PRACTICALITY AND

Timeless calm

< **51196**

A finely textured, subtly grainy fabric with a natural look, soft drape, and a warm, inviting feel. It gently filters light, works beautifully in natural tones, and pairs effortlessly with both sheer and blackout curtains.

Silkily shimmering with a subtle marble effect, adding elegant depth and a refined, natural character to the fabric.

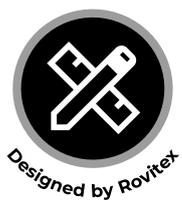

91220 >

A lightweight, airy fabric with softly diffused light and an elegant, fluid drape that brightens the space and creates a sense of openness. Its clean, even weave and easy-care properties make it a versatile choice for both modern and classic interiors.

TIMELESS

Golden hour

TURKU >

A modern fabric with a natural textured base and a clean, geometric pattern.

GEOMETRIC

Urban rytmym

< 71131

A natural, linen-like look with a matte surface and a soft, airy drape that gently diffuses light. It creates a calm, cozy atmosphere and is easy to combine with other fabrics.

GIRONA >

A light-based decorative curtain with a botanical leaf print that brings a fresh, nature-inspired feel to the room. The soft green tones pair beautifully with neutral furniture, natural wood and modern interiors. It gently filters daylight, creating a bright yet cozy atmosphere throughout the day.
