# WELCOME TO SECO2025

THE EDUCATION DESTINATION™

## A MESSAGE FROM DR. HORACE DEAL PRESIDENT, SECO INTERNATIONAL

### Welcome to Atlanta for SECO 2025!

We are thrilled to have you join us at this year's SECO Congress—THE premier event created by the profession, for the profession. This incredible gathering is made possible by the dedication of 72 volunteers and staff who share a commitment to advancing optometry. SECO is more than just a conference—it's a chance to engage in thought-provoking education, explore cutting-edge industry innovations, and take advantage of dynamic networking opportunities designed to strengthen the eye care community and elevate your career.

This year, we've expanded our program to include even more workshops and hands-on learning opportunities. Highlights include the all-new **Laser Certification Program** and the return of the popular **Surgical & Aesthetics Skills Education Pavilion**, presented in collaboration with the American Society of Optometric Surgeons. We are also proud to once again offer JCAHPO technician credit hours. Additionally, our **MedPRO360 Business Program** will feature several courses focused on artificial intelligence (AI), exploring how to implement AI in your practice to enhance patient care and streamline daily tasks. These sessions reflect SECO's ongoing commitment to providing practical, impactful education that keeps you at the forefront of the profession.

Don't miss Optometry's Marketplace, our vibrant exhibit hall! Be sure to explore the exhibit hall both days to connect with industry leaders and stay informed about the latest developments in optometry. This year, it's packed with exciting features, including:

- **Over 900 brands showcasing the latest innovations.**
- **Poster Pavilion:** Explore cutting-edge research and ideas.
- **Young Professionals Forum:** Connect and engage with peers.
- **The View and Frame Gallery:** Discover the latest in eyewear fashion.
- **NAO Lounge and Allied Healthcare Professionals Theater:** Offering tailored sessions for allied healthcare professionals, as well as other fun activities and refreshments.

We're especially excited about our completely revamped student program! These engaging opportunities are designed to help students learn, connect, and have fun while preparing for their future in optometry. Highlights include:

- **Free NBEO Part I Board Review:** A valuable resource to help students prepare for exams.
- **SECO Showdown: Optometry Edition:** A fun and competitive gameshow.
- **SECO Professional Opportunities Recruiting Fair:** Explore all that Optometry has to offer
- **Futures in Focus VIP Reception:** An exclusive opportunity to network and learn.

As always, **SECO University** is your year-round hub for continued learning. Explore our extensive library of resources, including enduring education, podcasts, live webinars, and more. Plus, anyone with a Congress-type registration package receives a one-year subscription to SECO University for free! Visit [secouniversity.com](https://secouniversity.com) to dive in and continue your professional development long after the Congress ends.

On behalf of SECO International, thank you for your participation and enthusiasm. Your engagement is what makes this event so special and impactful. Whether this is your first SECO or you're a longtime attendee, we are grateful to have you as part of our community.

We hope you have an incredible experience at SECO 2025, and we look forward to seeing you in sessions, in the exhibit hall, and at our many networking events. Together, let's make this a conference to remember!

Sincerely,

Horace Deal  
President  
SECO International

# SECO 2025 AWARD WINNERS

## **PRESIDENT'S AWARD**

### **Dr. Jonathan Shrewsbury**

Dr. Jonathan Shrewsbury is a distinguished optometrist dedicated to eye care and professional leadership. He studied at the University of Kentucky and Western Kentucky University before earning his Doctor of Optometry degree from the Southern College of Optometry in 1981. He served as a Trustee for the Kentucky Optometric Association and later as SECO International President from 2009 to 2010, advocating for education, leadership, and quality eye care.

## **PAUL C. AJAMIAN, OD DISTINGUISHED SERVICE AWARD**

### **Dr. Paige Bush**

Dr. Paige Bush has 28+ years of experience in eye care. She earned her B.S. from Auburn University and her O.D. from the Southern College of Optometry in 1997. She completed an ocular disease residency at Omni Eye Services of Atlanta. A leader in optometric education, she chairs Optometric Education for SECO. Dr. Bush practices at Clarkson Eyecare in Conyers, GA. Outside work, she enjoys cooking, traveling, tennis, hiking, and college football.

## **EXECUTIVE DIRECTOR OF THE YEAR**

### **Dr. Robert Janot**

Dr. Robert C. Janot has dedicated 40+ years to advancing eye care, advocacy, and education. A Louisiana native, he earned his O.D. from the University of Houston in 1983 and holds Diplomate status with the American Board of Optometry. A past OAL President and SECO Trustee, he now serves as OAL Executive Director. Honored with multiple awards, he continues to practice in Sulphur, LA, while championing the future of optometry through leadership and mentorship.

## **ASSOCIATE MEMBER AWARD**

### **Armed Forces Optometric Society (AFOS)**

The Armed Forces Optometric Society (AFOS) supports optometrists in the U.S. military, VA, Public Health Service, and federal services. AFOS enhances eye care for service members, veterans, and families through education, advocacy, and professional development. By bridging military and civilian optometry, AFOS ensures federal service optometrists stay at the forefront of advancements while fostering camaraderie and public service commitment.

### **OPTOMETRIST OF THE SOUTH**

## **Dr. Mark Roy, III**

Dr. Mark Roy III, a second-generation optometrist, has dedicated his career to advocacy and patient care in Thibodaux, Louisiana. He earned his O.D. from the Southern College of Optometry in 2002 and practices at Thibodaux Vision Center. A past OAL President and SECO Trustee, he played a key role in protecting optometry in Louisiana. In 2024, he received the James D. Sandefur Distinguished Service Award for his leadership and contributions to the profession.

### **YOUNG OPTOMETRIST OF THE SOUTH**

## **Dr. Emily Eisenhower-Baxter**

Dr. Emily Eisenhower-Baxter is a leader in optometry, patient care, and advocacy. A 2017 SCO graduate, she launched a neuro-rehabilitation clinic at Vision Source of Newport in 2019. She was the youngest-ever President of the Tennessee Association of Optometric Physicians and serves on AOA committees. Honored as 2025 Young Optometrist of the South, she continues to advance optometry through leadership, education, and advocacy.

### **OPTICIAN OF THE SOUTH**

## **Russ Tolar**

H. Russell Tolar, LDO, ABOC, FNAO, is a second-generation optician with over 40 years of experience. A 1978 graduate of Durham Technical Community College, he is certified by the American Board of Opticianry and has led organizations like the OAA and the North Carolina State Board of Opticians. Inducted into the Optician's Hall of Fame in 2010, he continues to shape the profession through education, accreditation, and advocacy.

### **PARAOPTOMETRIC OF THE SOUTH**

## **Amie Robinson**

Amie Robinson, ABOC, CPOA, CPO, is an optical manager, educator, and paraoptometric leader with 33+ years in the industry. As Optical Manager at Spring Hill Eyecare since 2016, she excels in staff development and patient care. She serves as President of the Tennessee Paraoptometric Association. Honored as the 2024 Tennessee Paraoptometric of the Year, her leadership roles within the Tennessee Paraoptometric Association, the AOA's Commission on Paraoptometric Certification, and the Paraoptometric Resource Committee demonstrate her drive to advance the profession.

These awardees embody the values of excellence, leadership, and service in eye care. SECO International congratulates them for their remarkable achievements and contributions to the profession.

The SECO 2025 Symposium Series offers eye care professionals the opportunity to connect with colleagues and engage with industry leaders while discussing advances in ophthalmic healthcare—all while enjoying a complimentary meal. These sessions are scheduled without conflicting educational courses for the designated audience and are available at no cost to registered attendees.

# LASER PROCEDURES CERTIFICATION PROGRAM

## Advance Your Skills with Hands-On Training in partnership with NSU's College of Optometry

SECO has partnered with Northeastern State University's Oklahoma College of Optometry, a leader in advanced optometry techniques with a 16-hr. Laser Skills Certificate Program.

Attendees can enhance their expertise in the latest ophthalmic procedures with a combination of in-depth didactic lectures and hands-on training.

**SECO2025**

**SATURDAY NIGHT**  
**PRESIDENT'S**  
**CELEBRATION**

**FEATURING**

**KENT GONSOULIN     PINE LEAF BOYS**

Celebrate Mardi Gras-style at SECO 2025's Saturday Night President's Celebration! Enjoy the comedic genius of Cajun comedian Kent Gonsoulin, followed by a live performance from Louisiana's world-renowned Pine Leaf Boys.

**SATURDAY, MARCH 1<sup>ST</sup>**

9:00 PM - 12:00 AM (DOORS OPEN 8:30 PM)  
TABERNACLE

PLEASE STOP BY THE SECO EXHIBIT HALL INFORMATION BOOTH TO PICK UP YOUR ENTRY WRISTBAND AND COMPLIMENTARY DRINK TICKETS.

**Friday, February 28**

9:30 AM - 5:00 PM

**Saturday, March 1**

9:30 AM - 4:00 PM

*\*You must have your conference badge with you to be scanned for verification.*

# FUTURES IN FOCUS

## SECO STUDENT PROGRAM

### Blended NBEO Part 1 Board Review

This rapid-fire prep course is designed to help optometry students assess their strengths and weaknesses as they prepare for NBEO Part I. Focusing on anatomy, physiology, pathology, and pharmacology, the program includes 10 hours of review, featuring 3 hours of concentrated content and 2 hours of study strategy sessions, taking place on Saturday. Students also have access to an additional 5 hours of content on SECO University.

Led by Caroline Pate, OD, SECO Education Committee member, this program is designed for 1st, 2nd, and 3rd-year students looking to sharpen their knowledge and boost their confidence before the national board exam.

### NEW! SECO PROFESSIONAL OPPORTUNITIES RECRUITING FAIR

**\*PARTICIPATION IN THIS EVENT IS REQUIRED FOR TRAVEL GRANT RECIPIENTS.**

This event connects attendees with state association representatives, industry leaders, and potential employers to explore career paths in private practice, military optometry, corporate optometry, industry, and academia.

Saturday, March 1, 8:00 AM – 10:00 AM  
Registration Hall A

### NEW! SECO SHOWDOWN: OPTOMETRY EDITION

Watch as ten optometry students go head-to-head in a Family Feud-style competition, hosted by Dr. Paul C. Ajamian, for a chance to win \$2,500. Don't miss this exciting battle of knowledge, teamwork, and quick thinking!

Saturday, March 1, 3:00 PM – 4:00 PM  
Young Professionals Forum Booth, Optometry's Marketplace™

### NEW! FUTURES IN FOCUS: MEET THE INDUSTRY

**\*PARTICIPATION IN THIS EVENT IS REQUIRED FOR TRAVEL GRANT RECIPIENTS.**

Join us in recognizing the generous sponsors of the Futures in Focus program while connecting with industry leaders and fellow students to celebrate the future of optometry. Student Travel Grants will be available for pickup during the event, and attendance is required for recipients.

Saturday, March 1, 4:00 PM – 5:00 PM  
Registration Hall A

### FUTURES IN FOCUS: VIP NETWORKING EVENT

Kick off the President's Celebration with an exclusive Happy Hour at the Tabernacle, where students and residents can connect and network. **Show your school spirit by entering the SECO 2025 Student School Spirit Contest—wear your best Mardi Gras-themed costume to represent your school with pride!**

Saturday, March 1, 7:30 PM – 8:30 PM  
Tabernacle Atlanta

### Travel Grants

If you have been awarded a Student Travel Grant from SECO International, you must attend both the SECO Professional Opportunities Recruiting Fair and Futures in Focus: Meet the Industry to receive your grant. Grants will be distributed in person during these events.

### Surgical Skills Education Pavilion

The SECO Surgical Skills Education Pavilion, developed in partnership with the American Society of Optometric Surgeons, offers a unique opportunity for hands-on learning in Optometry's Marketplace™ Exhibit Hall.

### You Can Help Optometry Students and Young Professionals Experience SECO!

SECO International is excited to announce the relaunch of SECO's Student and Young Professionals Program, "Futures in Focus", designed specifically for Optometry students and emerging professionals. This initiative aims to provide invaluable support and resources to the next generation of leaders in our field, and we are reaching out to industry leaders like you to join us in this important endeavor.

# OPTOMETRY'S MARKETPLACE™ EXHIBIT HALL

The Optometry's Marketplace™ Exhibit Hall at SECO 2025 is your gateway to the latest advancements, hands-on experiences, and valuable networking opportunities in eye care. Explore cutting-edge technology, discover new products, attend insightful presentations, and engage with industry leaders who are shaping the future of optometry. Whether you're looking to enhance your clinical skills, gain business insights, or explore career opportunities, the Exhibit Hall offers something for every member of the eye care team.

## EXHIBIT HALL HOURS

Friday, February 28  
9:30AM - 5:00PM

Saturday, March 1  
9:30AM - 4:00PM

## EXPERIENCE ALL THAT OPTOMETRY'S MARKETPLACE™ EXHIBIT HALL HAS TO OFFER

- ✓ Experience the latest innovations in clinical care, diagnostics, and practice management.
- ✓ Network with industry leaders, vendors, and fellow professionals to exchange ideas and discover new opportunities.
- ✓ Participate in hands-on learning experiences to refine your skills and stay ahead in an evolving profession.
- ✓ Access exclusive education sessions and panel discussions that provide key insights into the future of eye care.

Developed in partnership with the American Society of Optometric Surgeons, this hands-on training pavilion allows attendees to practice Botox administration, suturing, laser treatments, and cryosurgery. Whether you're looking to learn new techniques or refine existing skills, this interactive space provides invaluable guidance from leading experts.

Connect with peers, explore educational opportunities and events to discover benefits that can transform your career all in the National Academy of Opticianry (NAO) Lounge in Optometry's Marketplace. Join us each day the hall is open for free food and drink events!

Step into The View, SECO International's premier luxury eyewear pavilion, showcasing some of the world's most innovative, fashionable, and exclusive eyewear lines. This carefully curated space highlights the latest in high-end design, craftsmanship, and cutting-edge materials, offering a unique opportunity to explore trending styles and premium collections from top brands and independent designers.

Discover the latest trends in eyewear at The Frame Gallery, where style, innovation, and functionality come together. Whether you're searching for the next must-have styles or looking to expand your product offerings, The Frame Gallery is the perfect place to explore what's new in eyewear.

Designed specifically for opticians, technicians, and paraoptometric professionals, the Allied Healthcare Professionals EssilorLuxottica Eyes on Innovation Theater offers a dynamic space to explore the latest advancements in lens technology, optical dispensing, and patient care. Featuring live presentations, product demonstrations, and expert-led discussions, this theater provides valuable education on the innovations shaping the future of the optical industry. Join us each day the hall is open for free food and drink events!

You can help by supporting the Foundation! You are exclusively invited to attend the Sale for Sight benefitting the Foundation! This is a great opportunity to shop across many EssilorLuxottica brands at SECO. Shop while supplies last! Limit 10 frames per purchase.

# SECO CERTIFICATE PROGRAM

**Accumulate focused course hours in a specific subject and be awarded a certificate to commitment to top-quality care!**

SECO 2025's Certificate Programs provide eye care professionals with the opportunity to gain focused expertise in key areas of optometry. By completing five hours of coursework in a specialized subject, participants will earn a high-quality, printable certificate, demonstrating their commitment to continuous learning and excellence in patient care.

Patients appreciate knowing their providers stay up to date with the latest products, procedures, and advancements in the field. These certificates serve as a visible testament to your dedication, making them a great addition to your practice.

# AESTHETICS, LASERS AND SURGICAL PROCEDURES AT SECO 2025

SECO 2025 is delighted to present a lineup of aesthetics, lasers, and surgical education opportunities designed to enable eye care professionals to hone their skills to stay up-to-date on current and evolving procedures. Whether you're looking to master new techniques or refine your existing skills, SECO is your premier destination for cutting-edge continuing education and professional growth.

**SURGICAL & AESTHETICS  
SKILLS EDUCATION  
PAVILION**

Explore SECO's Surgical and Aesthetics Skills Education Pavilion in Optometry's Marketplace™ Exhibit Hall and discover how advanced procedures can be integrated into your practice. This pavilion offers hands-on experiences and expert-led presentations on topics such as laser procedures, cryosurgery, Botox, anesthesia, suturing, and lateral canthotomy and cantholysis. Industry experts will share insights on how expanded scopes of practice may include these advanced skills, providing patients with broader access to care.

#### **NEW! Laser Procedures Certification Program**

SECO has partnered with Northeastern State University's Oklahoma College of Optometry, a leader in advanced optometry. Attendees can enhance their expertise in the latest ophthalmic procedures with in-depth didactic lectures and hands-on training.

*The cost for this program is \$1,000 per person.*

#### **Aesthetic, Injectables, and other Workshops**

SECO 2025 provides additional workshops designed to broaden your expertise. These targeted sessions focus on critical areas like lasers, injectables, aesthetics, and lid/corneal procedures.

## NEW WEBINAR SERIES

# SECO SOCIAL

*Bourbon & Beyond: SECO Unfiltered*

**COMING SOON**

Join Dr. Horace Deal and Dr. Walt Mayo for our first of a new series of webinars. Join us for an evening out of the ordinary as we savor bourbon and discuss everything but eye care. Expect insights from bourbon experts, fun facts, and maybe a few tips for selecting the perfect pour.

Coming soon—dates to be announced! Want to be the first to know? Scan the QR code or visit [attendseco.com/secosocial](https://attendseco.com/secosocial) to sign up for updates!

# LET'S INSPIRE THE NEXT GENERATION OF ODS

As we all can attest, being an optometrist is incredibly rewarding. So let's spread the word - because, as our population ages and with myopia on the rise, we need more students to consider optometry as a career.

**Eye Opener Sessions** connects college students who are curious about optometry with practicing eye doctors. It's a student-engagement program that's easy and low-commitment and, best of all, it exposes more up and comers to this fulfilling profession.

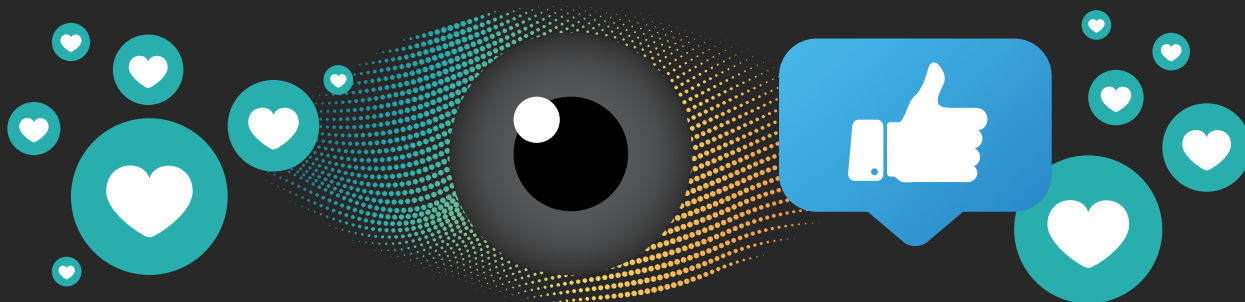

**[eyeopnersessions.com](https://eyeopnersessions.com)**

# SECO 2026

THE EDUCATION DESTINATION™

FEBRUARY 25 - MARCH 1, 2026

ATLANTA, GA

BY THE PROFESSION, FOR THE PROFESSION.

For over a century, SECO has been deeply committed to driving the eye care profession forward. That's more than 100 years of delivering top-notch education and hands-on training; opportunities to forge meaningful connections and impactful partnerships; and access to the latest research, innovations, and techniques in the eye care profession. A mission-driven, non-profit organization that continually reinvests into programs to further the eye care community and provide an event rooted in authenticity — an event built by you, for you. It's just one reason SECO stands out in a landscape full of for-profit conferences and serves as the premier annual gathering for thousands of eyecare experts, industry specialists, and allied healthcare professionals dedicated to advancing the field.

For 100 years, you've been our greatest investment — that vision will never change.

**SEE YOU AT SECO 2026**
