# GGH Finishes

At Glass & Glazing Hardware, we believe the finish is more than just surface-level—it's the final touch that defines the look, feel, and performance of your space. That's why GGH offers a curated selection of premium finishes across our product lines, designed to complement a wide range of architectural styles and applications.

**This color tower was created for one-time distribution only. For the most up-to-date selection of available finishes, please visit our website at [ggh-usa.com](http://ggh-usa.com).**

The following finishes were available at the time this catalog was printed:

**Chrome, Brushed Nickel, Matte Black, Satin Brass, Polished Nickel, Brushed Bronze, Gun Metal, Oil Rubbed Bronze, White, Antique Brass, Polish Brass, Brushed Stainless Steel, Polished Stainless Steel, Satin Anodized, and Custom Finishes.**
