Payout

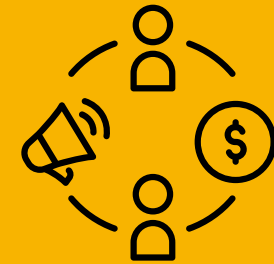

When you sign up a new referral you will receive 5% commission for every completed order made by your referrals on affiliate eligible products.

Unlike other affiliate programs, which pay you a one time commission, we pay you 5% commission on every eligible purchase.

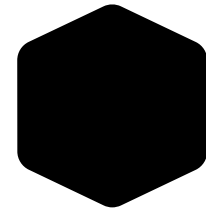

Yes, you read that right, Lifetime Commissions for your referrals!

Cash out payments will be made via PayPal.

Important note: Those who are your referrals may become affiliates, and you will not earn commission on their referrals. This is to prevent a pyramid style structure that can become very inefficient over time.
