## OUR VISITORS

The London Colney Football Club was formed in 1907, playing at Whitehorse Lane until moving to its present ground at Cotlandswick, London Colney in 1976. The Club played in the Mid Herts League until the mid-fifties, when it joined the Herts County League. The Club has enjoyed many successes over the years with the 1st team winning the Premier

**Division League 3 times between 1986 and 1990, and the reserves winning the Reserve Division 4 times between 1987 and 1992.**

In 1992 the Club moved to the South Midlands League where in the first season the 1st Team became runners up in the Senior Division and the Reserves won the Division 1 Reserves section. Further successes came between 1993 and 1998 with the 1st Team winning The O, Brian Butcher Challenge Cup, The Herts Charity Shield, The Herts Centenary Trophy, The Premier Division Cup, and gaining promotion to the Premier Division. The Reserves also did well during this time and in 1998 won The Reserves Challenge Trophy.

In the 1998/99 season, the South Midlands League amalgamated with the Spartan League to form the Minerva Spartan South Midlands League and London Colney finished 3rd in the Premier Division. The Blue Boys had the title within their grasp after a brilliant 11 match winning streak between October and December and they remained in the top two throughout the final weeks of the season only to be pipped at the post on the final day of the season by Barkingside and Potters Bar Town. This disappointment was eased a few days later when they beat Hoddesdon Town 1-0 to win the Herts Charity Shield. The Reserves had a brilliant season winning the Reserve League and the reserved cup comfortably. This was also the year that The Spartan South Midlands League Management committee made first Team Manager Mick Wright Manager of the Year for the 1998/99 season.

2007/2008 London Colney FC Centenary Year. Saw the club relegated from the Premier League for the first time we now start the next century of the club trying to get back to Premier SSMFL Premier status.

## Our visitors continued

2008/2009 saw additional committee members joining a new management team of Julian Robinson as Manager with Frank Patrick as his assistant with most of the young squad retained with a couple of new faces to begin the season in Division One and begin a period of stability with steady consolidation of a club that had shared near past of turmoil with near extinction a possibility.

2009/10 After what seemed an endless season due to fixture congestion and the weather being so inclement the club had a tremendous campaign, albeit after the disappointment of losing out by 1 point for one of the promotion places leaving everyone at the club deflated for a while until we reflected on two cup final victories and one losing 9-10 on pens in the other. The first team with a third-place finish in the MSSML Div One good cup runs in the FA and Vase competitions, the reserves having a tremendous season finishing second in Div Two, The A team won the Bingham Cup and finished runners up in the other cup final and finally the U18 winning the league and cup double.

2010/11 A management team of Dave Townsend and Frank Patrick were quickly invited into the hot seat following the departure of Julian Robinson to Tring Athletic to try and stabilize the club once more and push for honors, following early disappointing results the team was unable to reach the promotion spots to remain in the division although a Hertfordshire Charity Shield Final saw the Blueboys lose against Premier side Leverstock Green.

Season 2012/13 saw the side finish 7th in the Spartan Midlands League Premier Division consolidating the improvement under Ryan Thompson's guidance this after a season of unprecedented injuries leaving the squad sadly depleted of up to 10 first-team players for most of the season.

Season 2016/17 saw the club bring in Joe Sweeney and his team from Chesham. An excellent start to the season meant that the Blueboys went straight to the top of the table, and remained there until the end of the season becoming the Spartan Premier Division champions. The Reserve team also won the Suburban league table to make it a double to remember. The powers that be decided to refuse promotion to the Ryman's League Division 1 which meant 2nd place Hertford Town gained promotion instead. Manager Joe Sweeney and almost all the promotion-winning squad left the club after this decision for pastures new.

The board also decided they no longer wanted to carry on running the club so unless a new board could be found quickly the club would fold with immediate effect.

Season 2017/18 saw a new consortium headed up by Chairman Gareth Davies along with former Peterborough, Watford and Birmingham center forward Ken Charlery agreeing to become the new custodians of the club which was perilously close to folding.

# THE **NON-LEAGUE** PAPER

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

**YOU** may have caught our recent programme column on former Non-League players excelling as coaches at the elite level of the game.

The current poster boy is, of course, Anthony Barry. In case you didn't seem, the former Conference title winner landed a new job last week. England assistant manager!

It's only been seven years since he was in Wrexham's midfield. Since taking the coaching path, he's been on the staff at Chelsea, Bayern Munich, Belgium and Portugal – now he will be Thomas Tuchel's right-hand man.

"Pretty incredible," he said when asked how it felt for England's YouTube channel. "Quite surreal. The process since it started has been fantastic. Thomas and I have loved every minute of it. As soon as I've seen this project capture the imagination of Thomas in the way that it did, we were back and forward sharing so much energy towards it, the imagination of the team and what we can do with these players.

"And then, of course, there is the extra layer for me. I am an Englishman. I've worked at other federations around the world. It was always a privilege to work on the highest level.

"But to come home now and represent The FA, England and the Three Lions is something that is the proudest day of my career so far."

Liverpool-born Barry, 38, progressed through the Everton youth ranks but was released at 18 and went on to play for Coventry City, Accrington Stanley, Yeovil Town and Chester City.

Barry joined Fleetwood Town to help them win promotion to the Football League before joining Step 1 Forest Green Rovers for the 2013-14.

Finishing his career after a second stint at Wrexham, Barry joined

Paul Cook's backroom staff at Wigan in 2017 and after a chance meeting with Frank Lampard while studying for his UEFA Pro-Licence.

His detailed analysis of 16,380 throw-ins made a mark on Lampard and Barry was drafted in to work under the Blues legend as a set-piece coach – a role which he has since gone on to make his name. Lampard departed in January 2021, but Barry stayed on at Stamford Bridge to work under his successor Tuchel.

The pair developed a strong friendship, helping Chelsea win the Champions League, and when Tuchel was sacked by Chelsea in September 2022, he returned for Barry when he was appointed at Bayern Munich the following year. England will be their third job together.

This, however, will not be Barry's first foray into international football having worked with the Republic of Ireland and also under Roberto Martinez with both Belgium and Portugal.

But while the 2026 World Cup may now be in his sights, the humble Three Lions assistant says he still looks back today on his very first taste of coaching at the age of 29, working with Accrington Stanley's U16 side with injury now stalling his playing career.

"I remember that first session so clearly," Barry told the Essential Euros podcast last summer.

"It was on a Tuesday night. It was with around 10 players. I had a third of a pitch, not enough balls, not enough bibs.

"But I simply fell in love with coaching and on that night I knew it was absolutely everything I wanted to do. I felt a passion from that session with those kids that I hadn't felt in playing games - even at Wembley. I knew right there and then, I wanted to be a young coach."

A lot has been written about the opportunities English managers and coaches since Tuchel's appointment. And there is a debate to be had. But it's good to see one of Non-League's own flying the flag.

# CLUB HISTORY

**Buckingham Football Club** is a football club based in Buckingham, Buckinghamshire, England. Formed by a merger of Buckingham Athletic and Buckingham United in 2023, they are currently members of the Spartan South Midlands League Division One and play at Stratford Fields.

The club was first formed in 1933 as **Buckingham Juniors**, but it was three years before a ground was found, allowing the club to enter the Brackley and District League. When they got their ground, it was originally called Timm's Meadow, before later becoming Stratford Fields. In 1939 the club adopted **Buckingham Athletic FC** as its name. It then took the club 27 years to win its first trophy when in 1960–61 they won their first trophy, the North Bucks League Shield.

In 1965 they applied and was accepted to the Hellenic League where they played in Division 1 finishing a creditable mid-table position in their first season but also won the Berks & Bucks FA Junior Cup. Their success continued and in 68/69 was promoted to the Premier Division after finishing Division runners-up.

The late 60's brought about some good success for the whole club with the Youth, Reserve and First teams all picking up trophies with the First winning the Buckinghamshire Senior Cup for the first time.

After a steady decline in fortunes in 78/79 the club returned to the North Bucks League and it wasn't until the mid-80's that further success was achieved.

This was the start of a successful period for the club and after winning the North Bucks Premier League title they moved to the South Midlands Division 1 in 1985 winning the league at their first attempt, losing only 3 games throughout the season.

However, success came too quickly, and the ground facilities were not ready for promotion to the Premier Division so they had to remain in Division 1.

The following season they were once again knocking on the door of the Premier League as they finished runners-up but a last minute hold up on planning permission once again stalled promotion. However, promotion was achieved the following year when they did the league and cup double and with correct ground grading in place the club was promoted to the Premier League for the first time.

Throughout the 90's all the teams in the club consistently won trophies

## Club History continued

although the highest the first team achieved in the Premier League was in 97 when they finished 5th.

The late 90's the club struggled financially, and they made a very difficult decision to drop out of the top flight and they were placed back in Division 2. A level of stability was brought about the club and in 2003 they were promoted back to Division 1.

Once again ground grading held the club back as in 2004 they finished runners-up in Division 1 and promotion back to the Premier league was denied.

Since 05/06 a huge amount of work has taken place to upgrade the clubhouse and football facilities but unfortunately success on the field has been sparse.

In 2023 Buckingham Athletic started talks with Buckingham United to bring the two clubs together with the sole purpose of having one senior football team in the town.

**Buckingham United FC** were formed in 2011 with the sole aim of providing local grassroots football. This began as a single Sunday side playing in Deanshanger due to a lack of local facilities. After the first season the club moved to Tingewick but it was not until 2016 when the club finally moved into Buckingham to the new Lace Hill Sports and Community Centre. The club joined the North Bucks and District League before joining the South Midlands League Division Two in 2019. Here the club grew quickly providing grassroots football across various levels and abilities which peaked with eight teams by 2021, this included Saturday First and Reserves, Sunday League A & B sides, Veterans, Ladies along with an Under 21s and Under 18s.

The club reached many cup finals across the teams including winning the North Bucks and District League Division One shield in 2018. In the final season under Buckingham United the ladies side really gave the club a wonderful finally winning the Northants Premier Division Title and League Cup double.

As a result of many meetings between the clubs, both Buckingham Athletic & Buckingham United formally agreed to pass the motion to combine both clubs, creating Buckingham Football Club, which now has one of the largest offerings of adult football in the region with a structured youth pathway with our strategic partners Moretonville Junior FC.

This is not an end to Buckingham Athletic or Buckingham United, this is very much a continuation in the story of these clubs and football within the town. The history of which won't be forgotten.

The ultimate aim of combining the clubs is to provide the town with a sustainable non-league football club by sharing resources, passionate volunteers, and great sporting facilities. A club with the aim of pushing up the pyramid while also providing structured football for the community, maintaining the fun and enjoyment of the game that everyone loves.

# ACTION FROM NORTH BUCKS TEAM

## THE “VETS” GAFFER

**This week we caught up with our veteran team manager Ant Weight to get his views of the season and why our vets are an important part of the club.**

“We have had a strong start which sets the tone for a promising season.”

As we kick off the new season, our Veterans team has made an impressive statement by winning three out of the first four matches, following promotion.

The highlight so far has been a dominant 6-1 victory over Hatters FC, reigniting a “competitive” rivalry that had sparked last season.

This emphatic win demonstrated the step forward we’ve taken and sets the tone for what we hope will be a successful campaign.

Our ambitions this year are clear: “to challenge for silverware in both the league and cup competitions.” Key to this goal has been the addition of quality players with experience at step 5 and 6 of the football pyramid, who have bolstered the squad and integrated seamlessly into the club.

Their contributions, combined with the hard work of our existing squad, have given us the confidence to aim high.

The cup journey presents an exciting challenge ahead. After receiving a bye in the first round, we’ve drawn Northampton Mereway, the side that knocked us out in the semi-finals last season and went on to lift the trophy.

This match will be an opportunity for redemption and a chance to measure ourselves against higher-division opposition once again. We expect a thrilling contest as we look for a better result this time around.

We’d also like to extend an invitation to the local community to come and support the team. With our brand of football, promising plenty of goals and entertainment, we hope to see more faces cheering us on at Lace Hill.

With no admission fees, join us for our home matches on at 10:30 on Sunday mornings.

Your support can make all the difference as we strive for success together.

## FROM THE GAFFER

**Afternoon everyone and welcome back to Stratford Fields for our latest home game against London Colney.**

We come into this game in a great place, four points from a possible six secured in the league since the change of management and lots of additional progress being made on and off the pitch too.

Last Saturday saw us take a point off of AFC Welwyn - one of the league favourites I am informed. Yes we rode our luck at times, but our defensive shape, effort and commitment to the game plan was superb.

Will Howes scored an incredible opening goal and we had other chances to kill the game. Sadly they scored a late penalty, but we were delighted to get a draw and can use the performance as a marker moving forward.

This week we used Tuesday night as an opportunity to show support to our U23 side. A great competitive performance from the group in a narrow defeat to Kempston Rovers. It was good for me personally to see the squad in action and to observe more game time for some of the players we have already used from their squad such as Timmy, Gabby and Tom LR.

Training Thursday was short and space as always and we feel very much prepared to take on this next challenge and opportunity today!

Let's get behind the lads and cheer on an other positive performance and result fingers crossed! See you in the bar after the game.

## CLUB LIFE

### Supporting Our Social Events

Are you aware that we are still holding regular social events at the club and although all have been well attended there have been tickets to spare.

This year we already had tribute acts for Adele, Fleetwood Mac, and Tom Jones which were all well received by those attending. Still to come in 2024 we have Elvis and a Soul night and tickets are still available and in 2025 we have already booked Gary Barlow and Whitney Houston.

Along with that we have a very popular Disco Bingo event which we try to hold every couple of months, although a free event entry is by ticket due to its popularity.

If you are interested in any of our social evenings then you can buy tickets online at our [ticket store](#). Go to our Web page and follow the links.

We also host the brilliant and entertaining “Buckingham Live Sessions” formerly the Buckingham Acoustic Club. It’s a great environment for all kinds of talent to take the stage. It’s also a great opportunity for folks to come along and enjoy the entertainment on offer.
