may be removed from the waitlist.
- There are no refunds or credits for missed days due to work or vacation schedules, sick days or other non-emergency reasons.
- Within 14 days of the start of a camp session, refunds are only approved for medical emergencies with a doctor's note if it is received at camps@fairfaxcounty.gov before the camp ends. Requests received after the camp session ends will not be granted.

Did You Know

- Camp Forms are required for each camper to ensure their safety. This includes information on health, emergency contacts, medications, accommodations, and waivers (when needed). Fairfax County Park Authority is introducing the use of electronic forms. After registration, you will receive an email invitation from ePACT to complete the camp forms. More information on ePACT can be found on the camps website at www.fairfaxcounty.gov/parks/camps.
- Some camps are licensed by the Va. Dept. of Social Services that require additional paperwork such as immunization record and proof of child's identity. Visit www.fairfaxcounty.gov/parks/camps for more information.
- There is an additional \$15 fee for Non-Fairfax County residents, per camp.
- Camp length and times vary. Check the number of days and hours for each camp.
- Some outdoor camps may be cancelled on rainy days or when substantial rain is expected. On code red days, campers will engage in outdoor activities during the day while taking in plenty of water and several shade breaks. Many of our camps are held outdoors. Please check with the site for more information.
- You will receive an email a few days before the start of camp with more camp-specific information. Half-day campers should bring a snack and drink. Full-day campers should bring a snack, drink and lunch. If your child's camp includes swim time, also bring a swimsuit and towel daily. ALL campers should wear weather-appropriate, comfortable play clothes and have sunscreen applied before leaving home.
- Host-a-Coach Program: we are always looking for families who would like to host an international soccer coach for a week during the summer. In turn for hosting, families earn a free week of camp. For application and details, visit www.fairfaxcounty.gov/parks/camps.
- It is important to register early. Camps that do not meet minimum requirements for enrollment may be canceled. This decision is made two weeks in advance.
- Camps may be added after Parktakes was printed. Check camp website for most current listings.
- The \$8 early registration class discount does not apply to Camp programs or Extended Care.
- Some camps are offered when FCPS schools are in session as FCPA customers come from other jurisdictions, preschool age or homeschool groups. Check the dates carefully before registering to ensure there are no conflicts. In 2026, the FCPS last day of school is June 17; the first day of school is August 24.
