Education is an all round development of the best in child and man in body, mind and spirit. -- Mahatma Gandhi

PRIMARY SCHOOL (CLASS I TO V)

A wise person once described a school as a building that has four walls. with tomorrow inside. The focus of education at the primary school embodies this idea - by giving its students the strong roots they need to soar successfully into the future. We follow a student-friendly, student-centered, and interactive approach to learning wherein a balanced breadth of academic coverage is ensured which neither overburdens the student, nor is it superficial. Subjects covered at this level include Languages, Mathematics, Environmental Sciences, General Awareness, Computer Science, Art & Craft.

KINDERGARTEN (NURSERY & K.G)

Kindergarten being a child's first experience in the formal schooling can be an anxious time for both children and parents that is why we have taken special care to create a warm, welcoming and cheerful environment, in which children feel secure and happy. An environment that makes them want to come to school each morning, and where teachers become one of the most important persons in their life. We provide a classroom where the learning environment is designed to be bright and friendly with ample space for supervised play and carefully selected range of toys, learning aids, craft materials and books encouraging intellectual inquisitiveness and socialization.

PHYSICAL FITNESS @ A.N.P.S

Sports play a vital role in moulding a student’s life. It shapes the students physically and mentally. A student excelling in sports will also shine in his/her academic career. Instilling the interest for sports in student must start from the initial year. Sports divert a student’s attention from indoor activities. Sport also help in strengthening the muscles, bones and makes students physically and mentally fit. So, we conduct Inter school Sports Competitions, Adventure and Training Camps, Swimming Classes, Skating Classes and Scout & Guide Classes in our premises.
