Essenza Collection

INTRODUCING THE ESSENZA COLLECTION

Sometimes, it's the smallest details that leave the biggest impression.

Inspired by the beauty of understated elegance, Sif Jakobs designed the **Essenza Collection** - a line of affordable luxury jewellery that feels effortlessly chic, refined, and made for every moment of your day.

We believe luxury isn't just for special occasions - it should be part of your everyday style. It should be accessible, wearable, and deeply personal - a reflection of who you are, where you've been, and where you're going.

The Essenza Collection was created with this in mind: Beautifully crafted, delicately designed pieces that seamlessly blend into your life. **Minimalist styles that move with you** - lifting your spirit, catching the light, and making every moment feel a little more special.

Sif Jakobs believes that true luxury isn't about grandeur - it's about how jewellery makes you feel. And these little pieces? They're designed to make you feel like the most confident, true you.

*Delicate. Timeless.
Designed for you.*

Essenza

*For me, Essenza is not just a collection
- it's a feeling. It's the quiet confidence you carry, the
little spark that makes every moment feel special.
With each new design, my goal is to keep that feeling alive."*

Meet the woman behind the brand

Sif Jakobs founded her jewellery brand in 2009 with the belief that every woman deserves to shine. An Icelandic goldsmith, she splits her time between Copenhagen and European cities, drawing inspiration for her designs. Her style blends Nordic simplicity with Italian elegance, creating accessible luxury pieces that add sparkle to everyday life and special occasions.

Jewellery that lets you shine

Essenza is all about capturing your spark, the effortless confidence that makes every moment unforgettable. From our Copenhagen studio we design jewellery that lifts your mood and upgrades your style, perfect for everyday vibes or special nights out.

Inspired by travel, nature and city life, each piece blends cool Nordic simplicity with a touch of modern elegance. Made from quality materials and crafted to last, Essenza is designed to shine with you wherever life takes you.

Shining on the World Stage

Sif Jakobs Jewellery is known for bold and stylish designs that combine elegance with a cool edge, bringing luxury that feels within reach. Celebrities like Miley Cyrus, Lady Gaga, and Dua Lipa have worn the pieces, and the brand is loved by countless influencers and featured across fashion media and social channels.

With an international fan base and several European jewellery awards, Sif Jakobs has become a favourite for silver and sparkling zirconia jewellery that stands out.

Product information

Sterling Silver

The Essenza Collection is made of 925 sterling silver, which is the international quality designation for silver products of the highest quality. The jewellery is 100% free of nickel and complies with all international quality standards. The quality is carefully inspected by Sif Jakobs to ensure the best result in the jewellery collections. All items are stamped with Ag925, Sif Jakobs, or SJ to specify our trademark.

SJJ jewellery is straightforward recognized - All items are stamped with Ag925, Sif Jakobs, or SJ to specify our trademark.

Zirconia

AAA cubic zirconia stones are exclusively used in all of Sif Jakobs Jewellery. An AAA zirconia is rated as the highest quality zirconia within fashion jewellery. Like diamonds, cut, quality, and colour affects the rating of cubic zirconia.

Rhodium & Yellow Gold

All our jewellery is made of 925 sterling silver, plated with rhodium or 18k yellow gold to achieve an elegant finish.

Freshwater Pearls

Freshwater pearls are natural gems valued for their soft lustre and timeless beauty. Each pearl is unique, with slight variations in shape, size and colour.

Product care

Rhodium- and Gold Plating

Plating is a method of depositing a thin layer of rhodium or gold onto the surface of the silver. With the right care, plating is long-lasting and can be re-plated if required. Take special care when you handle things that are likely to scratch your plated jewellery, and follow universal care tips to keep your favourite piece glamorous and shiny.

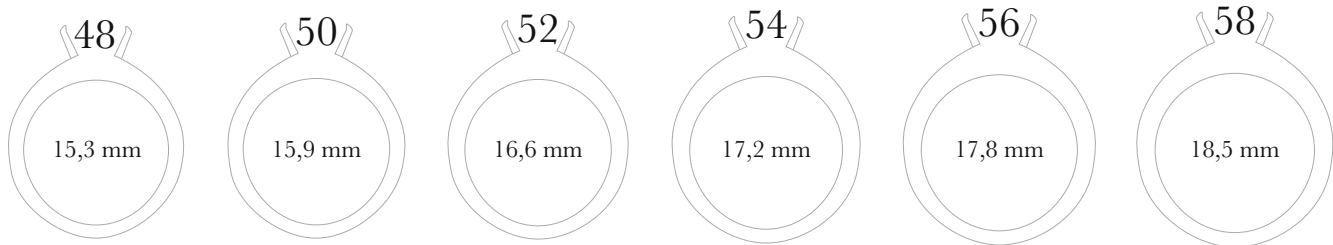

Fixing the lock on hoop earrings

Hoop earrings may occasionally become difficult to close, this may happen if the closure becomes bent during use. It can easily be fixed by gently pushing on the stud, either up or down, so that it "clicks" into the lock again.

Jewellery Cleaning

Jewellery polishing cloths are one of the most effective and safest ways to clean your jewelry. Polishing cloths help remove fingerprints, oils, tarnish, dirt and dullness. It will not, however, remove scratches. If the dirt is hard to remove, soak the jewellery in lukewarm clean water and pour a small quantity of ph-neutral soap into the water. If necessary, you can also carefully use a soft-bristle toothbrush for removing dirt. Sif Jakobs Jewellery cleaning kit and polish cloth are available on B2B site.
